STANTON'S EXTERNAL REMEDY, CALLED HUNT'S LINIMENT,

IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, Spinal Affections, Contractions of the Muscles, Sore Throat and Quinsy, Issues, Old Ulcers, Pains in the Back and Chest, Ague in the Breast and Face, Tooth Ache, Sprains, Bruises, Salt Rheum, Burns, Croup, Frosted Feet, and all Nervous Diseases.

The TRIUMPHANT SUCCESS which has attended the application of this most WONDERFUL MEDICINE in curing the most severe cases of the different Diseases above named,—and the HIGH ENCOMIUMS that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the AFFLICTED to resort at once to the ONLY REMEDY THAT CAN BE RELIED ON.

☞The faculty unite in recommending the celebrated External Remedy—Hunt's Liniment.

The following letter from the highly eminent Physicians who have been attached to the Mount Pleasant State Prison for many years, is the best evidence of the value of this celebrated Liniment.

SING SING, December 25, 1845.

My Dear Sir—I received your note of yesterday, asking my opinion in relation to Hunt's Liniment, as prepared by Mr George E Stanton. Knowing its composition, and having frequently used it, I can recommend it to you as a safe External Remedy, and in my opinion, the best Liniment now in use. Very truly and respectfully yours, A K HOFFMAN.

Col Pierre Van Cortlandt, Croton Manor.

I fully concur in the above opinion. W N BELCHER.

YORKTOWN, Jan. 14, 1845.

Sir—In reply to your letter, I would say that I have used your External Remedy, called Hunt's Liniment, in my practice since you made me acquainted with its composition, and unhesitatingly say that I believe it to be the best External Remedy now in use for the complaints for which you recommend it. Yours respectfully, BENJ D MILLER, M. D.

Geo E Stanton, Esq.

☞Among the mass of worthless articles and humbugs that are poured forth at the present day upon the country, it is really refreshing to find something of real practical utility, something simple, speedy and effectual in its operation, and at the same time free from those injurious effects which generally attend powerful remedies. Hunt's Liniment, prepared by Geo. E Stanton of Sing Sing, though it has been but a short time before the public, has already obtained the confidence, not only of our most wealthy and influential citizens, but our most eminent physicians. All acknowledge it to be a sovereign balm for many of the ills that flesh is heir to, soothing the aching limb, and by its genuine stimulating influence, banishing disease from the system.

Mr. Stanton—Sir—Seeing your advertisement of Hunt's Liniment, I was induced to try its effects on my son, who had been crippled with a lame back from an infant; and it is with gratitude I bear testimony to its wonderful healing properties. My child, who is now five years of age, is now in a fair way of recovery, Yours, &c., DEMMON C NICKERSON.

POST OFFICE, TOWNERS, Putnam Co.

I certify that I am personally acquainted with the above named child, and think the father would be safe in saying that his son is almost well. JAS W DYKMAN, Nov 5, 1845. Deputy Post Master.

P. S. I would also state that I have been for a number of years subject to frequent attacks of the Rheumatism, which in many instances prevented my attending to my business. Two or three applications of the Liniment invariably remove all affections of the kind. In cases of bruises, sprains and sores, too numerous to mention, it has in this vicinity proved a certain remedy. Its value can only be estimated by those who have given it a fair trial.

This Liniment is sold at 25 and 50 cents per bottle, by all the Principal Druggists and Merchants throughout the country.

No. 65 DIAMOND ALLEY, a few doors below Wood street, towards the market.

DR. BROWN, Having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. Eleven years assiduously devoted to the study and treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflamation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.

☞Hernia or Rupture—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention this disease.

Skin Diseases; also Piles, Palsy, etc., speedily cured.

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular—

First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and disease.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons as many dollars oft times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, so do not trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all cases of disease, Inflamation of the stomach, bowels, liver and intestines; cramps of the stomach; colic, Waterbrash; inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, billious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions, dry and watery pimples or blotches of the face and body, tetter, rash, prickle heat and salt rheum, headache, giddiness, faintness, pains over the heart, of the breast, sides, along the back and spine, rheumatism and gout, fevers of all kinds, small pox, varioloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood.

Consumptives Consolation.

Does sickness weigh upon your heart?
Or pains afflict your breast?
Try Dr Duncan's Healing Art,
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

See yonder rose of lovely hue!
'Tis withering with decay
It scarcely sips the morning dew,
Before it fades away.

The Worm of Death was in the stem,
And strengthened as it grew—
And when it bloomed, (a lovely gem,)
It nipped through and through.

