MISCELLANEOUS.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. E. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 12th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pill. I have deferred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1830-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, yet they are much relied. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superseded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS

CAUTION.—As there are other Pills before the public CALLED Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R. E. SELLERS, No 57 Wood st between Third and Fourth streets.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.
For further information, inquire of Mrs. Rose, No. 129 Filbert st, Philadelphia.
For sale in Pittsburgh, at the PEKIN TEA STORE, 72 Fourth st, near Wood. jy5

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

VEGETABLE PULMONARY BALSAM.—To the proprietors of the Vegetable Pulmonary Balsam:—I am satisfied that the Vegetable Pulmonary Balsam is a valuable medicine. It has been used in this place with complete success in an obstinate complaint of the lungs, attended with a severe cough, loss of voice, and the raising of much blood. After using the balsam one week the patient's voice returned, and so she was enabled to speak audibly. This case occurred some time since, and the man is now engaged not only in active but in laborious business. Respectfully yours,

MISCELLANEOUS.

HIBBERT'S CHEMICAL WRITING FLUID—In soliciting the patronage of the public for this article, it is but right and proper that its merits on the claim for support is based should be fully and fairly set forth and also some guarantee be given that the community will not be imposed upon by using it.
In the first place it is well known that the generality of black "Inks" are composed of a precipitate, held together by gum Arabic, and when the water, either in whole or part is evaporated the gum and precipitate are left as a pasty mass in the pen or inkstand which contains it. It is also common to add vinegar to the Ink mixture to make it more fluid, which increases the evil by acting on the pen, if a steel one, corroding it through in a very short time. Now the "Writing Fluid" differs from these mixtures in every respect, as it is a chemical solution requiring no viscid matter to hold it together, therefore will never get thick, and being very fluid a large quantity flows from the pen into a given space penetrating deep into the fibre of the paper making a more permanent stain and one less easily moved by attrition than it is was only plastered on the surface. It also contains no matter that has an affinity for metallic iron, therefore will not corrode steel pens—it will not mould, and although it writes of a bluish green color yet in a few hours it becomes a deep black which will endure for ages. It is warranted superior to the foreign article known by the name of "Arnold's Writing Fluid," and one-third more given for the same price. As a guarantee against imposition of any kind being attempted the following recommendations will suffice, as all must be aware, that the names there given could not have been obtained by any means for an unworthy purpose.

We recommend "Hibbert's Chemical Writing Fluid" to the patronage of the public, as a first rate article in all respects, it flows free from the pen without clogging it up and in the course of a few hours becomes a deep bright black.

Mr T K Hibbert—Dear Sir: I am using your Chemical Writing Fluid, and find it to be a most excellent article for steel pens, as it does not clog them up like the generality of other inks, it flows free and becomes a deep black in a few hours. Yours, Respectfully,

GAZZAM'S PATENT BEDSTEAD.

THIS *Ne Plus Ultra* improvement has now been in use about two years, and wherever it is known, preferred to all other Bedsteads.
For cheapness, strength and convenience it has not and cannot be equalled, as it is decidedly the best, cheapest and most convenient Bedstead in use, and perfectly proof against Bugs.
The principal Cabinet makers and Turners in Allegheny city and in Pittsburgh, have secured Rights to manufacture and sell the article. As there are spurious articles and imperfect imitations in the market, purchasers would do well to examine the cast iron plates on which in the genuine article the name of the patentee, E. F. GAZZAM, is invariably cast. As a proof of all that is claimed for Gazzam's Bedsteads, the following certificate from Cabinet makers well known in Pittsburgh and the West, is submitted to the public:
We, the subscribers, practical cabinet makers and Bedstead manufacturers of the cities of Pittsburgh and Allegheny, Pa., do hereby certify that we have bought the right to manufacture bedsteads with Gazzam's Patent Fastenings, and consider the same superior to any fastenings with which we are acquainted.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, green or dry, that cannot be extracted with Hoe's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, now stands unrivalled in the country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c. without injuring anything that pure water will not injure. More than 600 persons in different parts of the country have told me they would not be without it, if it cost one dollar per cake. In trying this Soap on more than 200 articles of light silks, satins, alpacas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calicoes, that it has changed the color; therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend it any stronger than I know to be strictly true.

WASHINGTON, D.C., Dec. 4th, 1847.
Oscar D. Thompson, Esq., Pittsburgh, Pa.—

SIR: I have read your advertisement in one of the Pittsburgh papers with not a little surprise. I find that you have copied my business Circular entire, and appropriated it to yourself. I will take the liberty to inform you that my business Circular is my own composition, and is not common property. I shall not willingly consent to be placed in a position that will induce persons who do not know me to suppose that I am not capable of composing my own business card, or that I am capable of pilfering and appropriating the card of another to my own use. I am, therefore, under the necessity of noticing and exposing your plagiarism in this manner. Z C ROBBINS,

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.
Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than
3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.
And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.
This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!
As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.
CAPT. G. W. McCLEAN, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.
RAHWAY, Jan. 25, 1847.
A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. McLEAN, late U. S. N.

