MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

The most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE.

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than 3,000 cases of Chronic Rheumatism; 2,000 cases of Dyspepsia; 400 cases of General Debility and Want of Energy; 7,000 cases of different Female Complaints; 2,000 cases of Scrofula; 1,500 cases of the Liver Complaint; 2,500 cases of Disease of the Kidney and Dropsy; 3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c. &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the lives of more than

6,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. McCLEAN, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

ISAAC W. CRAIN, 106 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,

Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

COXSACKIE, Sept. 29, 1845.

Dr. Townsend: To all whom this may concern:—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and much debility of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hour of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant, S S JAMESON.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life*," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits," use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

[illegible] DEPARTMENT, Albany, May 10, 1845.

Dr. Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

Nov 29, 1846. Staten Island.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption can not be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, indeed, I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and sinking very fast; my doctor said he could do nothing for me. I went into the hospital in hope of being benefited, but was pronounced there incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watchers. Indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies, and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I expected there was some humbug in them, but I was induced to try it, I did so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and raise but very little, and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please, &c.

PETER BROWN, 47 Little st, Brooklyn.

Opinions of Physicians.

Dr Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

Albany, April 1, 1846.

This is to certify that we, the undersigned, practicing Thomsonian Physicians of the City of Albany, have frequently prescribed Dr Townsend's Compound Extract of Sarsaparilla, and from its known qualities, would recommend its use to the public for mercurial, scrofulous, and other cutaneous diseases, in preference to any of the advertised remedies in such cases.

None genuine, unless put up in the large square bottles, which contain a quart and signed with the written signature of S P TOWNSEND, and his name blown on the Glass.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the advertising cab, or Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the ornamental landscape paintings are beautiful, which, together with the scroll work, in gold, glistening in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847

Dr. Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have never felt better appetite than ever I had. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say, try Dr Townsend's Sarsaparilla.

SALTER'S GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the GINSENG PANACEA in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this WONDERFUL PREPARATION. The changeable weather which marks our fall and winter months, is always a fruitful source of COLDS AND COUGHS. These, if neglected, are but the precursors of that fell destroyer, CONSUMPTION. The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public. THE GREAT AND ONLY REMEDY will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from MEDICAL MEN OF THE FIRST STANDING, Ministers of the Gospel, &c., together with copious notices from the JOURNALS OF THE DAY, we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country. HUNDREDS OF BOTTLES have been used in this city. THOUSANDS AND TENS OF THOUSANDS throughout the United States and Canada, and we challenge any man to point out a SINGLE INSTANCE in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to EFFECT A PERFECT CURE. Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of UNPARALLELED EFFICACY is to be had, whose vouchers are at home,—our neighbors,—many of whom it has SNATCHED FROM THE GRAVE. In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at ONLY FIFTY CENTS, just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor, Broadway, Cincinnati, Ohio.

HARNDEN & CO's Passenger and Remittance Office.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

IMPORTANT TO THE LADIES—Chinese Hair Cream, a matchless article for the Growth, Beauty and Restoration of the Hair. This Cream, when once known, will supersede all other articles of the kind now used. When the hair is dead, harsh, thin, unhealthy, or turning grey, a few applications will make the hair soft and dark, and give it a beautiful lively appearance; and will also make it retain it in lively appearance much longer than all the other preparations which are generally used. Every lady and gentleman who are in the habit of using oils on their hair, should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like those other preparations, but will beautify it, and give perfect satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from Rev. Mr. Caldwell, to Messrs. Henderschott & Stretch, Nashville, General Agents for the Western States:

Letter from the Rev. R. Caldwell, pastor of the Presbyterian Church, Pulaski.

Messrs. Henderschott & Stretch—Gentlemen: I take pleasure in adding my testimony in favor of the excellent preparation called Dr. Parish's Chinese Hair Cream—for about two years ago, my hair was very dry, brittly, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, my hair is now soft, elastic and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before.—This Cream, however, has met my expectations.