That Worm of Death might be defied;
If Dr. Duncan's art were tried;
And many lovely damsels saved
The fate of an untimely grave.

MEDICAL.

DR. BORDELOQUE'S CELEBRATED FRENCH REMEDY,

FOR relieving the pains and dangers incident to Pregnancy and Child Birth, which insures the easy and unprotracted process of the functions of woman which Nature, when uninfluenced by the luxuries of civilized life, intended should be performed expeditiously, with little pain, and without subsequent indisposition.

Dr Bordeloque during his travels in Asia, observed this remarkable fact. That the women of those countries are peculiarly different from all other lands, in this respect—that they are free from the pains and dangers which make the period of Pregnancy an object of so much anticipated suffering and risk. Curiosity and the zeal for Scientific discovery prompted him to investigate the cause of this remarkable exception to the severe trials to which the married females are generally subjected, and the result was the discovery of the fact that the women of those countries were in the habit of using during the last stages of Pregnancy, certain plants which have the faculty of imparting that degree of tone and elasticity to the nerves and blood vessels of the Uterus, or Womb which enables it to perform its functions in all their native simplicity of action and freedom from pain.

It is a singular fact, also, that the Indian women of North America are in a remarkable degree free from those pains and dangers of pregnancy and child birth to which the white women are subjected—Whether they use the same plants as do the women of Asia we cannot tell. Certain it is that the fact is no less remarkable than true.

This Remedy is now extensively used throughout France with the most marked success, and many females who were once single through apprehensions of the dangers consequent to the state of marriage are now by the use of this medicine, performing the duties of wives and mothers with comfort and happiness.

It is at this time now first presented to the women of America, by Dr Bordeloque, through his sole agent, Dr A C MORTIMER, and he feels confident that independent of its intrinsic merits it will recommend itself to the moral part of the community, as it is fully calculated to do away with that horrid crime of which some, through fear of pains of child birth, are guilty, (the production of premature delivery.)

This medicine is also remarkable for remedying that hitherto incurable disease Barrenness, and its almost constant accompaniment Tenor Albus. In fact that relaxed and fallen state of the Womb which accompanies this disease is never felt after the shortest use of this medicine.

This medicine is prepared in such a way as to be agreeable and pleasant to the taste.

Dr A C MORTIMER No 36 1-2 Lispenard st., New York, has been appointed sole agent for the United States, by Dr Bordeloque, and is the only person in this country who is authorized to vend this invaluable medicine, as the following letter will show:

(Translated from the French.)

PARIS, June 10th, 1847.

Dr A C MORTIMER:—Dear Sir—According to the agreement entered into between us, I wish by this letter to give you that written authority to sell throughout the United States, my Remedy for relieving the pains and dangers incident to pregnancy and child birth,) which it is necessary for you to have to satisfy the public of its genuineness and purity. As you are aware the exposure of the medicine to the influence of the sea air, obliged me to send it to you in air tight vessels. I have also sent with it, a specimen of the manner in which it is put up in Paris. In like manner I should wish it to appear in the United States. Sir, with great respect I remain yours, F E BORDELOQUE, M D.

P S—I also send you a copy of a letter received by me from the Royal Academy of Science, in Paris.

(Translated from the French.)

Paris, Jan 23, 1846.

To M. BORDELOQUE:—Sir—The commissioners of the Academy have appointed the undersigned from their number, as a committee to report regarding the merits of the remedy laid before us by you (for relieving the pains and dangers incident to pregnancy and child birth.) Several eminent Surgeons having submitted to the Academy the results of their experience in the use of your remedy, we hasten to lay it before you, believing it to be the best decision regarding its claim to distinction, and of its great value, that either you or the public could have wished. Whatever influence this body may possess on the members of the profession will exerted to further that adoption of this remedy into general use, which as a scientific discovery and an unfailing remedy, it so richly deserves. Eight Physicians having used this medicine, each in fifty cases of delivery, found it entirely successful in promoting a remarkable safe and easy delivery, free from pain and danger. With the exception of three patients of Dr. Briquet there was a perfect immunity from any subsequent weakness or disease; one of these three a laboring woman who had met with a severe fall a week previous to delivery, was taken immediately after that event with a profuse hemorrhage, which was with difficulty arrested. The other two malformations of the pelvis, were in no wise relieved of pain. These few exceptions in so great a number of cases as four hundred, show the undoubted efficacy of your remedy, and have determined us to give it that recommendation and approval which is due to it, and the furtherance of scientific medicine (Signed) H BRESCHET, M D. L MAGENDIE, M D.

