PITTSBURGH GAZETTE—Extract,

CALIFORNIA GOLD.—Productiveness of the gold mines of this State Legislature who was sent to Congress, has published a long report, in which the results are favorable to the belief that the gold of the State is inexhaustible for many years, and may be profitably worked for a long period. The placer ranges are said to extend to the east within ten or fifteen miles of the summit ridge of the Sierra Nevada. There are evidences which indicate a deposit of gold older than the diluvial drift of the lower western diggings, and its direction has been traced for about 70 miles. It appears to have an average breadth of about four miles. The quartz mines, he concludes, possess continuous and inexhaustible veins, and all the expectations that have been formed of them he thinks well grounded. Of the mountains running along the coast, he states that the auriferous deposits are known to occur over a district eighty miles in length. He represents most of the principal mines of the State as still in a prosperous condition, and able, to insure large profits to the investment of a far greater amount of capital.

NEW YORK
Its Upper Ten and Lower Million!

BY GEORGE LIPPARD,

Author of "Washington and his Generals," "The Nazarene," "Paul Ardenheim," "Jesus and the Poor," "Adonai," "The Quaker City," &c.

This is the best work ever written by Lippard; one continued scene of excitement from the commencement to the end. Those who have read Dumas' Comte de Monte Christo, or The Wandering Jew, were under the impression, will be equally pleased with this. Novel readers will find this the most interesting work that has issued from the press for some time.—*Examiner.*

George Lippard's Great Work—New York: Its Upper Ten and Lower Million. Novel readers will be perfectly delighted with this new work. The incidents delineated in this work are of the most exciting character. We should not be surprised if the demand for it should exceed that of Uncle Tom's Cabin.—*Times.* From the Louisville Courier.

New York: Its Upper Ten and Lower Million.—George Lippard's last and best work. This novel requires only to read to be correctly appreciated. As an enchanting work, it is unsurpassed. We believe it will be impossible any person who commences this work, to leave it off unless he has turned over its last page.

[Extract from the Cleveland Plain Dealer.]

New York: Its Upper Ten and Lower Million.—A new by that gifted son of genius, George Lippard. We averred it. It is a novel of most thrilling interest—such one as having been commenced, you will sit up all night to finish. It is a book we would like every body to read.

SANDS' SARSAPARILLA
IN QUART BOTTLES.

For Purifying the Blood, and for the Cure of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Skin Disease, Fever Sores, Erysipelas, Pimples, Blotches, Mercurial Eruptions, Ratlesnake Poison, Mercury, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, Costiveness, Debility, &c. &c.

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root formsan important part of its combination, it is at the same time compounded with other vegetable remedies of great power and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation of the bowels and thus three prominent avenues are ordinarily the result of three different kinds of medicine, are carried on at the same time, through its instrumentality of rare care remedial agent which heretofore have been published, and who are still bearing daily testimony to its worth.

ASTONISHING CURE.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the Spring of 1848, he took a severe cold, and after 8 weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The pain was so intense that he was confined and discharged most profusely; after that no less than eleven ulcers formed on the leg and foot at one time. Had five Physicians but none relieved him much; and the last winter found him so emaciated and low that he was unable to walk a step, and was pronounced by most excruciating pain. During this time the bone had become so much affected that pieces after pieces came out, which he has now more than twenty-five preserved in a bottle, varying from one-half to one inch in length, and from a quarter to one inch in breadth. Yours respectfully, JAMES WARDROP.

Price $1 per bottle; 6 bottles for $5. For sale by R. A. Fahnestock & Co., 1; Wilcox, Jr., & Co., Pittsburgh; H. K. DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON
No. 120 ARCH STREET, PHILADELPHIA.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worth the attention of invalids. For seeing great virtues in the rectification of disease, they are recommended to the invalid as a safe and searching power in weakness and affection of the digestive organs, they are, withal, agreeable to the taste.

READ AND BE CONVINCED.

The following cures by the Rev. J. W. Fair, are extracted from the Christian Chronicle:

"MONTROSE, Susquehanna Co., Pa., Feb. 7th, 1852.

Dr. C. M. Jackson, Dear Sir:—Your "German Bitters" are what they are represented to be. For more than one year I have been troubled with Chronic Diarrhœa, perhaps seven-eighths of the time, until about the middle of last September, I became so reduced and weak, finally I could not walk across the room. My stomach and the mucous membrane of my bowels became drastically diseased and inactive. In consequence of which I became so low that I despaired of my case and checked the disease, and in a measure restored action to the bowels, but the Diarrhœa returned, and I were not right, my tongue continued to be much coated, the relax frequently checked my powers. Some friends of mine, who had been benefited by your medicines, urged me to gether with extreme nervous debility. Being an agent for the Christian Chronicle, I noticed Dr. Hoofland's German Bitters advertised, and several certificates annexed, recommending the use of them in cases similar to my own. I wrote to your agent, Mr. A. Turrel, at Montrose, and procured two bottles, and commenced according to the directions. I had not used the first bottle I found that the coating was fast being removed from my tongue, and the bowels also improved, consequently I kept on and regular. I have used five bottles; my nerves have become perfectly healed, and I have now no Diarrhœa, and am being perfectly restored, whereas the disease has been weeping for long, and I thought it would be so. I have no doubt but your medicine will do the same for others.

Yours Respectfully, DAVID WILLIAMS.

Prepared and sold by C. M. Jackson, German Hall, No. 120 Arch street, Philadelphia. Price $1 per bottle, or six bottles for $5. For sale by R. A. Fahnestock & Co., Pittsburgh; H. K. Schwartz, Allegheny City, and by Druggists and Dealers in Medicine everywhere. oct2-1ydaw

THE FOREST WINE.

THIS excellent Medical Wine and the Forest Pills are fast gaining the good will and becoming the favorite medicines of the people, and are fast becoming a valuable remedy in the cure of

Dyspepsia, Costiveness, Dropsy, Liver Complaint, Asthma, Piles, Costiveness Headache, Bilious Disorders, Pimples, Blotches, Fever and Ague, Female Complaints, Ague and Fever, Still Fevers, Irregular, Complaints, Nervous Debility, Weakness, Night Sweats, Nervous Disorders, General Ill Health and Want of Appetite.

But a short time has elapsed since these great and good medicines were first introduced to the public, and they have experienced their good effects. Invalids given over by their physicians are restored to health, and to sound and vigorous health by their use. These medicines are unlike any other. Their two-fold properties a kind of general purgative and a tonic and diuretic, which secrete the fluids, and separate the impurities from the blood. This Wine and Pills are tonic, but give strength and animation to both body and mind.

The testimony of good these medicines have done for the sick and afflicted has induced thousands to commend them to their friends and the public. Individuals of the highest standing in all the United States, have volunteered in favor of their extraordinary virtues.

Dr. F. J. Ehrhart, of Lancaster, Pa., a physician, in a letter from Princeton, New Jersey, dated November, 16, 1849, declares that in all his experience he never seen a medicine so universal in its effects as the Forest Wine and Pills, at the same time relating several cases of constitutional debility and scrofulous affections which yielded to the medicine in short time. Among the members of the Medical Faculty who have used the Forest Wine, and recommended it to Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated, Dr. R. T. Goodwyn, of Philadelphia, Dr. Chilton, Dr. Wm. Brown, Dr. Martin, Dr. J. M. Moreno and others.

CERTIFICATE.

of Mr. Johnson Burke, a highly respectable citizen of Westerville, Ohio, New York:

Mr. H. Halsey—Dear Sir: I esteem the Forest Wine as the King of Medicines. It has done for me in five days, what other medicines failed to do in three months. In 1845 I became the victim of the Heart Disease and Nervous Affection which has been so common of late years, and until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance—During the last three or four years I was confined to my house nearly all the time, and gave up business in consequence of my ill health. I had lost nearly all my flesh, and my complaint was of that class under which "naturam is a little beaten down, and the spirits broken." Hearing of your medicines, I commenced to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, contrary to the advice of my physicians, some of whom had attended me for a long time. Yours, &c. JOHNSON BURKE, Waterly Place, N. Y

General Debility, Emaciation, Wasting of the Body, &c., &c

Many persons are afflicted with some one of the above complaints without being able to trace it to any particular cause, and therefore delay the use of the proper remedies until the disease becomes deeply seated, and finally orders are often characterized by a sense of sinking, or entire exhaustion after exertion. Some experience sluggishness, lassitude and at times manifest a pleasant cheerful countenance, palpitation of the heart, or like symptoms.

The salutary effects which follow the use of the Forest Wine and Pills, in every species of debility, is conclusive evidence of its happy results in this class of diseases. Many have been restored from a state of

Wilmness, and been speedily cured. For nervous disorders, general debility, the Wine and Pills taken according to the directions on the label.

TO THE FAIR LADIES.

True beauty and loveliness accompany the highest perfection of health, which again invariably follows the *Pills and Wine of the Forest.* Nothing tends more to impart that vivid expression of countenance which emanates from perfect health, than the virtues of certain vegetable and general blood cating its brilliant roseate hue through the transparent surface of the skin, and giving that peculiar captivating than those of nature, in her highest perfection! Let Dr. Halsey's Wine supply the place of all cosmetics—it is the most excellent! Nature is a delicate creatress of the rich blood, which, coursing through the veins, penetrates the minutest fibres that verge beneath the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a healthy glow color to the skin, and bringing out expression to the eye.

THIS IS NATURAL BEAUTY.

In corroborative testimony of the above facts, I add the following testimonials. The following is from a lady of the most respectable standing in the country, sent to us by her brother, residing in Rutgers st.

