WATCH, MOTHER.

The following, entitled "Watch, Mother," is beautiful—one of those little gems which touch the heart:

Mother! watch the little feet,
Climbing o'er the garden wall,
Bounding through the busy street,
Banging cellar, shed and hall.
Never count the moments lost,
Never mind the time it costs;
Little feet will go astray,
Guide them, mother, while you may.

Mother! watch the little hand
Picking berries by the way,
Making houses in the sand,
Tossing up the fragrant hay.
Never dare the question ask,
"Why to me this weary task?"
These same little hands may prove
Messengers of light and love.

Mother! watch the little tongue
Prattling, eloquent and wild,
What is said and what is sung,
By the happy, joyous child.
Catch the word while yet unspoken,
Stop the vow before 'tis broken;
This same tongue may yet proclaim
Blessings in a Saviour's name.

Mother! watch the little heart
Beating soft and warm for you;
Wholesome lessons now impart;
Keep, O keep that young heart true,
Extricating every weed,
Sowing good and precious seed;
Harvest rich you then may see,
Ripening for eternity.

Spring Stock of Hamburg Pianos.
CHARLOTTE BLUME,
PITTSBURGH, SOLE AGENT.

THE HAMBURG PIANOS are undoubtedly superior to all others in durability of touch and power of tone. They have not only received the highest marks of recommendation from the best European Pianists, such as Liszt, Thalberg, and others who have them constantly in their own use, but also from our resident Professors.

The following is an extract from a letter of Professor Henry Roihbock. After describing the particular style, two of which its waste forbids own use, one Grand and one Square Piano, he speaks as follows of their excellent qualities:

"My little daughter, who plays very well, must, with me, have a good instrument, and yours are the only ones which can satisfy me.

"Instruments are offered me on the most accommodating terms, but I do not like them, they have not the elastic touch and the tone of yours."

I remain yours respectfully,
HENRY ROHBOCK,
Pittsburgh, Pa.

To the Musical World.
Great Improvement in the Covering of Violin Bridges.
(*Cordes de Violin de Paganini.*)
MANUFACTURED ONLY BY JAMES DODD.

IN introducing his new Cordes de Violin to the notice of Professors, Amateurs and the Public at large, J. Dodd has great pleasure in announcing that the permanent method of preparing these Strings was communicated to him by Signor Sivori, the only pupil of the late Signor Paganini, during his visit to this country, and is identical with that adopted on the Continent, where these strings have been hitherto manufactured for their great Violinists. They are beautiful in appearance, covered with real silver and possess a softness and brilliancy of Tone unequalled by any of the strings in present use; qualities, which he feels confident must insure the approbation of the Musical World. He has also manufactured Violincello Strings on the same principle, with *plated* wire, which he can likewise confidently recommend.

Testimonials from the following, some of the most distinguished Professors, have been rec'd among many others.

Camillo Sivori, H. Vieuxtemps, Alfredo Piatti,
G. Singer, C. Guystener, Chas. Oberthur,

ANDREW WIERSEYE,
Corner of the Portsmouth Manufacturing Co.,
Capt. COOK PLANT, of the ship Marion writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I cannot recommend them to a friend for costiveness, which had troubled him for months, but a few days by their aid have cured him. You make the best medicine in the world, and I am free to say so."

And the former the distinguished Inventor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring states:

New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been much benefited by your medicines. My wife was cured two years since, of severe and dangerous cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Inflammatory Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important to me, for that I had failed to find relief from the best physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our country, and we think it only proper to express our full of it. Yours, respectfully,

BENJAMIN FRANKLIN THATCHER,
"Lafayette Chambers," Lafayette Place, New York.

"Dr. J. C. AYER—Honored Sir: I have made a thorough trial of your Sarsaparilla, and find it the best of all the medicines that have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

"ELIJAH H. MECALLY."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thoroughconviction that they were true

MEDICAL.

AYER'S PILLS

ARE CURING THE SICK TO AN EXTENT NEVER BEFORE KNOWN OF ANYMEDICINE.

Invalids, Read and Judge for Yourselves.

JULES HAUEL, Esq., the well-known perfumer, of Chestnut st., Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a boon to her family, needing no comment to their any other within my knowledge. Many of my friends are in believing that they derive extraordinary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:

"Dr. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious Headache, which had of late years overtaken me in the evening. A few doses of your Pills cured me. I have used your Cherry Pectoral for many years in my family for coughs and colds with unfailing success. You make medicines that cure, and I feel it a pleasure to commend you for the good you are doing the sick."

JOHN F. BEATTY, Esq., Sec'y of the Penna. Railroad Co., says:

Pa. R. R. Office, Phila., Dec. 12, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am prepared to attest in my family, as well as over consent to be, while my means will procure them."

The following is from the Hon. SAMUEL S. SEYMOUR, of Vermont, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of disease that follow, they are a sure remedy and safe cathartic. In all cases where a purgative medicine is required, I confidently recommend these Pills to the public as preferable to any other I have found. They are sure in their operation, and perfectly safe, qualities which make them so invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the market, and these Pills are in no less degree the admirable preparation for the treatment of disease."

Acton, Me., Nov. 25, 1855.

"Dr. J. C. AYER—Dear Sir—I have been afflicted from my birth with Scrofula in its worst form; and now, after twenty years' trial, and no end of amount of suffering, have had opportunity, being within a few weeks by your Pills. With what feelings of rejoicing I write, can only be appreciated when you realize what I have suffered, and how long."

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days sometimes it appeared on my face, and kept it for months a raw sore. About nine weeks ago I commenced taking your Pills, thirteen Pills, and now am entirely free from the complaint. It is now nearly two, and my skin is fair, and my hair commenced a healthy growth; all of which makes me feel almost like a new creature."

"Hoping this statement may be the means of conveying to others the knowledge that I also do good to others, I am, with every sentiment of gratitude, Yours, &c.

MAE-A RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW WIERSEYE,
Overseer of the Portsmouth Manufacturing Co."

Capt. COOK PLANT, of the ship Marion writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I cannot recommend them to a friend for costiveness, which had troubled him for months, but a few days by their aid have cured him. You make the best medicine in the world, and I am free to say so."

And the former the distinguished Inventor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring states:

New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been much benefited by your medicines. My wife was cured two years since, of severe and dangerous cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Inflammatory Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important to me, for that I had failed to find relief from the best physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our country, and we think it only proper to express our full of it. Yours, respectfully,

BENJAMIN FRANKLIN THATCHER,
"Lafayette Chambers," Lafayette Place, New York.

"Dr. J. C. AYER—Honored Sir: I have made a thorough trial of your Sarsaparilla, and find it the best of all the medicines that have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

"ELIJAH H. MECALLY."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thoroughconviction that they were true