As an article for the Toilet, my wife gives it preference over all others, being delicately perfumed, and not disposed to rancidity. The ladies especially will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c., R. CALDWELL.

MORGAN'S COUGH SYRUP—It proved to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 3 1847.

COUGH SYRUP.—We are not in the habit of puffing, much less taking patent medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and by it relief was obtained in a few hours. It proved to be the panacea in this case at least.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, grease or dry, that cannot be extracted with Holt's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, now stands unrivalled in this country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c, without injuring anything that pure water will not injure. More than one thousand persons in different parts of the country have told me they would not be without it; if it cost one dollar per cake. In trying this Soap on more than 300 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpaccas, and four of calico, on which it changed the colors; therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend it any stronger than I know to be strictly true. N H HOTT.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847.

R. E. SELLERS:—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsful of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World. WM. FATSOUNDE,

A STRONG EVIDENCE that DR JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and whenever they have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

CONSUMPTION,

Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint, and Diseased Kidneys, are radically cured by

Dr. Swayne's Compound Syrup of Wild Cherry.

It is mild and pleasant to the taste, perfectly safe and harmless in its operations, and yet it is one of the most powerful and certain remedies for Consumption of the Lungs, Coughs, Colds, Asthma, Spitting Blood, Liver Complaint, Pains in the Side or Breast, and general Debility of the Constitution, that was ever invented by the skill of man for the relief of the afflicted public. Certificates and evidences of its wonderful curative powers are daily received from all quarters. It is impossible to conceive the aggregate of suffering and misery that has been relieved or banished by it; nor can we calculate the immense benefit that shall accrue from it hereafter. All ages, sexes, and constitutions are alike affected by it, and the disease is eradicated from the system, the constitution repaired, and health restored by the use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. How many sufferers do we daily behold approaching to an untimely grave, wrested, in the bloom of youth, from their relatives and friends; afflicted with that fatal malady, CONSUMPTION, which wastes the miserable sufferer until he is beyond the power of human skill. If such sufferers would only make a trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves sooner relieved than by gulping the various ineffective remedies with which our newspapers abound; this Vegetable Remedy heals the ulcerated lungs, stopping profuse night sweats, at the same time inducing a natural and healthy expectoration, and the patient will soon find himself in the enjoyment of comfortable health. The public should bear in mind that Dr. Swayne is a regular practising physician, and has had years of experience in diseases of the Lungs, Chest, &c. The (original and only) genuine article is only prepared DR. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

ANOTHER HOME CERTIFICATE.

Of all the cures that has ever been recorded, we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of consumption, even when life had been despaired of. Dr. Swayne's Compound Syrup of Wild Cherry is all it professes to be, the greatest medicine in the known world.

The True Riches of Life is Health.

Dr. SWAYNE—Dear Sir,—For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every body ought to know it. I was afflicted with a violent cough, spitting of blood, night sweats, hoarseness, and sound of his voice indicating an alarming state of the disease; my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, who was my anxious care-taker, made inquiry where she would be likely to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. Your medicine was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixth bottle, my cough had left me and my strength was much improved. In short, it has made a perfect cure of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case. I M REEVES, 38 chester st, between race and vine sts, Phila.

CAUTION! CAUTION!!

Consumptives, Read! Read!! Dr. Swayne's Compound Syrup of Wild Cherry.

In about the year 1837, I found it necessary in my professional practice, to compound a medicinal preparation for diseases of the chest and lungs, possessing more powerful healing properties than any other hitherto known for such diseases. In my COMPOUND SYRUP OF WILD CHERRY, I have been very successful. The truly astonishing cures effected by my medicine soon spread its fame abroad; for it owes none of its success to manufactured newspaper puffs or forged certificates—the real intrinsic merits of my compound is the only cause of its popularity. Its extensive sale soon excited the envy of certain speculators in the afflictions of his fellow creatures, so much so that in a few years from the time that my preparation was introduced to the public and in great demand, a firm in this city, finding that my preparation had gained a high reputation for its curative properties, came out with what they called Dr. Wistar's Balsam of Wild Cherry. This respectable and popular physician had no more to do with the article than poor Sam Patch. The name of Dr Wistar is attached to make it appear that this eminent practitioner was the original inventor of the preparation; such is not the fact. The above firm, the real inventor, sold the recipe and right to manufacture to some patent medicine dealers in Cincinnati for the West and South, and another in New York for the East, who afterwards, it is asserted, sold out to a druggist in Boston—so the number of hands into which it may have changed is an enigma.

