"THE POOR TOO RICH TO WORK."—Under this head the Manchester *Mirror* has a timely and sensible article showing that many of the poor in that city are too rich to do the work which is at their hands, notwithstanding their only hope of getting through the winter is by begging and living upon the charities of the benevolent. The *Mirror* states that four chaldrons of coal had laid at its office door for three days, and although there were "poor" folks in abundance about, not one of them was willing to earn an honest penny by getting in the coal. Finally, Dr. Moses Hull and D. L. Stevens, (former City Marshal,) took the job and got in the coal, receiving therefor two dollars.

BOOKS, MUSIC, &C.

Fresh Stock of Nunns & Clark's Pianos.

H. KLEBER respectfully informs the public that he has just received from the Eastern cities with the largest and most complete stock of PIANOS ever ought to this city. They are from the celebrated factory of NUNNS & CLARK, N. Y., and are warranted perfect in every respect. N. & C's Pianos have received the first class premiums both in this country and Europe and they are considered by the musical profession and dilettanti generally, as altogether unrivalled and unequalled. The prices will invariably be the same as charged at the factory, without addition. They ranges from $200 to $1,000. Also, a choice lot of DUNHAM's well known and highly popular PIANOS. Dunham's Pianos are among the first used in this city, and they have kept up a most enviable reputation ever since.
