## GAZETTE—CITY DEPARTMENT.

# PITTSBURGH:

MONDAY MORNING, JULY 2, 1855.

TREMENDOUS RAIN STORM.—HIGH WINDS AND BIG HAIL STONES.—A storm of unusual severity visited the city on Saturday afternoon. —The weather had been exceedingly hot all day and the storm came suddenly upon us with scarcely any notice of its approach. The rain fell for an hour in perfect torrents, deluging the streets, and filling the sewers to their utmost capacity.

We do not recollect when we have had as strong a wind, here. It blew a perfect hurricane, making sad havoc with shutters and signs. —It is to be feared that considerable damage has been done to the grain hereabouts. The only injury to property done in the city, so far as we learn, was the unroofing of the front part of Coleman, Hailman & Co's Warehouse, on Water street. The roof was of sheet iron, and was lifted up, and displaced, and portions of it torn to fragments. The roof of the adjoining building occupied by Bailey, Brown & Co. was also damaged. No injury was done to the steamboats.

The thirty foot sign, "Gazette Buildings," on the upper story of our establishment was caught up by the wind, turned over the wall and landed in the middle of the roof, notwithstanding it was secured by strong iron fastenings. Four iron awning posts in front of Wardrop's Seed Store, on Fifth street, were snapped off like pipe stems.

During the storm a considerable quantity of hail fell—some of the particles of which were as large as lima beans.

A GREENHORN CHISSELED OUT OF $90.—On Friday morning last, a man whose name we did not learn, was swindled out of $90 in the following manner:

He was standing at the Depot of the O. & P. R. R., waiting for the train to start, he being on his way to Columbus, O. He observed two individuals near him engaged in very earnest conversation and endeavoring to close some kind of a bargain. He drew nearer to them, when one of the parties addressed him, stating that he had got a first-rate bargain out of his companion but lacked money enough to pay him, and asked greenhorn if he could accommodate him with a small amount. Greenhorn asked what security he could give for its payment. The sharper answered that rather than miss getting the money he would give him a check for $900. The tempting offer was accepted; greenhorn handed over $90 and received the check in return. The two sharpers pretended to conclude their bargain and made themselves scarce in short order.

Greenhorn shortly after took his check, which was signed by "C. Johnson" and endorsed by "Kramer & Rahm," to the banking house of K. & R., when, to his utter dismay, it was pronounced a forgery. When will the fools all be dead?

SERIOUS AFFRAY—A MAN SHOT.—Last Friday, as two young men in company with a woman of dissolute character, were proceeding along the road near Jack's Bridge, about four miles the other side of Allegheny, they were attacked by a party consisting of four men, who announced it as their intention to take the woman away from them.

A severe fight ensued, in the course of which one of the attacking party was shot with a pistol by one of the two persons first mentioned.— The wound was a very serious one. As soon as the pistol was fired, the entire crowd dispersed except the man who was shot, who lay upon the ground as if dead. One or two of his companions shortly returned to him, had him conveyed to a farm house, and from thence he was taken in a wagon to Allegheny and placed under the care of a physician, who pronounced the wound to be a very dangerous one.

We were unable to learn the names of any of the parties.

PAINFUL CASUALTY.—FALLING FROM A CHERRY TREE.—A young man named Henry S. Crate about fifteen years of age, left the city on Thursday in company with his grandmother, Mrs. McCullough, on a visit to some friends residing at Wexford, fourteen miles out on the Perrysville Plank Road. Shortly after reaching his destination, he went to a cherry tree to pick some of the fruit. He climb the tree when a bough broke with his weight and he was precipitated to the ground.— He fell upon his head and his neck was broken. When found life was entirely extinct.

The deceased formerly resided at Blairsville, but for a year past has been employed in the store of John Black & Co., of this city. He is a nephew of Mr. Black, and a relative of Postmaster Anderson. His funeral took place on Friday evening at five o'clock.

—The above was crowded out on Saturday.

CHILD SCALDED TO DEATH.—On Wednesday evening a little male child of Peter Engle, aged fourteen months, upset a tinful of hot milk that was upon a table, the contents of which scalded its face, breast, arms, and other parts of the body in a shocking manner. It was sitting on its father's knee at the time. The injuries were very severe, and the little sufferer lingered until Friday evening, when death kindly relieved it. The parents reside in Splane's Court, on Fifth street, above Smithfield street.

MONEY OF THE CITY ATTACHED.—The City Treasurer on Friday forwarded the interest due on the city debt in Philadelphia. The money was subsequently attached by O'Connor & Bro., brokers of this city, who have heavy claims against the city—having for a year past been purchasing city warrants.

Mr. McCalmont, City Solicitor, left for Philadelphia on Saturday for the purpose of seeing to the interests of the city in the matter.

