HOTELS.

FOUNTAIN HOTEL.
LIGHT STREET BALTIMORE.
TODD AND THURSTON, PROPRIETORS.
THIS establishment long and widely known as being one of the most commodious in the city of Baltimore, has recently undergone very extensive alterations and improvements. An entire new wing has been added, containing numerous and airy sleeping apartments, and extensive bathing rooms.
The Ladies' department has also been completely reorganized and fitted up in a most unique and beautiful style. In fact the whole arrangement of the House has been remodeled, with a single eye on the part of the proprietors, towards the comfort and pleasure of their Guests, and which they confidently assert will challenge comparison with any Hotel in the Union.
Their table will always be supplied with every substantial and luxury which the market affords, served up in a superior style; while in the way of Wines, &c., they will not be surpassed.
In conclusion the proprietors beg to say, that nothing will be left undone on their part, and on the part of their assistants, to render this Hotel worthy the continued patronage of their friends and the public generally.
The prices for board have also been reduced to the following rates:
Ladies' Ordinary, $1.75 per day.
Gentlemen's do 1.50
N. B.—The Baggage Wagon of the House will always be found at the Car and Steamboat Landings, which will convey baggage to and from the Hotel, free of charge. may2f

PEARL STREET HOUSE.
CINCINNATI, OHIO.
THE subscribers having purchased the entire interest of Col. G. P. Williamson, late of this well known establishment, beg leave to inform their friends and the public generally, that they have taken this commodious Hotel for a term of years, and will exert their best energies to make it a desirable house for Travellers and City Boarders.
The Hotel is spacious and admirably planned for convenience, light and air, having a number of parlors adjoining chambers, presenting unusual attractions to families.
The present proprietors having had the experience of years in this city and elsewhere, hope they will be able to give general satisfaction, being determined to give undivided attention to the house alone.
The location of the Pearl Street House is unexceptionably eligible, being within a few rods of Main Street, so that it is equally desirable in view of the convenience of business men, or retirement for private boarders. It is in the vicinity of the Post Office, the Masonic Hall, Odd Fellow's Hall, and but one square distant from Main street and two squares from the City Hotel, they offering the most direct and pleasant thoroughfare to or from business portions of the city.
Their tables will be supplied with every variety of the best wholesome provisions, and their bar with the choicest liquors, pledging their admirable skill and ambition to the gratification of all tasted, however difficult or eleaving.
The long association of Mr. Moore with Mr. Ross, in Cincinnati, is a guarantee to the public that establishment, a sufficient guarantee of its ability.
