MEDICAL.

TO THE SICK AND AFFLICTED.
DR. SWAYNE'S

GREAT DISCOVERY.

The great Remedy for
Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of above diseases, is DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

ANOTHER LIVING WITNESS.—Read with astonishment the wonderful cure performed by Doctor Swayne's Compound Syrup of WILD CHERRY:

PHILADELPHIA, January 25, 1847.

Dr. Swayne—Dear Sir: In justice to yourself and a duty I owe to suffering humanity, I cheerfully give my testimony, and declare to the world the most astonishing effects, and the great cure your Compound Syrup of Wild Cherry performed on me, under the most unfavorable circumstances. I was taken with a violent Cough, Spitting of Blood, severe Pains in the Side and Breast, which seemed to break down and enfeeble my constitution, so that my physician thought my case beyond the power of medicine, and my friends all gave me up to die; but thanks to you and the effects of your great discovery, I now feel myself a well man, and raised from a mere skeleton to as fleshy and healthy a man as I have been for years, and shall be pleased to give any information respecting my case, by calling at my residence, Mechanic street, third door below George street, Northern Liberties. JACOB PAINTER.

Testimony is now received from all quarters of the Globe.

The following letters are presented with a view of more fully showing the opinions of Physicians in relation to the Medical value of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

Dr. Swayne—Dear Sir: Having used your Compound Syrup of Wild Cherry extensively in my practice, I was requested by your Agent, Doctor Crutcher, to express my opinion in writing of its properties as a remedial agent, I most cheerfully comply, as I feel by so doing, I will discharge a debt I owe to the community at large, and Physicians in particular. As much as I detest Quack Remedies and Patent Nostrums, I was induced from a failure of the most potent expectorants, recommended in our materia medica in some cases of Diseased Lungs, to try your preparation of Prunus Virginia or Wild Cherry. It is sufficient to say that I was so much pleased with the result of that and subsequent trials, that I now prescribe it in preference to all other Remedies where an expectorant is indicated. In the much dreaded Pneumonia or Disease of the Lungs, in the alarming form in which it appears in Kentucky, I regard it as an invaluable Remedy in the treatment of that disease. To all who know me I have said enough, but as this may be seen by persons out of the vicinity of Frankfort, I will briefly add, that I have been engaged in an active practice of my profession of 12 years, and am a Regular Graduate of Transylvania, and this is the first Patent Medicine I ever thought enough of to express an opinion in writing.

J. H. ELLISON, M. D.
January 7th, 1847. Franklin County, Ky.

FRANKFORT, Ky., Jan'ry 7th, 1847.

The above certificate is from one of our Physicians living a few miles from here, he is doing a very good practice, and is considered a good Physician, and stands fair; he is, as he says, a regular graduate.

DR. W. L. CRUTCHER,
Druggist and Apothecary.

Testimonials will never cease.

From the Temperance Pledge.

Now that Winter is upon us with its attendant train of Pulmonic and Bronchial affections, Coughs, Colds, &c. &c., we would advise those afflicted in this way to make immediate trial of Dr. Swayne's Compound Syrup of Wild Cherry. It will never fail to perform a permanent cure. The reputation of this medicine has caused many spurious articles to be put forth under its name; but the preparation of Dr. Swayne, besides being the first ever offered to the public, is the only one that can be relied on. The other mixtures sold for Wild Cherry Syrup, Balsams, &c., are all spurious and worthless, and contain none of the virtues of the original preparation, Dr. Swayne's Compound Syrup of Wild Cherry.

From the Springfield Express.

Of the thousands of purported curative nostrums now before the public, but very few are found to possess the healing virtues for which they are recommended. Among the latter we are pleased to learn none stand a better test than Dr. Swayne's Compound Syrup of Wild Cherry. The afflicted in this vicinity are beginning to use it, and to their joy they find in its use their hopes based upon its recommendations more than realized. The afflicted need not despair. While there is life, there now is hope.

A CAUTION TO THE PUBLIC.

Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums which they assert contain Wild Cherry, some are called "Balsams," "Bitters," and even Syrup of Wild Cherry, but mine is the original and only genuine preparation ever introduced to the public, which can be proven by the public Records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE.

Prepared only by Dr. H. SWAYNE, at his Principal Office, corner of EIGHT and RACE Streets, Philadelphia. All Wild Cherry preparations being fictitious and counterfeit without his signature.

SHERMAN'S TOOTH PASTE:
A PREMIUM DENTIFRICE.

THE best article known for cleaning and whitening the Teeth, strengthening the gums, sweetening the breath, &c. It should be used every night with a soft brush, and the teeth and mouth will only require a slight brushing in the morning. Wet the brush with warm water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleaning the teeth. It leaves a delicious taste in the mouth, and imparts a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentifrice. It is warranted not to injure the teeth but to preserve them.

By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache, strengthen the gums, and prevent all diseases of them. Chemists, physicians, and the clergy recommend it as decidedly superior to every thing of the kind in use. Ask for Sherman's Compound Orris Tooth Paste, and observe his signature is attached to each pot.

Recommended by Dr. Castle, 3rd Broadway, one of our best Dentists, and by most of the old established ones in the United States, and even extensively used by the Nobility of England and France.

A large proportion of the diseases that afflict mankind arise from some derangement of the stomach or bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of bilious habits, who always have a box at hand, and take a dose whenever they feel the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

The great beauty and superiority of this Sarsaparilla over all other remedies is, while it eradicates disease it invigorates the body. It is used successfully in the removal and permanent cure of all diseases arising from an impure state of the blood or habit of the system.

Look out for Imitations!—Unprincipled persons have copied our labels, and put up medicine in the same shaped bottles. See that each bottle has the written signature of S P Townsend.

No Cure, No Pay!
Dr. Jackson's Piles Embrocation Never Fails!

THERE are few diseases more common or troublesome than the Piles, and yet, notwithstanding great efforts have been made to cure by the use of pills, electuaries, liniments, &c., all were futile and of little benefit. Now the Embrocation is the only medicine used. A person who has been suffering with the Piles of the worst kind came from Salem, New Jersey, almost on purpose to express his gratitude for the speedy cure that this medicine had effected in his case.—Phila. MEDICAL.

IT NEVER FAILS!

Dr. CULLEN'S INDIAN VEGETABLE PANACEA

PERSONS afflicted with Scrofula, King's Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine:

READ! READ!! READ!!!

We the undersigned, having visited Mr. Isaac Brooks, Jr. at the office of Messrs. Rowand and Walton, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was SCROFULA, and terrible must have been his twelve years' conflict with the destroyer!

His Palate, the entire roof of his mouth, Nose, Upper Lip, and lower Lid of the Right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give no description of his care.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face was a mass of deep and painful ulcers!

On the 14th of January last, he commenced taking Dr. CULLEN'S INDIAN VEGETABLE PANACEA, which checked the disease in a few days, and from that time the cure has progressed without intermission.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used,—in fact, the PANACEA ALONE, has wrought this wonderful change.

STANTON'S EXTERNAL REMEDY,
CALLED

HUNT'S LINIMENT,

IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, Spinal Affections, Contractions of the Muscles, Sore Throat and Quinsy, Issues, Old Ulcers, Pains in the Back and Chest, Ague in the Breast and Face, Tooth Ache, Sprains, Bruises, Salt Rheum, Burns, Croup, Frosted Feet, and all Nervous Diseases.

The TRIUMPHANT SUCCESS which has attended the application of this most WONDERFUL MEDICINE in curing the most severe cases of the different Diseases named—and the HIGH ENCOMIUMS that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the AFFLICTED to resort at once to the ONLY REMEDY THAT CAN BE RELIED ON.

The faculty unite in recommending the celebrated External Remedy, Hunt's Liniment.

The following letter from the highly eminent Physicians who have been attached to the Mount Pleasant State Prison for many years, is the best evidence of the value of this celebrated Liniment.

SING SING, December 25, 1845.