SCROFULA CURED.
This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.
THREE CHILDREN.
DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,
ISAAC W. CRAIN, 107 Wooster st.
New York, March 1, 1847.

GREAT FEMALE MEDICINE.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.
Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nerveless of the female frame, which is the great cause of barrenness.
It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.
Dr. Townsend—My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,
Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

COXSACKIE, Sept. 29, 1845.
Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion, and the recommendation of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but afterwards, by her confinement, and, after the expiration of one week of its use, the dropsy and nervous affection was entirely removed, and to an astonishing degree, and her health is now better than it had been for a long time previous.
If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.
I subscribe myself your most obedient and obliged servant,
S S JAMES.

TO MOTHERS AND MARRIED LADIES.
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*the turn of life*," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.
It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.
You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits," use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.
No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.
BANK DEPARTMENT, Albany, May 10, 1845.
Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been only able to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c, W. W. VAN ZANDT.
Nov 12, 1846. Staten Island.

ALMOST A MIRACLE.
Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:
Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, indeed. I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and sinking very fast; my doctor said he could do nothing for me. I went into the hospital in hope of being benefitted, but was pronounced there as incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watchers. I used Cod Liver Oil; your Sarsaparilla was recommended to me by my friend, and I thought it would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies, and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it, I did so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side and night sweats have left me, and raise but very little, and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.
PETER BROWN, 47 Little st, Brooklyn.

Dr Townsend is almost daily receiving orders from physicians in different parts of the Union.

From the New York Daily Express of April 9, 1847.
A pretty thing appeared in the streets yesterday. It was the advertising cab, or Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste; some of the ornamental landscape paintings are beautiful, which, together with the scroll work, in gold, glistening in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.
NEW YORK, March 27, 1847.
Dr. Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

MEDICAL.

TRIUMPHANT SUCCESS.
Consumptives, remember that it is Thompson's Compound Syrup of Tar and Wood Naptha which is daily effecting such remarkable cures in
PULMONARY CONSUMPTION!!!
Asthma, Bronchitis, Spitting of Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint and Diseased Kidneys, etc.

THEREFORE, beware of all spurious mixtures of Tar or Naptha as imitations are abroad.
M. S. P. Thomson—Dear Sir:—It is with unbounded pleasure I have experienced from the use of your Compound Syrup of Tar and Naptha renders it my duty to inform you of it. I had been long afflicted with a very bad cough, causing severe pain in the breast, with great oppression, difficulty of breathing and loss of appetite. Using various remedies without effect; I became alarmed, I heard of your medicine, but being averse to using most advertised medicines, I thought I would adhere to what I had been using. Finding myself getting worse a friend persuaded me to try a bottle of your preparation, saying the owed his life to its virtues. I immediately procured a bottle and commenced using it, and before I had taken two bottles, I was completely restored to health.
Solely for the benefit of others I make the above brief statement. Any further inquiries can be made at my residence, 148 Catharine street.
Respectfully yours, FRANCIS PREVOST.

Still another Remarkable Cure.
Carlisle, Pa., Nov. 20, 1845.
About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath, which were soon followed by the failure of appetite, extreme faintness at night and partial paralysis of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For the last two years I was occasionally thrown into convulsions, which left me in a miserable state of feebleness and began to affect my mind. From time to time my sufferings were more or less severe, until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year I was unable to attend to any business. During this time I consulted some able physicians and attended to their prescriptions, but all in vain. Finding myself no better, and in this condition I was informed of the salutary effects of Thompson's Compound Syrup of Tar and Wood Naptha, in cases somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly solicited to try this medicine, I was at length persuaded upon to do so, and I have now to say that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual. SHERMAN'S TOOTH PASTA.
A PREMIUM DENTIFRICE.
THE best article known for cleaning and whitening the Teeth, strengthening the gums, sweetening the breath, &c. It should be used every night with a stiff brush, and the teeth and mouth will only require a slight washing in the morning. Wet the brush with warm water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleaning the teeth. It leaves a delicious taste in the mouth, and imparts a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentrifice. It is warranted not to injure the teeth, but to preserve them.
By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache strengthen the gums, and prevent all diseases of them. Chemists, physicians, and the clergy recommend it as decidedly superior to every thing of the kind in use.—Ask for Sherman's Compound Orris Tooth Paste, and observe his signature is attached to each pot.
Recommended by Dr. Castle, 361 Broadway, one of our best Dentists, and by most of the old established ones in the United States, and even exclusively used by the Nobility of England and France.
A large proportion of the disease that afflict mankind arise from some derangement of the stomach or bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of bilious habits should always have a box at hand, and take a dose whenever they feel the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.
Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analyzing Jones's Spanish Lilly White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."
Price 25 cents a box.
Sold by WM. JACKSON, at his Boot and Shoe Store, 89 Liberty street, head of Wood, at the sign of the Big Boot.
Ladies, ladies, I'm astonished,
When you know that you are promised
A natural, life-like, snowy white,
That you will still use common chalk,
And look a deathly yellow fright,
The theme of laughter and of talk.
If you would use a box of JONES'S Lilly-white, it would give your skin an alabaster yet natural white, and at the same time clear and improve it. Sold at JACKSON'S, 89 Liberty st. Price 25 cents per box. mr9

