Pianos! Pianos!! Pianos!!!

ATTENTION of purchasers is respectfully called to a new and elegant invention in Piano Fortes, now fully perfected, and before the public, known as the Hall's Celestian Triple-stringed Piano. The peculiarity of the Celestial Piano consists in its capacity for entire playing with the single finger, an attainment hitherto unknown to the Piano-Forte.

The most delicate shades of tone are enabled by the aid of this improvement to produce effects in entire playing that would surpass a Thalberg or a Liszt, upon the finest instruments of the best manufacture, and at will to an ordinary Piano, the power of making a tone, and at instantly changing to the full volume of sound, equal to a combination of the Piano and Harp, as to captivate and charm the hearers. These instruments are superior in power to two ordinary Pianos, and for sweetness of tone, and in melodious beauty, and in the power of expression, challenge the competition of the world.

That is the testimony of Professors and Amateurs who have tested the Celestial Piano. Ordinary Pianos of all sizes, new and second hand for sale at reduced prices. ELY & SPAFORD, 221 Broadway, New York. se23-3my Manufacturers & Dealers, wholesale & retail.