My Dear Sir—I received your note of yesterday, asking my opinion in relation to Hunt's Liniment, as prepared by Mr. George E Stanton. Knowing its composition, and having frequently used it, I can recommend it to you as a very External Remedy, and in my opinion, the best Liniment now in use. Very truly and respectfully yours,

A K HOFFMAN

Col Pierre Van Cortlandt, Croton Manor.

I fully concur in the above opinion.

W N BELCHER.

YORKTOWN, Jan. 14, 1845.

Sir—In reply to your letter, I would say that I have used your External Remedy, called Hunt's Liniment, in my practice since you made me acquainted with its composition, and unhesitatingly say that I believe it to be the best External Remedy now in use for the complaints for which you recommend it. Yours respectfully,

BENJ D MILLER M D

Geo E Stanton, Esq.

Among the mass of worthless articles and humbugs that are poured forth at the present day upon the country, it is really refreshing to find something of real practical utility, something simple, speedy and effectual in its operation, and at the same time free from those injurious effects which generally attend powerful remedies. Hunt's Liniment, prepared by Geo. E. Stanton, of Sing Sing, though it has been but a short time before the public, has already obtained the confidence, not only of our most wealthy and influential citizens, but our most eminent physicians. All acknowledge it to be a sovereign balm for many of the ills that flesh is heir to, soothing the aching limb, and by its genuine stimulating influence, banishing disease from the system.

Mr. Stanton—Sir—Seeing your advertisement of Hunt's Liniment, I was induced to try its effects on my son, who had been crippled with a lame back from an infant; and it is with gratitude I bear testimony to its wonderful healing properties. My child, who is now five years of age, is now in a fair way of recovery. Yours, &c.

DEMMON C NICKERSON.

POST OFFICE, TOWNERS, Putnam Co.

I certify that I am personally acquainted with the above named child, and think the father would be safe in saying that his son is almost well.

JAS W DYKMAN.

Nov 5, 1845. Deputy Post Master.

P. S. I would also state that I have been for a number of years subject to frequent attacks of the Rheumatism, which in many instances prevented my attending to my business. Two or three applications of the Liniment invariably remove all affections of the kind. In cases of bruises, sprains and sores, too numerous to mention, it has in this vicinity proved a certain remedy. Its value can only be estimated by those who have given it a fair trial.

This Liniment is sold at 25 and 50 cents per bottle, by all the Principal Druggists and Merchants throughout the country.

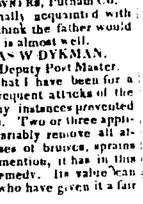
MEDICAL AND SURGICAL OFFICE.



No. 65 DIAMOND ALLEY, a few doors from Wood street, towards market.

DR. BROWN, Having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. [illegible]

Eleven years assiduous study and exclusive treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.

Hernia or Rupture—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention this disease.

Skin Diseases; also Piles, Palsy, etc. speedily cured. Charges very low.

N. B.—Patients of either sex living at a distance by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T. BROWN, M. D. post paid and enclosing a fee.

No Cure! No Pay! Piles! Piles!

DR. Jackson's Embrocation is the only medicine that will cure this so very common and troublesome disease. It not only immediately allays pain and inflammation, stops all bleeding, subdues that intolerable itching, but effectually cures, in a very short time persons whose lives have been rendered miserable for years —Its application produces no pain, but rather an agreeable and pleasant sensation. If persons afflicted will call and hear of the great number of cases that have been cured, they will be astonished. A gentleman of this city, who had been under the knife of the surgeon for two or three times without being cured, has by using 3 bottles of the Embrocation, been eradically cured. It sells beyond precedent!!—[Phil. Saturday Courier.

THE TRUTH, BY MEN OF TRUTH.

CONCERNING SELLERS' VERMIFUGE—A single vial producing wonders.—Read the following from the Rev. S. Wakefield, Pastor of Liberty st. M. E. Church:

Pittsburgh, March 8, 1847.

Mr R E Sellers—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a *single bottle* and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed forty-six worms, the second forty-seven, and the third a considerable number not distinctly recollected. Since then they have been doing well, and are now in good health.

