Jaynes' Expectorant.

SALEM, Columbiana co., O., Apr. 24, 1843.

DR. D. JAYNES: DEAR SIR:—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant—and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.

Respectfully yours, &c., JAS. W. ESTILL.

A Fine Set of Teeth for 25 Cents.

WHITE TEETH, FOUL BREATH, HEALTHY GUMS.—Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in a good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as are becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. B. A. FAHNESTOCK'S VERMIFUGE.

A FEW weeks since, one of my children, aged about five years, was unwell for several days, and the illness increased so alarmingly that I feared death would be the result. Having heard of the good effects of Fahnestock's Vermifuge when administered to the children of my neighbors, and thinking my child might have worms, from some of the symptoms, I gave it one and a half teaspoonfuls of the Vermifuge, and to my great astonishment it almost immediately discharged between 250 and 260 large worms. Its health was soon restored, and it is now remarkably well. Previous to taking the Vermifuge, the worms would occasionally rise in its throat, and I often feared it would die from strangulation. THIS establishment long and widely known as being one of the most commodious in the city of Baltimore, has recently undergone very extensive alterations and improvements. An entire new wing has been added, containing numerous and airy sleeping apartments, and extensive bathing rooms.

PEARL STREET HOUSE.

CINCINNATI, OHIO.

THE subscribers having purchased the entire interest of Col. G. P. Williamson, late of this well known establishment, beg leave to state to their friends and the public generally, that they have taken this commodious Hotel for a term of years, and will exert their best energies to make it a desirable home for Travellers and City Boarders.

The Hotel is spacious and admirably planned for convenience, light and air, having a number of parlors adjoining chambers, presenting unusual attractions to families.

The present proprietors having had the experience of years in this city and elsewhere, hope they will be able to give general satisfaction, being determined to give undivided attention to the house alone.

The location of the Pearl Street House is uncommonly eligible, having fronts on Pearl, Walnut and Third streets, so that it is equally desirable in view of the convenience of business men, or retirement for private boarders. It is near by the Banks, the Post Office, the Masonic Hall, Odd Fellow's Hall, and but one square distant from Main street and two squares from the City Wharf, thus offering the greatest inducements, especially to country merchants and generally to all persons visiting Cincinnati.

MANUFACTURERS of Phœnix fire proof safes, south side, second street, between Wood and Smithfield Pittsburgh. J S Strickler having deceased and the surviving partner Mr. Jos Lippencott, having associated himself with Mr. Wm C Barr, the business will hereafter be conducted under the style of Lippencott & Barr.

Trial of a safe in Cincinnati, O.—We, the undersigned were present at the testing of one of J S Strickler & Co's improved Phœnix fire-proof safes. The safe was placed in a furnace on the public landing, and subjected to the intense heat of a stone coal fire for more than three hours. In one hour and a half the safe came to a bright red heat; the door of the furnace was then closed, which caused an increased and steady heat for the balance of the time, until the cast iron wheels were partially melted off; the furnace was then thrown down and the safe cooled and opened. The money, papers and books which it contained were as perfect as when placed there, the binding only of the books being injured by the water in cooling the safe. We have no hesitation in recommending it to the public as a safe superior to any we have ever seen tested, and believe that it will stand any heat which might be produced, xcept a heat which would melt it to a solid mass.

LADIES ARE CAUTIONED AGAINST USING COMMON PREPARED CHALK.

THEY are not aware how frightfully injurious it is to the skin—how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using preparpared chalk! Besides it is injurious, containing a large quantity of lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE. It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analyzing Jones' Spanish Lily White, I find it possesses the most beautiful and natural, and at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price, 25 cents a box. Sold by WM. JACKSON, 89 Liberty st. mar29

MEDICAL.

TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,

AND TO EVERY

Mother, Wife and Daughter

IN THE UNITED STATES.—The subscriber respectfully calls your attention to Dr. BARRETT'S GUARDIAN, expressly intended for the preservation of the health of both sexes—whether it arises from Incipient Phthisis, or early consumption, Debility of the Lungs, Bronchial Affections, Asthma, Pleurisy, Deranged and Disordered state of the Liver, Spleen, or Kidneys, Diseased Spine, Cholic, Dyspepsia, Palpitation of the Heart. Loss of Muscular or Nervous Power, &c. &c.