DR. G. W. HALSEY—My sister, for many her health, had been in very delicate health, complaining frequently of a pain in her side, which at times became so severe, at the age of 15 she began to get much worse. For six months previous to commencing to use your medicines, she was not able to get out of the house, her countenance was greatly emaciated, yellow and sickly. Her face and neck was covered with eruptions, and her limbs became so emaciated, and her coughing, in fine, she bore every appearance of soon becoming an unhappy victim to consumption. At this time I procured for her some of your Forest Wine and Pills, which she commenced using according to the directions. She gradually improved as she followed up the use of them. Her first symptoms of recovery was an uncommonly good appetite, her face finally became smooth, and her cheeks rosy. Her cough left her altogether. She is now strong and vigorous, and presents the finest example of health I ever witnessed.

JOHN S. HAXWELL.

Dr. Halsey's Gum-Coated Forest Pills,

Manufactured on the same principal as the Forest Wine, to which it is an important adjunct. They are coated with pure Gum Arabic, an important invention, for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

Dr. Halsey's Forest Wine and Gum-Coated Forest Pills, unite in accomplishing the same great end, *THE PURIFICATION OF THE BLOOD, THE REGENERATION AND RESTORATION OF THE STOMACH AND BOWELS.*

The life principle of man is the blood, no sooner are those organs of the stomach which secrete the blood, cleansed of morbid matter and restored to healthy action, by the use of the Forest Pills, and pure rich blood made to flow in the veins, by the use of the Forest Wine, than disease begins to vanish, and strength and energy of body return. This is the principle on which is founded these great medicines, and by which nearly all diseases are cured.

☞The Forest Wine is put up in large quart bottles, with Dr. Halsey's name blown in the glass. The dollar pot bottle, or six bottles for $5. Gum-Coated Forest Pills, 25 cents per box. General Depot, 161 Duane street, corner of Hudson, New York.

Sold wholesale and retail by GEORGE H. KEYSER, corner of Wood street and Virgin alley, Pittsburgh, and by JAMES T. RAMBLE, north-west corner of Federal street and the Diamond, Allegheny. sp14.ddw3m.8

Multiplication and Extension of Iron Manufacture.

We have within the last few months seen frequent allusions to a new plan, by which minerals, coal, and iron, are to be smelted and refined at a much less cost of time and labor than through the more tedious and expensive steps into and from the pig metal state as at present practiced throughout the United States.

This new process appears to be gaining favor rapidly in various parts of our country. It was first heard of at Newark, New Jersey, then in Cincinnati, then at Haverhill, Mass., and now it is in our immediate vicinity, at Pittsburgh and Sharpsburg.

We have visited the works and witnessed the results. We have seen the charcoal coal and the crude ore, after being ground or pulverized, and mixed in suitable proportions, put into a hopper, like a bag of grain as a country mill, and we have seen it, from sufficiently *desanded,* and passing through hot rollers, come out in the form of a long, compact, captivating than those of nature, in her highest perfection! Let Dr. Halsey's Wine supply the place of all cosmetics—it is the most excellent! Nature is a delicate creatress of the rich blood, which, coursing through the veins, penetrates the minutest fibres that verge beneath the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a healthy glow color to the skin, and bringing out expression to the eye.

THIS IS NATURAL BEAUTY.

In corroborative testimony of the above facts, I add the following testimonials. The following is from a lady of the most respectable standing in the country, sent to us by her brother, residing in Rutgers st.

DR. G. W. HALSEY—My sister, for many her health, had been in very delicate health, complaining frequently of a pain in her side, which at times became so severe, at the age of 15 she began to get much worse. For six months previous to commencing to use your medicines, she was not able to get out of the house, her countenance was greatly emaciated, yellow and sickly. Her face and neck was covered with eruptions, and her limbs became so emaciated, and her coughing, in fine, she bore every appearance of soon becoming an unhappy victim to consumption. At this time I procured for her some of your Forest Wine and Pills, which she commenced using according to the directions. She gradually improved as she followed up the use of them. Her first symptoms of recovery was an uncommonly good appetite, her face finally became smooth, and her cheeks rosy. Her cough left her altogether. She is now strong and vigorous, and presents the finest example of health I ever witnessed.

Dr. Halsey's Gum-Coated Forest Pills,

Manufactured on the same principal as the Forest Wine, to which it is an important adjunct. They are coated with pure Gum Arabic, an important invention, for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

Dr. Halsey's Forest Wine and Gum-Coated Forest Pills, unite in accomplishing the same great end, *THE PURIFICATION OF THE BLOOD, THE REGENERATION AND RESTORATION OF THE STOMACH AND BOWELS.*

The life principle of man is the blood, no sooner are those organs of the stomach which secrete the blood, cleansed of morbid matter and restored to healthy action, by the use of the Forest Pills, and pure rich blood made to flow in the veins, by the use of the Forest Wine, than disease begins to vanish, and strength and energy of body return. This is the principle on which is founded these great medicines, and by which nearly all diseases are cured.

☞The Forest Wine is put up in large quart bottles, with Dr. Halsey's name blown in the glass. The dollar pot bottle, or six bottles for $5. Gum-Coated Forest Pills, 25 cents per box. General Depot, 161 Duane street, corner of Hudson, New York.
