To the Musical World.

Great Improvement in the Construction of Violin Strings.

(Cordes de Violon de Phenomen.)

MANUFACTURED ONLY BY JAMES DODD.

In introducing his new Cordes de Violin to the notice of Professors, Amateurs and the Public at large, J. Dodd has great pleasure in announcing that the peculiar method of preparing these Strings was communicated to him by Nicolas Strivari, the only Pupil of the late Signor PAGANINI, during his visit to this country, and is identical with that adopted on the Continent. Since these strides have been hitherto manufactured for these great Violinists. They are beautiful in appearance, correct with all other and possess a softness and brilliancy of Tone unequalled by any of the strings in present use, qualities which he feels confident must insure the approbation of the Musical World. He has also manufactured "Violoncello Strings on the Phenomenon Principle," which he can likewise confidently recommend.

The following, some of the most distinguished Professors, have been rec'd among many others.

Camillo Sivori,	H. Vieuxtemps,	Alfredo Piatti,
C. Emilian,	A. Simon,	Chas. Oberthur,

THE HAMBURG PIANOS are undoubtedly superior to all others in elasticity of touch and power of tone. They have not only received the highest marks of approbation from the best European *Pianists*, such as Thalberg, and others who have them constantly in their own use, but also from our resident Professors.

The following is an extract from a letter of Professor Henry Rohbock. After describing the particular style, tone of which he wants for his own use, one finding no such Square Piano, he speaks as follows of their excellent qualities:

"My little daughter, who plays very well, must, with me, have a good instrument, and yours are the only ones which can satisfy me.

"Instruments are offered me on all sides, commonly, but, as I do not like them, they have not the elastic touch and the tone of yours."

I remain yours respectfully,
HENRY ROHBOCK,

AYER'S PILLS

ARE CURING THE SICK TO AN EXTENT NEVER BEFORE KNOWN OF ANY MEDICINE.

Invalids, Read and Judge for Yourselves.

JULES HAUEL, Esq., the well-known perfumer, of Chestnut st., Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 13th April, 1854:

"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious Headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec'y of the Penna. Railroad Co., says:

Pa. R. R. Office, Phila., Dec. 12, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived decided benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of disease."

Acton, Me., Nov. 25, 1853.

"DR. J. C. AYER—Dear Sir—I have been afflicted from my youth with Scrofula in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. My wife is fast recovering her health, and my boy, delighted, when you realize what I have suffered, and how satisfied, when you realize what I have suffered, and how relieved."

"Never until now have I been free from this loathsome disease, in some degree. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and in other places it made all my joints ache sometimes it came out in my face, and kept it for months a raw sore. Within the weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my hair is fast growing, and my babe has commenced a healthy growth; all of which makes me feel already a new person.

"I believe that this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude,

MAR. A RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. RESEVER,
Overseer of the Portsmouth Manufacturing Co."

Capt. JOEL PRATT, of the ship Marion writes from Boston, 20th Nov., 1854:

"Your Pills have cured me from a bilious attack which produced severe derangement of the liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I can recommend them to my children for worms, with the best effect. They never failed to cure. I recommend the Pills to my friend for costiveness, which had troubled him for months he tried many medicines without effect, but your Pills were the best medicine in the world, and I am free to say so."

From the distinguished Solicitor of the Supreme Court, whose brilliant Military Record is well known, not only in this but the neighboring States.

New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that my wife's family have very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and pronounced perfectly sound. My children have several times been cured from attacks of the indigestion and Croup by your Cathartic Pills, which I keep in my medicine chest. Your CATHARTIC PILLS have entirely cured me from a dyspeptic and costive habit, which has given me for some years,—indeed this cure is much more important, from the fact, that I had failed to get relief from the best physicians, and had tried almost every remedy, and from any of the numerous remedies I had taken.

"You seem to be doing HUMANITY GREAT SERVICE by your family, and you may well suppose we are not unmindful of it.

Yours, very respectfully,
LAFITT THAXTER,
Speaker Chancery, Ohio, April 3d, 1854.

"DR. J. C. AYER—Honored Sir: I have given a thorough trial of the Cathartic Pills, left me by your agent, and have found them the best of the dreadful medicines I order which found me suffering. The first dose relieved me, and a few subsequent ones have entirely removed the disease. I feel in better health now than for some years, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are well known where they reside, and who would not make these statements without a thoroughness in which that they were true

ANOTHER Pittsburgher testifying to the wonderfully curative powers of Boerhave's Holland Bitters.

PITTSBURGH, Dec. 6th, 1854.

Mr. Jno. Bull, Pittsburgh:

Dear Sir—Some time since I was seriously afflicted with a very severe attack of Dyspepsia, which, in point of fact, I had contracted in the Allegheny Mountains, and which had become so obstinate as to resist the efforts of the best medical advice I could procure. I was induced to try your Holland Bitters, and have now perfectly recovered from the disease. I feel in better health now than for some years, which I attribute entirely to the effects of your Holland Bitters.