Com of the Commissioners of the R. Academy of Science.

IT NEVER FAILS! Dr. CULLEN'S INDIAN VEGETABLE PANACEA

PERSONS afflicted with Scrofula, King's Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

READ! READ! READ!!!

We, the undersigned, having visited Mr. Isaac Brooks, Jr. at the office of Messrs. Rowand and Walton, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was SCROFULA, and terrible must have been his twelve years' conflict with the destroyer!

His palate, the entire roof of his mouth, Nose, Upper Lip, and lower Lid of the Right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face was a mass of deep and painful ulcers!

On the 14th of January last, he commenced taking Dr. CULLEN'S INDIAN VEGETABLE PANACEA, which checked the disease in a few days, and from that time the cure has progressed without intermission.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used,—in fact, the PANACEA ALONE, has wrought this wonderful change.

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. DR. TOWNSEND'S SARSAPARILLA. *Most extraordinary Medicine in the World.*

This extract is put up in Quart bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE!

The great beauty and superiority of this Sarsaparilla over all other Medicine is, while it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it Creates New, Pure and Rich Blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than
3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption,
And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. MCCLEAN, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration. G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully, ISAAC W. CRAIN, 105 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE, Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

COXSACKIE, Sept. 22, 1845.

Dr. Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my previous ones, and the recommendation of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, and the expiration of one week of its use, the dropsy and nervous affections gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant, S S JAMES.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BANK DEPARTMENT, Albany, May 10, 1845.

Dr. Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with sour stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence, but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c., W. W. VAN ZANDT.

Nov 23, 1846. Staten Island.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr. Townsend—Dear Sir, I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, indeed, I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and sinking very fast; my doctor said he could do nothing for me. I went into the hospital in hope of being benefited, but was pronounced there as incurable. I was now greatly distressed in the lungs and could hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watchers, indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies, and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it; I did so, and am very thankful I did. I cannot say that I am entirely well, but I have so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and I am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please. Yours respectfully, PETER BROWN, 47 Little st, Brooklyn.

Opinions of Physicians.

Dr Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the advertising cab, or Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the ornamental landscape paintings are beautiful, which, together with the scroll work, in gold, glistening in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847

Dr. Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if it was used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla. THOMAS SMITH, 70 Allen st.

MEDICAL.

SHERMAN'S TOOTH PASTE—A SUPERIOR DENTIFRICE.

THE best article known for cleansing and whitening the Teeth, strengthening the gums, sweetening the breath, &c. It should be used every night with a slight brush, and the teeth and mouth will only require a slight washing in the morning. Wet the brush with warm water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleansing the teeth. It leaves a delicious taste in the mouth, and imparts a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentifrice. It is warranted not to injure the teeth; but to preserve them.

By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache strengthen the gums, and prevent all diseases of them. Chemists, physicians, and the clergy recommend it as decidedly superior to every thing of the kind in use. Ask for Sherman's Compound Orris Tooth Paste, and observe his signature is attached to each pot.

Recommended by Dr. Castle, 3rd Broadway, one of our best Dentists, and by most of the established ones in the United States, and even extensively used by the Nobility of England and France.

A large proportion of the disease that affect mankind arises from some derangement of the stomach or bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of bilious habits should always have a box at hand, and take a dose whenever the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lilly White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."

CONSUMPTION ARRESTED—To those afflicted with Diseases of the Lungs.—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchi, soreness of the throat and hoarseness. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable medicine for several years, and always find it to relieve whenever I make use of it. My occupation as an Auctioneer, which keeps me almost constantly engaged, causes my disease, at times, to become very alarming, when at once procure this medicine. I therefore take pleasure in making this public statement, that others afflicted with a disease of the lungs and expectorant organs may know the virtues of this "all healing remedy," and may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom owe their lives to this medicine.

PILES.

DR. INGOLDSBY'S Piles Specific, an internal remedy, a certain and radical cure, whether internal, external, bleeding or blind, also, for irritation of the kidneys and bladder, pains in the back and side, habitual costiveness, eruptions, &c.

Females before and after confinement are often troubled with constipation of the bowels or costiveness, as well as the piles. In all such cases the Specific can be taken with perfect safety, and is a certain remedy. The Specific is not purgative, and is an entirely vegetable remedy, without a particle of gamboge, colocynth or aloes—pleasant to take and perfectly harmless in the most delicate cases.

This is to certify that I know Dr. Ingoldsby's Pile Specific to be a certain cure and safe remedy. Having seen its effects in several cases, amongst my family connexions, in several confirmed and severe cases of the piles, where it made an entire cure in every case. HENRY WHITEHEAD.