Yours respectfully, S WAKEFIELD.

From the Rev. S E Babcock, of the Methodist Episcopal Church.

Mr. R E Sellers: It is with great pleasure I would inform you of the good effects produced on my son of four years of age, by your justly celebrated Vermifuge. After his having convulsions, I gave him three doses, when he passed an almost incredible number, from which time his general health has been improved.

S E BABCOCK

From the Rev. Charles Cooke, of the Methodist Episcopal Church:

Pittsburgh, December 14, 1845.

Mr R E Sellers: I gave my little daughter (between three and four years old) three doses of your Vermifuge, according to prescription, with the happiest success —The number of worms expelled I do not know precisely, but it was large. She is now in possession of good health. I think the medicine may be confided in with great unreservedness. C COOKE

As this Vermifuge has never been known to fail in any instance, when worms actually existed, parents should give it in preference to all others.

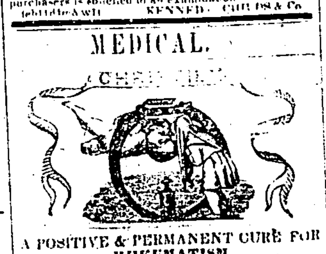
MEDICAL.



A POSITIVE & PERMANENT CURE FOR
RHEUMATISM
AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which tho' simple are by Heaven design'd
To alleviate the ills of human kind."

DR CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c. are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be decidedly injurious, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil and perseverance, has been brought to its present state of perfection. The Galvanic Rings answer all the purposes of the most expensive Machines, and in many other respects are more safe and certain in accomplishing the desired effect.

The Galvanic Rings used in connection with the Magnetic Fluid, are confidently recommended in all disorders which arise from an enfeebled or unhealthy state of the nervous or vital system, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other remedies having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy and all NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. The extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c. entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waist, arms, wrists, limbs, ancles or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally, also in cases of Nervous Deafness, and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of rendering the nerves sensitive to galvanic action, by this means causing a concentration of the influence at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all, and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; and in all nervous complaints, and as a positive remedy in cases of Pain and Weakness in the Chest or Back, Pain in the Side, in Asthmatic Affections, and in Weakness or Oppression of the Pulmonary Organs. In Spinal Complaints, their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of the complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes, as a certain aid in Constitutional Weakness, as a Preventive for Colds, and all affections of the Chest, generally, the Plaster will be found of great and permanent advantage. In a few words, it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

The great celebrity and success of these articles has caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. Christie has but one authorized agent in each city of the Union. The only agent in Pittsburgh, W W WILSON.

CERTIFICATES & TESTIMONIALS,

of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. Indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machines, constantly recommend this application in their practice, and with but one exception all who have tried it are pleased. The invention has received unanimous favor with the most intelligent among the American Faculty. Dr Christie is at all times ready and most happy to give every facility to physicians and all interested, for testing the truth of his assertions and the efficacy of his discovery.

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. A FACT WORTH KNOWING.

A gentleman of Scrofulous habits, from indiscretion in his younger days, became affected with Ulcerations of the Throat and Nose, and a disagreeable and troublesome eruption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive Ulcers, and were as hollow and porous as a honey-comb. It was at this stage of his complaint, when death appeared inevitable, from a loathsome disease, that he commenced the use of JAYNE'S ALTERNATIVE, and having taken sixteen bottles, is now perfectly cured.

This ALTERNATIVE operates through the circulation, and purifies the Blood and eradicates diseases from the system, wherever located, and the numerous cures it has performed in diseases of Skin, Cancer, Scrofula, Goitre, Liver Complaint, Dyspepsia, and other Chronic diseases, is truly astonishing.

MEDICAL.

SANDS SARSAPARILLA:

For the removal and permanent cure of all diseases arising from an impure state of the blood or habit of the system viz:

Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascites or Dropsy, Exposure or Imprudence in Life. Also, Chronic Constitutional Disorders.