THAT race which was announced some days ago, was to have come off on Thursday last, but for some reason which we did not learn, one of the nags was withdrawn and her owner paid the forfeit of $50. So the large number of the "fancy" who were on the ground were disappointed and sundry small stakes which were bet were returned to their respective owners. Racing horses is at best a poor business, but it would better nearly on the cruel and inhuman to put a horse on the race course during such hot weather as we now have.

EUREKA INSURANCE COMPANY.—The first election of Directors of this Company was held at the Monongahela House on Saturday last. The following gentlemen were elected Directors:

John Shoenberger, President; G. W. Cass, D. W. Batchelor, S. S. Bryan, W. K. Nimick, R. T. Leech, Jr., R. D. Cochran, W. W. Martin, G. S. Selden, J. A. Caughey, T. B. Updike, I. M. Pennock, and David McCandless.

MR. CHARLES LOTT, of Warren county, in this State, visited the inmates of the Western Penitentiary, on Friday, and distributed amongst them a number of tracts on religious subjects. On Saturday he visited the County Jail, and there also distributed tracts. He bears a recommendation from the Governor of the State.

THE RECENT BENCH WARRANT CASE.—Judge Hampton of the District Court, on Saturday gave his decision in the Bench Warrant Case, wherein Rushton & Co. were plaintiffs and James Black defendant.

The Court decided that the evidence adduced had not been sufficient to prove any fraudulent intent, and Mr. Blackwas therefore discharged.

THE PEARL STEAM MILL.—Some time in January last, the Sealer of Weights and Measures called at the Pearl Steam Mill, of Allegheny, for the purpose of testing their scales and measures according to the provisions of the law. But the proprietors of the Mill refused to allow him to proceed—we are not aware for what reason.

The Sealer therefore instituted suit before Ald. Smith, of Allegheny, who imposed a fine of $5 and costs. The Mill proprietors took out a writ of *certiorari*, for the purpose of testing the matter in a higher tribunal.

The case came before Judge McClure on Saturday, and, after argument by counsel, the Court confirmed the judgment of the magistrate.

THE GYPSIES AGAIN.—On Friday night, a number of gypsies entered the barn of John Quinn the other side of Manchester, and stole several of his chickens. Mr. Quinn was awakened by their noise, and made after them with a shot gun, which he fired, shooting off the head of one of the chickens which they were carrying away. From the fact that some of the tawny thieves were seen limping on Saturday, it is supposed they must have received part of the charge. Information was made before Mayor Adams, and he and his police went down on Saturday afternoon to arrest the whole party.

PARDON.—We understand it is the intention of the friends of Henry Bushe, now undergoing a years imprisonment in the jail, to petition Governor Pollock to interpose the executive clemency in his favor.

ANTI-LIQUOR LAW ASSOCIATION.—We hear it rumored that the tavern keepers and liquor sellers of this city and vicinity, have combined in a secret association, for the purpose of resisting the new liquor law which goes into effect in October next. They intend also to test its constitutionality.

BURGLARY.—The house of Mr. Wright on Colwell street near the foot of Reed, was entered on Friday night. The thief had bundled up a quantity of property, but becoming alarmed, left in a hurry.

TAKEN OVER.—Edward Lambert, the young man convicted of arson, was taken to the Penitentiary on Saturday. He was sentenced for five years.

FIRE.—The alarm of fire on Saturday morning in Birmingham was caused by the burning of a quantity of combustible matter in Jacob [illegible]'s brewery, in the Diamond.

CONCLUDING AFFAIR.—Considerable excitement was created in Allegheny city on Friday by an attack made with a cowhide on Mr. Jacob McKain by Mr. Isaac Craig. The offensive article is said to have been used very freely.

On Saturday Mr. McKain instituted a suit for damages against Craig, in the District Court. A capias was issued. Bail required, $1,000.

DEFAMATION.—A capias was issued on Saturday for the arrest of Adam Fahy, who is charged with slandering Wm. J. McMinn. Bail required in $1000.

ANOTHER COLONEL.—The ball is still rolling. Geo. Arthurs, of this city, is the latest recipient of the "millingtary" honors.

ACCIDENT TO A STEAMBOAT.—The new steamer *A. G. Mason*, in going under the Monongahela Bridge on Saturday, had a portion of the railing about her Texas torn off. She sustained no other damage.

LARCENY.—Ann Matthews was arrested yesterday on a charge of larceny preferred by John McGaroly. She was bound over be Ald. Heisly.

A NEW COMPANY in Birmingham the Montgomery Greys—composed exclusively of natives —was out on parade on Friday last.

NEW POST-OFFICE.—There has been a new Post Office established lately at Erskin, Allegheny Co. Mr. N. Stahl is the Postmaster.

THE Public Schools of the city, generally, have closed, and the summer vacations begin with this week.