New York, May, 1845. 354 Sixth street.

I cheerfully give my testimony as to the certain and astonishing effects of Dr. Ingoldsby's Piles Specific, as I know it from my own experience and observation, to be infallible; having seen it used with success in several cases of piles, male and female. GEO. MILLER,

New York, May, 1845. 364 Sixth street.

LADIES' CERTIFICATES

Mr. Reals—Dear Sir—I have the pleasure to say, that your medicine, Dr. Ingoldsby's Piles Specific, has made a perfect cure in the case of my sister, and I now give you my word that I have been surprised at it, as it was in my opinion impossible to cure her. However, I can now testify to the medicine as being infallible, and do advise all others who are afflicted in the like manner, to procure the article, as they may depend on a certain cure. Yours with respect.

West Chester, N. Y., May 15, 1845.

Dr. Ingoldsby—Dear Sir—That you may benefit others who may be suffering, as well as to express my gratitude for the benefit I have derived from the use of your valuable Specific, I comply with your request, and now do give my testimony in favor of it, having been cured of a severe attack of the Piles after having used other remedies without success. Yours with respect.

DR. JAYNE'S CARMINATIVE BALSAM.

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN. Allegheny city, [illegible]

MEDICAL.

DR. SHERMAN'S MEDICATED LOZENGES, AND POOR MAN'S PLASTER.

DR. SHERMAN has discovered a way to make medicine pleasant, so that children will take it readily, and cry for more. See that his fac simile is around each box of Lozenges, a Pot of Tooth Paste on the back of each Plaster, and in each Bill of Directions.

SHERMAN'S COUGH LOZENGES.

These Lozenges are the safest, most sure and effectual remedy for coughs, colds, consumption, whooping coughs, asthma, tightness of the lungs or chest, &c., etc. The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sold within the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing colds and coughs. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the proximate or exciting cause. They are made from a combination of a most valuable expectorant, or cough medicine, and are undoubtedly superior to every thing in use for those complaints. Hundreds upon hundreds of certificates have been offered of their wonderful virtues, from those who have been saved from an untimely grave.

Where there is much pain in the breast or side, one of Sherman's Poor Man's Plasters (price only 12½ cents,) should be applied over the part, and more full relieved, if attended with costiveness, a few cathartic or laxative lozenges, or a mild cathartic medicine, should be used in connection.

SHERMAN'S WORM LOZENGES.

These worm lozenges have been proved in more than 1,000 cases to be infallible the only certain worm destroying medicine ever discovered. Many diseases arise from worms and occasion long and intense suffering, and even death, without their ever being suspected; grown persons are very often afflicted with them, and are doctored for various complaints without any benefit, when one dose of these Lozenges would speedily cure them.

Symptoms of Worms.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips, with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep, with fright and screaming, sometimes a troublesome cough, feverishness, thirst, parched hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, griping, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, with mucous discharges of slime and mucus.

SHERMAN'S CAMPHOR LOZENGES.

They give immediate relief in nervous or sick headache, palpitation of the heart, lowness of the spirits, despondency, inflammatory or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of the chest, cholic, spasms, cramp of the stomach or bowels, hysterical affections, and all nervous diseases, drowsiness through the day, and wakefulness through the night, cholera or cholera morbus, diarrhoea, lassitude or a sense of fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth; used after dissipation, they will restore the tone of the system speedily, and remove all the unpleasant symptoms arising from too free living. Persons who have been too high livers, and abandoned their dissipated habits, will find these Lozenges a valuable [illegible] of the nerves.

SHERMAN'S POOR MAN'S PLASTER.

The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, side, breast, limbs, joints, rheumatism, lumbago, &c. One million a year will not supply the demand. They require little time before application. Warranted superior to all others, and for one quarter the usual price, making not only the best, but the cheapest plaster in the world. It affords relief in a few hours, and makes astonishing cures.

In liver complaint and dyspepsia, it should be worn over the region of the liver or stomach, and it will afford great and astonishing relief. In coughs, colds, asthma, difficulty of breathing, oppression of the chest or stomach, they will immediately soothe and greatly benefit the patient. Persons of sedentary habits, or those obliged to stand much, will receive decided support from one of these truly strengthening Plasters. Physicians generally recommend them, in preference to all others, because they stick or adhere better, and afford greater relief. In their operation, they are stimulant, tonic, and anodyne. They are composed of entirely different ingredients from any other, and known from the experience of millions who have used them, as well as the united testimony of all the celebrated and distinguished clergy and physicians, to be the most useful and highly medicated plaster.