ITS timely administration has been attended with the happiest results in many anomalous affections; but it is chiefly intended to fill the void which exists between cathartic and aperient medicines; hence its *modus operandi* is that of an alterative directly—indirectly, proving a lasting tonic to the system.

It is highly concentrated for convenience and portability, containing nothing but the expressed essence, and is the representative of the Sarsaparilla Root, in the same manner as Quinine is of Peruvian Bark, or Morphine of Opium. It is an established fact, that a few grains of either Quinine or Morphine contains all the medicinal value of a large quantity of the crude substances; hence the superiority of those preparations —and no invalid would desire to drink a gallon mixture when a half pint contained the same medicinal value. The Sarsaparilla can be diluted when taken agreeable to the directions, and made to suit the taste of the patient.

The following certificate addressed to the Agents at Chicago, furnishes conclusive proof of its great value in cases of Fever Sores:

CHICAGO, Ill. Sept. 19, 1846.

Messrs. Stebbins & Reed—Gents: In May, 1845, I obtained at your store a bottle of Sand's Sarsaparilla, and was then confined to my bed, without sleep for a week, occasioned by violent pain from a regular fever sore of long standing, on my right leg. My physicians advised me to have the limb amputated, saying it was the only means likely to preserve my life. After using half the bottle the pain began to subside, and by the time I had used nearly three bottles, I was able to transact my regular business, and before I had finished the fourth bottle, I was as well and sound as ever I had been. I have no hesitation in saying that Sand's Sarsaparilla was the means, under Providence, of saving my limb and I doubt not my life. I most cheerfully recommend it as the best article extant for the purification of the blood. Yours most respectfully,

JAMES MILLER

The following certificate is only another link in the great chain of testimony to its merits:

SOUTH BOLTON, Canada East, April 13, 1846.

Messrs. Sands—Gentlemen: Exposed as we are to the attacks of disease, and so frequently disappointed in proposed remedies, we cannot but look on the efforts of successful practitioners with interest and gratitude. This is true respecting your valuable preparation of Sarsaparilla. I have been severely afflicted for 23 years with a disease about which "doctors disagreed" and their prescriptions were still more diverse. I tried various remedies but found no relief until I commenced using your excellent medicine, at which time I was wholly confined to my bed. After using it a few months I am now able to walk about, ride out, and enjoy a comfortable degree of health, which I attribute entirely to the use of Sand's Sarsaparilla. Please accept my assurance of gratitude and regard.

JOHN M NORRIS

Being personally acquainted with the above statement, I hereby certify that the same is true.

REV. T M MERRIMAN

FARTHER TESTIMONY.—The following is an extract from a letter received from Rev. William Galusha:

BERKSHIRE, Vt. Oct 22, 1845.

Messrs. Sands: I have been afflicted with a severe pain in my side, occasioned by a diseased liver, for the past twenty years, suffering at times what language cannot convey, but since taking your Sarsaparilla, I have been greatly relieved, so much so that I have been able to attend to my business, and preach occasionally for the last fifteen months. I wholly discarded all other medicine, and thoroughly tried the Sarsaparilla, which I can recommend in truth and sincerity to all those who are in any way afflicted with any species of scrofulous complaints. There have been some remarkable cures effected by its use in this vicinity. Mrs. I. Shaw, by the use of six bottles, was restored to better health than she had before enjoyed for ten years, and Mrs. W. Stevens, who had been severely afflicted with the Erysipelas, was entirely cured by the use of a few bottles. Yours truly. WM. GALUSHA.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

SHERMAN'S OLOSAONIAN,
OR
ALL-HEALING BALSAM.

Ask your friends if they know of anything that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

Astonishing Cures.

WM. BOND, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter who was suffering from the same disease, tried it, and was also cured by it. Mrs Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

Mr. COMFORT, 25 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs ATTREE, the wife of Wm H. Attree, James Harman, Esq and Geo. W. Hays, Esq. can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.

Mrs. THORBOURNE, 352 Mourroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declares it the greatest remedy in the world.

DENNIS KELLY, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, 2 bottles of the remedy enabled him to return to his daily work. He was entirely cured.

DAVID HENDERSON, 60 Laight street, Geo W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

The Array of Names

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Biminger, 102 Barclay st; Mr Wilson of Hoboken; Mrs Bell of Morristown, N J; James B Devoe, 101 Reade st; Mrs. M'Caffres, 50 Attorney st; F. Smith, 92 Third Avenue, Mr. Wm H. LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts says: "After analysing Jones's Spanish Lilly White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."

MEDICAL.

DR. SHERMAN'S
MEDICATED LOZENGES, AND POOR MAN'S PLASTER.

DR. SHERMAN has discovered a way to make medicine pleasant, so that children will take it readily and cry for more. See that his *fac simile* is around each lozenge, and on the back of each Plaster, and on each Pot of Tooth Paste and Bill of Directions.

SHERMAN'S COUGH LOZENGES.

These Lozenges are the safest, most sure and effectual remedy for coughs, colds, consumptions, whooping coughs, asthma, tightness of the lungs or chest, etc., etc. The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sold within the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing colds and coughs. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the proximate or exciting cause. They are made from a combination of a most valuable expectorant, or cough medicines, and are undoubtedly superior to every thing in use for those complaints. Hundreds upon hundreds of certificates have been offered of their wonderful virtues, from those who have been saved from an untimely grave, and restored to perfect health by using them.

Where there is much pain in the breast or side, one of Sherman's Poor Man's Plasters (price only 12½ cents,) should be applied over the part, and worn till relieved. If attended with costiveness, a few cathartic or laxative lozenges, or any mild cathartic medicine, should be used on occasion requires.

SHERMAN'S WORM LOZENGES.

These worm lozenges have been proved in more than 1,400 000 cases to be infallible; the only certain worm destroying medicine ever discovered. Many diseases arises from worms, and occasion long and intense suffering, and even death, without their ever being suspected; grown persons are very often afflicted with them, and are doctored for various complaints without any benefit; when one dose of these Lozenges would speedily cure them.

Symptoms of Worms.—Pains in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips, with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flushes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep, with fright and screaming, sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, griping, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

SHERMAN'S CAMPHOR LOZENGES.

They give immediate relief in nervous or sick headache, palpitation of the heart, lowness of the spirits, despondency, inflammatory or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of the chest, cholic, spasms, cramp of the stomach or bowels, hysterical affections, and all nervous diseases, drowsiness through the day, and wakefulness through the night, cholera or cholera morbus, diarrhoea, lassitude or a sense of fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth; used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living. Persons who have been too high livers, and abandoned their dissipated habits, will find these Lozenges admirable composers of the nerves.

SHERMAN'S POOR MAN'S PLASTER.

The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, side, neck, limbs, joints, rheumatism, lumbago, &c. &c. One million a year will not supply the demand. They require a little warming before application. Warranted superior to all others, and for one quarter the usual price, making not only the best, but the cheapest plaster in the world. It affords relief in a few hours, and makes astonishing cures.

In liver complaint and dyspepsia, it should be worn over the region of the liver or stomach, and it will afford great and astonishing relief. In coughs, colds, asthma, difficulty of breathing, oppression of the chest or stomach, they will immediately sooth and greatly benefit the patient. Persons of sedentary habits, or those obliged to stand much, will receive decided support from one of these truly strengthening Plaster. Physicians generally recommend them, in preference to all others, because they stick or adhere better, and afford greater relief. In their operation, they are stimulant, tonic, and anodyne. They are composed of entirely different ingredients from any other, and known from the experience of millions who have used them, as well as the united testimony of all the celebrated and distinguished clergy and physicians, to be the most useful and highly medicated plaster.

Several persons have called at the warehouse to express their surprise and thanks, at the almost miraculous cures these plasters have effected.

Directions for use are on the back of each plaster, with a fac simile of Dr. Sherman's name. It is important you should always ask for Sherman's Poor Man's Plaster, and see that you get the genuine, as there are many worthless imitations hawked about and sold for the true Sherman's Plasters, by unprincipled dealers.

