Our Flag at Fort Hatteras.

O, to have stood on the ramparts!
O, to have seen it soar—
The dear old Banner floating
Over its own, once more!
O, to have heard the cheering,
That greeted our Eagle's rise,
Up to his olden eyrie,
Under the Southern skies!

Not in the lust of conquest,
Not in the greed of gain,
Cometh the stery pennon,
Unto its own again;
But promise of peace and pardon
Forth to the erring holds,
And summons repentant children
Back to its sheltering folds!

PRESIDENT JEFFERSON sustained Gen. Wilkinson in his refusal to obey a writ of habeas corpus, at New Orleans, during the "Burr *Conspiracy*," (which did not become open *Rebellion*.) He acted as Gen. Jackson did at New Orleans, in 1815, and as Pres. Lincoln does now. Said Thos. Jefferson, in a letter to J. B. Colvin, Esq., under date of Sept. 20, 1810:

"The question you propose, whether circumstances do sometimes occur which makes it a duty in officers of high trust to assume authorities beyond the law, is easy of solution in principle, but sometimes embarrassing in practice. A strict observance of the written law is doubtless *one* of the high duties of a good citizen, but it is not *the highest*. The laws of necessity, of self preservation, of saving our country when in danger, are of higher obligation. To lose our country by a scrupulous adherence to written law would be to lose the law itself, with life, liberty, property, and all those who are enjoying them with us; thus absurdly sacrificing the end to the means.

"From these examples and principles, you may see what I think on the question proposed. They do not go to the case of persons charged with petty duties, where consequences are trifling and time allowed for a legal course, nor to authorize them to take such cases out of the written law. In these the example of overleaping the law is of greater evil than a strict adherence to its imperfect provisions. It is incumbent on those only who accept of great charges to risk themselves on great occasions, when the safety of the nation or some of its very high interests are at stake."

Frank, and Manly.—The Democrats of "Old Berks" do not "stab under the fifth rib" the Government, by denouncing its Administration in its death-grapple with the meanest, foulest rebellion creation ever saw since proud Lucifer was cast out of heaven. In their late County Convention, they came fairly and squarely up to the duty of true patriots—without any whinings about "Peace," or "Compromise," —by adopting the following Resolutions, unanimously:

"*Resolved*, 1. That the Democratic Party of the County of Berks, in Delegate Convention assembled, reaffirms its ardent and unalterable attachment to the Union, and opposes *any attempt at separation of the States* as a measure fraught with unqualified evil, and with ultimate *ruin to every section of the country*.

2. That the Democratic Party of Berks county *will give its firm support to the Government* of the United States, in every constitutional effort to sustain the cause of the Union and to *suppress the present Rebellion*.

3. That it is eminently proper to prosecute the existing war with vigor, *in order that it may be sooner brought to a successful termination*."

The Democratic Convention of Philad. and several other counties have been as unequivocally "straight" as those of Berks. They did not condemn, or seek to embarrass, or prejudice the people against, THE OFFICERS, who are the Agents of the Government, without whom it is dead—nor did they proclaim that Slavery should receive no damage in this Slaveholders' War. The Unionists are pouring out their money and their blood for Liberty and Law, and not for Slavery and Anarchy.

It has never been positively known how much Arnold received for his treason. Nor will it, probably, ever be known how much the Rebel Government pays its "Peace" emissaries at the North. But it is known that Arnold was always despised by those whom he served. So will these "Peace" traitors be despised by the Rebels.

Entirely Vegetable. No Alcoholic Preparation.