SCRATCH, SCRATCH.
TETTER, ITCH, SALT RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.
'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, for decency sake, when in company. Let it be remembered that DR. LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch Ointment, unless the whole system is impregnated by the diseased humors, which will be completely carried off from the system by Dr Leidy's Blood Pills, and the surface of the skin healed by the Ointment. Price of Ointment 25 cents. For sale by B A FAHNESTOCK & CO.

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.
A certain and safe cure for coughs, colds, asthma, liver complaint, spitting blood, pains in the side or breast, nervous debility, whooping cough, broken constitution, **CONSUMPTION** or any disease of the lungs or breast.—Reader are you suffering with a cold or disease of the lungs, try this remedy; you will not perhaps regret it.

It will arrest all those disagreeable symptoms which strike such terror to the mind, & prolong your days. Beware of all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr H SWAYNE on the outside wrapper of each bottle, as they are quite likely destitute of the article from which they borrow a name.

Read what it has done!
50,000 DEATHS BY CONSUMPTION
Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; then add the fearful catalogue of those cut off by Inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.
And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by a timely use of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.
This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has it gained an enviable reputation and worked its way into general use. One bottle never fails to cure a recent cough or cold, while with strict attention to the directions that accompany each bottle, its use in pulmonary diseases of long standing and of the most alarming character, has always given relief, and in very many instances has effected complete and permanent cures.

Dr. SWAYNE'S Celebrated Compound Syrup of Wild Cherry.
Read the most remarkable cure of Consumption ever placed upon record—
Dr Swayne—Dear Sir: I feel it a debt of gratitude due to you—and a duty to the afflicted generally to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since, I was violently attacked with cold and inflammation of the lungs, which was accompanied with a very distressing cough, pain in the breast and head —a very considerable discharge of offensive mucus from the lungs, especially upon changes of weather however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington to make a trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicite faith in the saying of my friends, I forthwith purchased of Dr Shaw, one of your agents, a few bottles and commenced its use. My disease at this time was of twenty or twenty five months' standing, consequently was deeply seated. I found, however, considerable relief from the first four or five bottles.—But being a public speaker I frequently attempted to preach with my increasing strength and thereby ruptured those vessels that had already begun to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use 12 or 15 bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the feverish habit, did away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good health. I have deferred offering this certificate till now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well, I offer it with pleasure.
REV. J. P. JORDAN.
Dublin county, N. C.

CAUTION! CAUTION!
Avoid all spurious preparations of Wild Cherry, such as Balsams, Bitters, Syrups of Wild Cherry, Pills purporting to contain Wild-Cherry, &c, &c, as they are all fictitious and counterfeit, and contain none of the virtues of the original and genuine preparation as prepared by Dr, Swayne, and the first ever prepared in this country. Doctor Swayne's Compound Syrup of WILD CHERRY is composed of vegetable ingredients, the Wild Cherry, and other medical substances equally as efficacious, if not more so; the whole are so effectually concentrated as to render it beyond all doubt the most pleasant, strengthening, and effectual remedy ever discovered for the cure of Pulmonary consumption, and all diseases of the Lungs and Breast. The very fact, from its having such a train of spurious imitators, stands to prove its great curative properties.
Therefore, invalids, inquire for the original preparation, each bottle of which is enveloped in a beautiful wrapper, with a likeness of William Penn engraved thereon; also bearing the signature of Dr H. Swayne, the counterfeiting of which will be punished as forgery.

MEDICAL.

DR. SHERMAN'S MEDICATED LOZENGES, AND POOR MAN'S PLASTER.

DR. SHERMAN has discovered a way to make medicine pleasant, so that children will take it readily and cry for more. See that his *fac simile* is around each box of Lozenges, a Pot of Tooth Paste on the back of each Plaster, and in each Bill of Directions.