Several persons have called at the warehouse to express their surprise and thanks, at the almost miraculous cures the plasters have effected.

Directions for use are on the back of each plaster, with a fac simile of Dr. Sherman's name. It is important you should always ask for Sherman's Poor Man's Plaster, and see that you get the genuine, as there are many worthless imitations hawked about and sold for the true Sherman's Plasters, by unprincipled dealers.

"I HAVE FOUND IT."—Eureka.

CONSUMPTION CAN BE CURED BY USING DR. DUNCAN'S EXPECTORANT REMEDY.

Cincinnati, O., March 24, 1847.

Dear Sir—This is to certify to the public, particularly to those afflicted with a disease of the Lungs, or Consumption that in the Spring of 1842 I was attacked with a severe cold which soon became seated upon my lungs, showing all the symptoms of an approaching Consumption. My cough was tight and troublesome, attended with copious night sweats; I spit up daily a considerable quantity of blood, mixed with thick dark matter. My situation became serious and alarming. During this time I was attended by two of our most skilful Physicians; they did the best they could for me, when at length they gave up all hopes of my recovery, informing me that nothing more could be done—that my lungs were incurably diseased, and beyond remedy. I was then persuaded by a friend of mine to make a trial of Dr. Duncan's Expectorant Remedy, which my Physicians persisted against, saying that this medicine would do no good, and would still add more to my suffering. I told them it was my last and only hope, and that if I must die of the disease, (which was evident to me,) there would be nothing lost. I then sent to the Cincinnati Office and obtained 5 bottles of this truly Valuable Medicine, and commenced using according to the directions, which, instead of adding to my suffering, immediately gave me relief, at once arresting the troublesome Cough, taking the pain and tightness in my Chest; giving me a new life and strength, which soon enabled me to be about again. This medicine continued its good work, which it so nobly commenced, until I was made a sound man. I have since been attending to my business, (upwards of 3 years) and feel as healthy as I wish. I have recommended Dr. Duncan's Expectorant Remedy in many instances to those similarly afflicted and it has always proved successful so far as I have witnessed its effect. My sister is using this medicine at present, for a *Diseased Liver* and an *Affection of the Lungs*, which she had suffered with for some time; she has been nearly recovered by the use of this medicine, and I am confident the 6 bottles that I take with me to-day will entirely cure her. I am sorry to know that there are thousands of valuable persons sinking away with this dreadful destroyer—CONSUMPTION. Were it only possible for those to procure this medicine in time, before it be too late, many lives might be prolonged and their families and relations again rendered happy. This medicine will give instant relief, and at the same time cures the hard and painful Cough, remove the tightness in the Chest give strength to the enfeebled and emaciated frame, and in most cases, I am certain, will perform a perfect cure. ANDREW J. FELTER. Montgomery, Hamilton County, Ohio.

N. B.—Those who may not be acquainted with me I refer to the undersigned, citizens of Montgomery, Hamilton county, O., they will at any time substantiate the above statements. NORMAN BROWNELL, CAPT. J. REEDER.

IMPORTANT TO THE LADIES.

Chinese Hair Cream, a matchless article for the Growth, Beauty and Restoration of the Hair. This Cream, when once known, will supersede all other articles of the kind now used. Where the hair is dead, harsh, thin, unhealthy, or turning grey, a few applications will make the hair soft and dark, and give it a beautiful lively appearance; and will also make it retain its liveliness and healthy color twice as long as all the preparations which are generally used. Every lady and gentleman who are in the habit of using oils on their hair, should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it and give perfect satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from Rev. Mr. Caldwell, to Messrs. Henderson & Stretch, Nashville, General Agents for the Western States:—

Letter from the Rev. R. Caldwell, pastor of the Presbyterian Church, Pulaski.

Messrs. Henderson & Stretch—Gentlemen: I take pleasure in adding my testimony in favor of the excellent preparation called Dr. Parrish's Chinese Hair Cream—for about two years ago my hair was very brittle, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, my hair is now soft, elastic and firm to the head. Many balsams and oils were applied each leaving my hair in a worse state than before. This Cream however, has met my expectations.

As an article for the Toilet, my wife gives it preference over all others, being delicately perfumed, and not disposed to rancidity. The ladies especially will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c.

I have made use of a great variety of medicine without receiving material benefit. About three months since I commenced using Mr. Sear's Medicine, which has entirely relieved me from acidity of my stomach, and restored me to comfortable health. Several of my friends and acquaintances have made use of the Pills, and received much benefit from them. I can with confidence recommend them.