DR. ROSE'S
DESERVEDLY CELEBRATED CHRONO-THERMEL MEDICINES.

CONSISTING of his Prophylactic Syrup, a certain remedy for all CONSUMPTIVE and Scrofulous affections; Cough Syrup, Croup Syrup Concentrated extract of Sarsaparilla, decidedly superior to all other extracts, having given relief when all others have failed, being through a new process more concentrated than any other ever offered to the public. ASTHMATIC ELIXIR, having effected permanent cures of that stubborn disease, when of more than 12 years standing, hence it stands without a rival in that much dreaded disease.

Dr. Rose's LINIMENT, for all cases of weakness of pain, and a complete substitute for blisters.

Dr. Rose's TONIC MIXTURE, an infallible cure for chills and fevers, and indeed is more of a specific for fevers of all kinds than bark or Quinine.

Dr. Rose's INCOMPARABLE VERMIFUGE, where known, is used in preference to any other Vermifuge preparation.

Dr. Rose's TONIC ANTI-DISPEPTIC, for all diseases of the Stomach and bowels, Cholera infections, &c. Too high an encomium cannot be passed on the merits of this medicine, in cure of Dispepsia, and all diseases that result from weakness of stomach or bad digestion.

Dr. Rose's FEMALE PILLS, a most valuable remedy for those general complaints to which females are subject.

Dr. Rose's TONIC ALTERATIVE PILLS—No pill ever before offered the public so happily combines the qualities of a valuable medicine, as an anti-dispeptic, LIVER or Stomachic pill, correcting those diseases, and thereby preventing consumption. A young Lady 25 years of age, having a diseased liver for some time, her strength prostrated and appetite gone, was completely restored in six weeks by the use of the Anti-dispeptic mixture and these pills alone.

Dr. Rose's CHRONO-THERMEL STRENGTHENING PLASTER, for weakness of the back, side, breast, &c.

Dr. Rose's SPECIFIC EPILEPSY, the most certain remedy for all cases of fits or convulsions, whether in infants or adults. So certain a specific is it for this formidable disease that the most obstinate cases, and those too of long standing, have yielded at once.

Dr. Rose's RHEUMATIC MIXTURE—After many years of diligent research this compound was discovered, and its never failing efficacy places its efficiency above all others for the cure of Rheumatism.

Dr. Rose's ASTRINGENT COMPOUND, a certain remedy for spitting blood, indeed for discharges of blood whether from Lungs, bowels or other parts of the body.

Dr. Rose's SYRUP for Cholera and Bowel complaints —This mixture will effectually cure bowel complaints, Dysentery, Cholera Morbus, and Cholera. At the time the Asiatic Cholera was raging in Philadelphia it was found to be the most successful in arresting it, curing nine tenths of all those who used it.

What may be said of one of these remedies may be said of all; their value will only be appreciated by those who try them. Letters from those who have been cured of the various maladies that afflict the human body might be given, but we are willing to rest the matter on the merits of the compounds. We have a panacea for Scrofula, in its various forms, so condensed and efficacious that its healing power has astonished many. A case of Cancer, occurring in the wife of the late Governor of Delaware, was completely cured in a few months. The cancer had been twice cut out by prominent Surgeons, and renewed itself with increased malignity, yet notwithstanding the debility of Constitution and removal of the soft parts, the use of the Prophylactic completely removed every vestige of the disease.

Cases innumerable of the various cures that have followed the use of these remedies are in our possession, but it is not deemed necessary to enumerate them as the use of them will recommend them to all.

THE MOST ASTOUNDING DISCOVERY—A Blessing! A Miracle!! A Wonder!! —To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c., &c.

Four years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that anything made by the hands of man, could have such singular powers as that claimed by Antonia Vesprini for his invention. Many classed him and his invention as a humbug, [and, alas! many foolish persons without trying do the same now,] at length, after testing it in the hospitals, the Medical Society of Paris [the best chemists in the world] delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it [the Italian Chemical Soap] as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.