DR. C. B. BARRETT'S GUARDIAN comes to the immediate relief of Females suffering from Irregularities, and all other Uterine difficulties and diseases incidental to woman, whether occasioned by cold, wet feet, or any similar injudicious exposure, and all this without the use of medicine, as the most delicate and sensitive lady can at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the certainty of obtaining immediate relief.

Dr. Barrett's Guardian is no catch-penny, or one of the many humbugs of the day; but it is an instrument made upon strictly scientific principles, in accordance with the laws of Electricity and Galvanism; and for neatness, durability and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened men of the day, is pronounced to be "the greatest discovery of the age."

A period of no less than four years has been occupied by Dr. Barrett in bringing the Guardian to its present state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect success, and who have cheerfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Manual of Instructions accompanying it.

Dr. C. B. Barrett's Guardian is secured from innovations by a patent from the United States Patent Office, and be had either with or without his Medico-Electro Galvanometer.

The Medico-Electro Galvanometer, in point of beauty, workmanship, durability and power, cannot be surpassed or even equalled, and the subscriber feels that he hazards nothing in the assertion that it will be found to possess more power and efficacy in the treatment and removal of diseases, by Galvanism and Electricity, than any other instrument, either in the United States or Europe. The Medico-Electro Galvanometer is warranted in every respect, and with common ordinary care will last a life-time, and is by far the cheapest, because the best, instrument ever offered to the public. A manual accompanies them, giving the most ample instructions, of practical experience, so that it is readily intelligible to the mind of every one, while the simplicity of arrangement is such that a child may [illegible] with it.

Any information gratuitously given, and all communications cheerfully answered per mail, either in relation to the Electro-Galvanometer or Guardian.

Medical men are invited to call and examine Dr Barrett's Guardian, and test its efficacy.

OVER 5,000 PERSONS in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy,

THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA,

In Pulmonary Consumption, Chronic Bronchitis and Sore Throat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Croup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Kidneys.

This medicine, the invention of a man who gave the subject of Pulmonary, Bronchial and Pectoral diseases the most rigid examination, has now been before the public near four years. During this period it has performed some of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approval of thousands of persons in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.

About four years since I was attacked with Typhus Fever, which left me in a miserable state of health; in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any benefit, and had despaired of ever obtaining a recovery of my former health. But some time last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naptha, and incredible as it may appear, by the time I had taken three bottles the debility, pain and every sense of suffering were completely removed, and I was able to attend with restored health to my usual avocations.

MARTIN CLAUDY,
Of Dickinson township, Cumberland co.

Read the following testimony from a respectable member of the Society of Friends, in Poughkeepsie, N. York.

VALUABLE TESTIMONY.

"This may certify that in the spring of 1846, my health was very feeble; I was afflicted with pain in the side, with other alarming symptoms, and suffered much from great debility. At that time I purchased from Moses Dame two bottles of Thomson's Compound Syrup of Tar and Wood Naptha, from which I experienced great benefit, my health being now good; and I cheerfully recommend the article to all persons who may be suffering with general debility, with symptoms of a decline. In such cases it is known to have afforded decided and permanent relief, and from its rapid sale and great success as a remedy for the above diseases where it has been used, it promises to become one of the most useful and popular medicines. Scratch! Scratch!!

TETTER, ITCH, SALT, RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, [for decency sake,] when in company. Let it be remembered that Dr LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be completely carried off from the system by Dr Leidy's blood pills, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

NEVER permit any one to palm off upon you the various worthless mixtures prepared by men who, ignorant of the virtues of medicines, and unacquainted with the principles of compounding them, seek only to fill their pockets with unlawful gain. B. A. Fahnestock's Vermifuge has for many years been known to the public as a destroyer of worms, and as such, has always maintained the highest reputation, and has been considered by the people as the only medicine that will certainly expel worms. If they exist in the system, they are brought out without fail. None are genuine, unless the name of B. A. Fahnestock, Pittsburgh, Pa. is on the wrappers. my31

TENIA, OR TAPE WORMS, frequently infest the intestines of the adult. They are often of enormous size and length, causing great pain and tenderness in the stomach. The general health becomes deranged, the system enfeebled, and the symptoms are continually aggravating, until relief or death terminates the sufferings. B A Fahnestock's Vermifuge, prepared at Pittsburgh, Pa., is the best remedy in the case. The worm, after being destroyed, will be discharged in detached portions, and a speedy relief will be obtained. my11