HOT!—The mercury on Saturday afternoon at two o'clock was 100 degrees above zero.

## TELEGRAPHIC.

CHICAGO, June 30.—The special mail agent this morning arrested Theodore P. Denniston, a clerk in the Post Office, for robbing the mails.— $4000 in bank notes were found in his room.— The general belief is that from $10,000 to $15,000 have been lost from the mails. A brother of Denniston's was arrested in April for the same offence. Denniston is now in jail.

PORTLAND, ME., June 30.—In the law term of the Supreme Court, Augusta, in the case of John Hoysam, sentenced in the Police Court to fine and imprisonment for selling a glass of liquor, Chief Justice Shipley discharged the prisoner on a habeas corpus, deciding that the Municipal Judges of the Peace have no jurisdiction in punishing liquor sellers, which can only be done by indictment and trial by jury in the Supreme Court. This will completely nullify the law so far as the manner and form of execution has been attempted.

The variety of purposes for which it may be used, are so numerous that it would be difficult to recite them. Its success in mending Glass, China, &c. is extraordinary, no ordinary degree of heat affecting it, and as the joints are scarcely perceptible, articles of this kind may be made useful for years, which otherwise would be cast away.

Water-Cure Institute.
*HAND STREET (SOUTH SIDE) BET. PENN STREET AND THE RIVER, PITTSBURGH PA.*

DOCTOR BAELZ, Graduate and Practitioner in the Old Schools of Medicine, Allopathic and Homœpathic, and for the past ten years a successful Hydropathist, has opened a WATER CURE in the above location.

The perfectly safe, direct and immediate effect this system has on all Fevers, and all diseases acute and chronic —while it is mild, grateful and invigorating to the weak and debilitated, renders it peculiarly desirable in families, who will be treated at their homes.

Allopathic and Homœpathic treatment will be administered where desired; but, after long and thorough experience, Doctor Baelz gives a decided preference to Hydropathy, which has, throughout the old and new world, proven so eminently successful in every form of disease, including Incipient Consumption, Bronchitis, Dyspepsia, Inflammatory and Chronic Rheumatism, Asthma, Cutaneous, Nervous and Liver Diseases. Testimonials of cures from highly reputable citizens of nearly every State in the Union, can be examined at Doctor Baelz's office. The Rev. Clergy are invited to consult him gratis.

Warm water being used in the commencement, and often throughout the treatment, it is a luxury instead of unpleasant, as those unacquainted might suppose.

VALUABLE INVENTION.
*IMPORTANT TESTIMONY IN ITS FAVOR.*
FLOUR INSPECTOR'S OFFICE,
Philadelphia, April 20th, 1855.

MESSRS. EDWIN & JAS. M. CLARK— GENTLEMEN—Having carefully examined the construction, operation, and workmanship of your newly patented Combined Grinding and Bolting, or Merchant Flouring Mill, I take pleasure in presenting you and the public with the following statement as the result of my investigation:

With the French Burr Mill Stone, thirty inches diameter, it ground and bolted from nine to twelve bushels of wheat per hour, making clean work, and at the same time turning out, at a single operation, extra flour, superfine flour, shorts, ship stuff and bran. The extra and superfine flour is of an excellent quality, and the yield per bushel is equal to the large classed complicated mills of modern construction. It occupies but little room, can be placed in a compass of 21 feet in length, by 4 feet, which, when in running order, with all the machinery requisite, can be easily removed or transported from one place to another— has no complicated machinery about it, consequently is not liable to get out of order, and takes but little power, and appears to be particularly adapted to the wants of the condition of the country at large, and from its cheapness of construction, and small amount of capital requisite to start it, rapidity of grinding per hour taken into consideration, with its portability, and adaptation to any power put to use, I cannot but think that ere long it will be successfully established in every State in the Union. It is does not entirely take the place of the old complicated machinery heretofore used.

Yours truly, STEPHEN MILLER,
Head Flour Inspector of Philadelphia.

This valuable Mill can be seen in operation daily, at No. 213 Arch st., next to the Theatre, Philadelphia, from ten o'clock in the forenoon, until twelve o'clock, and from two o'clock in the afternoon until four, by those wishing to purchase County or State Rights. The patentees still have many of the most valuable States and Counties for sale, and will give all satisfaction relative to it. Those desirous of engaging in this promising speculation, will do well to call and see it soon, as hundreds are daily calling.

The prices which the Patentees are selling County and State Rights, justify the most timid in purchasing, and within the last few weeks over sixty thousand dollars worth of the Patent Rights have been sold. The Patentees, Edwin and James M. Clark, intend remaining in this city for some time, for the purpose of selling the entire United States. County and States for sale.

Persons writing for information must enclose Stamps to pay return postage.