SHERMAN'S COUGH LOZENGES.
These Lozenges are the safest, most sure and effectual remedy for coughs, colds, consumptions, whooping coughs, asthma, tightness of the lungs or chest, etc, etc. The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sold within the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing colds and coughs. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the proximate or exciting cause. They are made from a combination of a most valuable expectorant, or cough medicines, and are undoubtedly superior to every thing in use for those complaints. Hundreds upon hundreds of certificates have been offered of their wonderful virtues, from those who have been saved from an untimely grave, and restored to perfect health by using them.
Where there is much pain in the breast or side, one of Sherman's Poor Man's Plasters (price only 12½ cents,) should be applied over the part, and worn till relieved. If attended with costiveness, a few cathartic or laxative lozenges, or as mild cathartic medicine, should be used as occasion requires.

SHERMAN'S WORM LOZENGES.
These worm lozenges have been proved in more than 1,400,000 cases to be infallible; the only certain worm destroying medicine ever discovered. Many diseases arise from worms and occasion long and intense suffering, and even death, without their ever being suspected; grown persons are very often afflicted with them, and are doctored for various complaints without any benefit; when one dose of these Lozenges would speedily cure them.
Symptoms of Worms.—Pains in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips, with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep, with fright and screaming, sometimes a troublesome cough, feverishness, thirst, palid hue, fat, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, pain sometimes discharges of slime and mucus.

SHERMAN'S CAMPHOR LOZENGES.
They give immediate relief in nervous or sick headache, palpitation of the heart, lowness of the spirits, despondency, inflammatory or putrid sore throat, bowel or summer complaint, fainting, oppression of a sense of sinking of the chest, cholic, spasms, cramp of the stomach or bowels, hysterical affections, and all nervous diseases, drowsiness through the day, and wakefulness through the night; cholera or cholera morbus, diarrhoea, heartburn or dyspepsia &c. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth; used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living. Persons who have been too free livers, and abandoned their dissipated habits, will find these Lozenges miserable composers of the nerves.

SHERMAN'S POOR MAN'S PLASTER.
The best strengthening plaster in the world, and a sovereign remedy for pains or weakness in the back, loins, side, neck, limbs, joints, rheumatism, lumbago, &c. &c. One million a year will not supply the demand. They require a little warming before application. Warranted superior to all others, and for one quarter the usual price, making not only the best, but the cheapest plaster in the world. It affords relief in a few hours, and makes astonishing cures.
In liver complaint and dyspepsia, it should be worn over the region of the liver or stomach, and it will afford great and astonishing relief. In coughs, colds, asthma, difficulty of breathing, oppression of the chest or stomach, they will immediately sooth and greatly benefit the patient. Persons of sedentary habits, or those obliged to stand much, will receive decided support from one of these truly strengthening Plaster. Physicians generally recommend them, in preference to all others, because they stick or adhere better, and afford greater relief. In their operation, they are stimulant, tonic, and anodyne. They are composed of entirely different ingredients from any other, and known from the experience of millions who have used them, as well as the united testimony of all the celebrated and distinguished clergy and physicians, to be the most useful and highly medicated plaster.
Several persons have called at the warehouse to express their surprise and thanks, at the almost miraculous cures these plasters have effected.
Directions for use are on the back of each plaster, with a fac simile of Dr. Sherman's name. It is important you should always ask for Sherman's Poor Man's Plaster, and see that you get the genuine, as there are many worthless imitations hawked about and sold for the true Sherman's Plasters, by unprincipled dealers.
Sold wholesale and retail by W. JACKSON at his Patent Medicine Warehouse, No. 89 Liberty street, Sign of the BIG BOOT. jan 19-dly.

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular.
First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.
Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and disease.
Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.
Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons many dollars oft times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.
Whenever you have occasion to take any medicine, do not be trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once
Dr. Leidy's Sarsaparilla Blood Pills
and you will not have occasion to take anything else. They will always be found good in almost all forms of disease, Inflammation of the stomach, bowels, liver and intestines; cramps of the stomach; colic, Waterbrash; inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, billious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions dry and watery pimples or blotches of the face and body, tetter, rash, prickle heat and salt rheum, headache, giddiness, faintness, pains over the heart, or the breast, sides, along the back and spine, rheumatism and gout, levers of all kinds, small pox, varioloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood.
Twenty-five cents a Box.
Sold Wholesale and Retail by B. A. Fahnestock & Co., corner of First and Wood, also corner of Sixth and Wood streets. sept29

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Canker, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle, upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 8 South Third street, Philadelphia.
Sold at the Pekin Tea Store, No. 72 Fourth street, Pittsburgh. mch31

DR. JAYNE'S CARMINATIVE BALSAM
FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.
The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN
