GRAND PIANO

MADE BY

NUNNS & CLARK, New York.

THE PUBLIC of Pittsburgh and Allegheny is respectfully invited to call at the Music Store of the subscribers, No. 85 Fifth street, and examine a superb **Full Grand Piano, Price, $1,000.** This elegant instrument is made in the ELIZABETHAN STYLE—the ornamental front, legs and lyre being skilfully carved out of SOLID ROSEWOOD. It is full seven octaves, of the largest dimensions, and, in point of volume, power and liquid sweetness of tone, is pronounced altogether unsurpassable.

The subscribers will be happy to receive the visits of their friends and the public in general, and show them through their elegant new establishment.

To the Musical World.

Great Improvement in the Covering of Violin Strings.

(Cordes de Violon de Tucomini.)
MANUFACTURED ONLY BY JAMES DODD.

IN introducing his new Cordes ou Violin to the notice of professors, Amateurs and the Public at large, J. Dodd has great pleasure in announcing that the secret of preparing these Strings was communicated to him by Signor Sivori, the only pupil of the late Nicolo Paganini, during his visit to this country, and is identical with that adopted on the Continent, where these Cordes have been hitherto manufactured for those great Violinists. They are beautiful in appearance, covered with real silver and possess a softness and brilliancy of Tone unequalled by any of the strings in use. Paganini, while he lived, felt confident must insure the approbation of the Musical World. He has also manufactured Diatonic Strings on the Paganini principle, which *pleased him*, with he can likewise confidently recommend.

Testimonials from the following, some of the most distinguished Professors, have been rec'd among many others.

CHARLOTTE BLUME,

PITTSBURGH, SOLE AGENT.

THE HAMBURG PIANOS are undoubtedly superior to all others in *solidity of touch and power of tone*. They have not only received the highest marks of approbation from the best *European Pianists*, such as Liszt, Thalberg, and others who have them constantly in their own rooms, but also from our own Professors.

The following is an extract from a letter of Professor Henry Kohlhock. After describing the particular style two of which he wishes for his own use, one Grand and one Square Piano, he speaks as follows of their excellent qualities:

"My little daughter, who plays very well, must, with me, have a good instrument, and yours are the only one which I can select.

"Instruments are scarce, and to me the most accommodating, because I do not like them, they have not the elastic touch and the tone of yours."

I remain yours respectfully,
HENRY KOHLHOCK,

MEDICAL.

AYER'S PILLS

ARE CURING THE SICK TO AN EXTENT NEVER BEFORE KNOWN OF ANY MEDICINE.

Invalids, Read and Judge for Yourselves.

JULES HAUEL, Esq., the well-known perfumer, of Chestnut st., Philadelphia, whose choice products are found at almost every toilet, says:

I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use than any other within my knowledge. Many of my friends have realized marked benefits from them and continue with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:

"Dr. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious Headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with gratifying success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec'y of the Penna. Railroad Co., says:

Pa. R. R. Office, Phila., Dec. 13, 1853.

"Sir: I take pleasure in adding my testimony to the effects of your Cathartic Pills. Having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I be, so long as I can procure them, with the assurance that the widely renowned S. S. STEVENS, M. D., of Wentworth, Cheshire Co., prescribes them.

"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* to be the best Cough medicine in the world, and these Pills are in no respect inferior to that admirable preparation for the treatment of disease."

Acton, Me., Nov. 25, 1855.

"Dr. J. C. AYER—Dear Sir: I have been afflicted from my youth with Scrofula in its worst form, and my life for twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. Nothing else has kept my body during the time, so long and painful a disease when you realize what I have suffered, and how well I am now.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my face and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and at others in my joints, and lameed me for years. It came out in my face, and kept it for months a raw sore. "About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. I have gained flesh rapidly, and skin fair, and my hair has resumed a healthy growth; all of which makes me feel almost a new person.

"Hopeless of relief, I felt it my duty to give this testimonial that shall do good to others, I am, with every sentiment of gratitude, your obt. servt.

Capt. JOEL PRATT, of the ship Marion writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which threatened a fever, which has kept me from home, which was very serious. I shall give them to my children for worms, with the best effects. They operate promptly cured. I recommended them to a friend for costiveness, which had troubled him for months, he told me he had tried all the Pills in Brick House, but all were the best medicine in the world, and I am free to say so." Head this from the distinguished Solicitor of the Supreme Court, to whom these brilliant abilities have made him well known, not only in this but the neighboring States.

New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that my self and family have been much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and now I enjoy good health. My children suffered for several times been cured from attacks of the Influenza and Croup by the use of your CATHARTIC PILLS, and other preparations. Your CARTHARTIC PILLS have entirely cured me from a disease, which had rendered my life a burden to me for some years.—Indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians, for which this section of the country, and from any of the numerous remedies I had taken.

"I consider it my duty to make this public, for the good of my fellow citizens, and my family, and you may well suppose we are not unmindful of it. Yours, respectfully,

"Dr. J. C. AYER—Honored Sir: I have made a thorough trial of the Cathartic Pills, left me by your agent, and find they have been cured by those of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent ones have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills.

LUCIUS B. METCALF."

ANOTHER Pittsburgher testifying to the wonderfully curative powers of Dorhave's Holland Bitters

PITTSBURGH, Dec. 6th, 1854.

Messrs. Benj. Page, Jr., & Co.—Gentlemen—For a year past I have been afflicted with a very severe Liver complaint, so much so, that my stomach refused to retain anything. I have taken almost everything, and have spent much money in all physicians but without alleviation, until I began the use of Dorhave's Holland Bitters, and have now found relief almost amounting to a cure. I found it efficacious in removing the extreme debility occasioned by this disease, and I feel it my duty to bear testimony to the good effect, Respectfully,

JACOB WIRTZ, 3d st., below Market.

Caution—Be careful to ask for Dorhave's Holland Bitters. The great popularity of this medicine has induced many imitations, which the public should guard against purchasing. Ask the genuine Dorhave's Holland Bitters.