In some places they assert it emanated from a physician in Philadelphia; in others, from a physician in Massachusetts. So it has falsehood and stratagem stamped in every feature.

There have been a number of other preparations purporting to contain Wild Cherry put out since, from the hands of inexperience, which the public should guard against, as they contain none of the virtues of the original and only genuine preparation, which bears the signature of Dr. Swayne on each bottle. The present manufacturers of their puffs and false certificates have the daring effrontery to caution the public against purchasing my medicine, the only truly genuine and original preparation of Wild Cherry before the public, which is proved satisfactorily by the public records of the Commonwealth of Pennsylvania, as well as the various other official documents. DR. H. SWAYNE, Inventor and sole Proprietor of the genuine Compound Syrup of Whild Cherry, corner of Eighth and Race streets, Philadelphia.

Pamphlets can be obtained gratis, setting forth an array of testimony that will convince the most skeptical of the wonderful virtues of Dr Swayne's Compound Syrup of Wild Cherry. Call and get one, that all may read. Purchase the medicine, and be cured.

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—Sat. SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lily White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. E. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deferred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Bilious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS

Hydropathy, or the Water Cure.

DOCTOR BENJ. W. MORRIS returns his sincere thanks to the citizens of Pittsburgh and Allegheny city for the very liberal support and encouragement he has received within the last six months. That the Water cure should acquire such celebrity, is neither strange nor mysterious, when it is considered how great a number of cases of every variety of diseases, both acute and chronic, have been cured by a judicious use of it. In Germany, where it originated, six thousand of the worst cases, that were given up by the most skillful physicians of Europe as incurable, were cured by the immortal Priessnitz, the founder of the Water Cure. In England, France and America, thousands of hopeless cases have been cured by it, and the numerous Hydropathic establishments now in successful operation in the United States, speak volumes in favor of the practice.

Dr. Morris having permanently established himself in the city of Pittsburgh, three doors southwest of Irwin's alley, on Penn street, is now prepared to take a number of boarders and treat them at his house, and those who prefer being treated at their own dwellings, will be punctually and faithfully attended. He may be consulted at his office from 1 o'clock till 3 P. M., and from 7 to 10 in the evening.

N. B.—Every variety of baths made use of in the Water cure, both for ladies and gentlemen, can be obtained at the Athenaeum, on Liberty street, where they have been recently erected for the express use of Hydropathic patients, and where every attention will be given by the polite and attentive proprietors. ap14-6m

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN, Allegheny city, jy21

Purify Your Blood.

MR. O. E. SIBLEY—Dear Sir: Last Spring, and during the previous winter, I was severely afflicted with a scrofulous complaint in my legs, and had been for some months under the care of physicians. They said my case was almost incurable, and they could do but little for me. I was nearly helpless, but with the aid of crutches could with difficulty get about. In May last, I purchased of you, and commenced using BRISTOL'S SARSAPARILLA. After the use of two bottles, the sores commenced healing, and I laid aside my crutches, using only a cane. I dispensed with my cane, and at the end of the fourth, was so well as to assist all day in shearing sheep. In all, I used five bottles. The scrofula and sores have all healed up, and since last summer I have seen no appearance of the disease, but have continued, and am now, in the most perfect health. I state with confidence, hoping that others may be benefitted in the same way, that the Sarsaparilla sold by you, has been the means and the only means of effecting the cure. CORNELIUS J. ROSE.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day. Boston June 16, '46. BENJAMIN PARSONS.