Dr. ROOFLAND'S CELEBRATED GERMAN BITTERS,
Prepared by Dr. C. M. Jackson & Co., Philad'a.
WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, Chronic or Nervous Debility, Disease of the Kidneys, and all Diseases arising from a disordered Liver or Stomach,
SUCH as Constipation, Inward Piles, Fulness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Flattering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits, and will positively prevent YELLOW FEVER, BILIOUS FEVER, &c.
The Proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.
It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivaled by any similar preparation extant. The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their agents, can not but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.
[From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge:]
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not freely to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
I do this the more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, and for the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouraging me at last to try them, when suffering from great and long protracted debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.
An aperient and Stomachic preparation of IRON purified of oxygen and carbon by combustion in hydrogen, sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable form.
Innocuous in all maladies in which it has been tried it has proved absolutely curative in each of the following complaints, viz:
In Debility, Nervous Affections, Emaciation, Dyspepsia, Consumption, Incipient Consumption, Diseases of the Spleen, Scrofulous Tuberculous, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.
In cases of GENERAL DEBILITY, whether the result of acute disease, or of the continued diminution of nervous and muscular energy through the slow complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world as if just returned from protracted travel in foreign lands. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic affection to art and exercise for which the physician has no name.
In Nervous Affections of a hysterical character, for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overbearing; and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.
It is this latter property, among others, which makes it so remarkably efficacious and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.
In Dysentery, innumerable as its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant costiveness.
In unchecked DIARRHŒA, even when advanced to DYSENTERY, confirmed, exhausting, and apparently malignant, the effects have been equally decisive and astonishing.
In the local pains, loss of flesh and strength, debilitating cough, and re-mittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.
In Scrofulous affections, this mediated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.
The attention of females can not be too confidently invited to this *remedy and restorative*, in the cases peculiarly affecting them.
In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.
In INTERMITTENT FEVERS it must necessarily be a great remedy and conqueror of fever and ague. Its progress in the new settlements of the West, will probably be one of high renown and usefulness.
No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.
Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

LINDSEY'S Improved
BLOOD SEARCHER,
A STANDARD MEDICINE
For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD!
THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula	Cancerous formations,
Cutaneous diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes, Scald Head,
Old, stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Contractions,
Dyspepsia, Jaundice,	Salt Rheum,
Mercurial diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,

Female Complaints—and all diseases having their origin in an impure state of the Blood.

The above is a portrait of David M'Creary, of Naples Twp, who, on the 21st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which his lip, nose, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.
We also refer to a case of Nancy Bleakney, of Elderton, Armstrong Co., Pa., cured of SCROFULA after being unable to get out of bed for three years.
To the case of a lady in Acworthville, Clearfield Co., who was also afflicted with Scrofula in its worst form.
To the case of George Mazel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creary's.
The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

COMMENDATIONS.
From Hon. LEWIS D. CAMPBELL, M. C., Ohio.
My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they ever saw. My likenesses has been repeatedly taken by different Artists in various ways, but I have never yet had one which presented so true to nature, all the features and expressions of countenance as this.
From Hon. E. JOY MORRIS, late Minister to Italy.
The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, can not fail to commend them to the attention and patronage of all who appreciate true art.
From Col. JAMES PAGE.
Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a man known in Old Colony, under the very process employed by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. 858m6 JAMES PAGE.

Wolfe's Pure Scotch and Irish Whiskey
ALL IN BOTTLES.—I beg leave to call the attention of the citizens of the U. S. to the above WINES and LIQUORS, imported by UDOLPHO WOLFE of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says:
"I will stake my reputation as a man, my standing as a merchant of over thirty years residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser."
Every bottle has the Proprietor's name on the wax and a fac-simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at RETAIL by all Apothecaries and Grocers in Philadelphia.

Sole Agent for Philadelphia.
[Read the following from the N. Y. *Courier*:]
EXTENSIVE BUSINESS IN NEW YORK MERCHANT.—We are happy to inform our readers and the citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Gerardus Wolfe's extensive warehouses, Nos. 18, 20 and 22 Beaver St., and 17, 19 and 21, Mackfield St. His stock of Schnapps on hand ready for shipment could not have been less than 30,000 cases; the Brandy, some 10,000 cases—Vintages of 1836 to 1846; and 10,000 cases of Madeira, Sherry and Port Wine, 6 to 10 years old. Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He has also three large cellars filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to 750,000 dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.
His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use, should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.
We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of competitors in the United States, who sell worthless, foul imitations, ruinous alike to human health and happiness.
