MEDICAL.

TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,
AND TO EVERY
Mother, Wife and Daughter

IN THE UNITED STATES.—The subscriber respectfully calls your attention to Dr. Barrett's Guardian, expressly intended for the preservation of the health of both sexes—whether it arises from Incipient Phthisis, or early consumption, Debility of the Lungs, Bronchial Affections, Asthma, Pleurisy, Deranged and Disordered state of the Liver, Spleen, or Kidneys, Diseased Spine, Cholic, Dyspepsia, Palpitation of the Heart, Loss of Muscular or Nervous Power, &c. &c.

DR. C. B. BARRETT'S GUARDIAN comes to the immediate relief of Females suffering from Irregularities, and all other Uterine difficulties and diseases incidental to woman, whether occasioned by cold, wet feet, or any similar injudicious exposure, and all this without the use of medicine; as the most delicate and sensitive lady can at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the certainty of obtaining immediate relief.

Dr. Barrett's Guardian is no catch-penny, or one of the many humbugs of the day; but it is an instrument made upon strictly scientific principles, in accordance with the laws of Electricity and Galvanism; and for neatness, durability and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened men of the day, is pronounced to be "the greatest discovery of the age."

A period of no less than four years has been occupied by Dr. Barrett in bringing the Guardian to its present state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect success, and who have cheerfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Manual of Instructions accompanying it.

Dr. C. B. Barrett's Guardian is secured from innovations by a patent from the United States Patent Office, and be had either with or without his Medico-Electro Galvanometer.

The Medico-Electro Galvanometer, in point of beauty, workmanship, durability and power, cannot be surpassed or even equalled, and the subscriber feels that he hazards nothing in the assertion that it will be found to possess more power and efficacy in the treatment and removal of diseases, by Galvanism and Electricity, than any other instrument, either in the United States or Europe. The Medico-Electro Galvanometer is warranted in every respect, and with common ordinary care will last a life-time, and is by far the cheapest, because the best, instrument ever offered to the public. A manual accompanies them, giving the most ample instructions, of practical experience, so that it is readily intelligible to the mind of every one, while the simplicity of arrangement is such that a child may [illegible] with it.

Any information gratuitously given, and all communications cheerfully answered per mail, either in relation to the Electro-Galvanometer or Guardian.

Medical men are invited to call and examine Dr Barrett's Guardian, and test its efficacy.

OVER 5,000 PERSONS in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy,

THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA,

In Pulmonary Consumption, Chronic Bronchitis and Sore Throat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Croup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Kidneys.

This medicine, the invention of a man who gave the subject of Pulmonary, Bronchial and Pectoral diseases the most rigid examination, has now been before the public near four years. During this period it has performed some of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approval of thousands of persons in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.

About four years since I was attacked with Typhus Fever, which left me in a miserable state of health, in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any benefit, and had despaired of ever obtaining a recovery of my former health. But some time last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naptha, and incredible as it may appear, by the time I had taken three bottles the debility, pain and every sense of suffering were completely removed, and I was able to attend with restored health to my usual avocations.

MARTIN CLAUDY,
Of Dickinson township, Cumberland co.

Read the following testimony from a respectable member of the Society of Friends, in Poughkeepsie, N. York.

VALUABLE TESTIMONY.

"This may certify that in the spring of 1846, my health was very feeble; I was afflicted with pain in the side, with other alarming symptoms, and suffered much from great debility. At that time I purchased from Moses Dame two bottles of Thomson's Compound Syrup of Tar and Wood Naptha, from which I experienced great benefit, my health being now good; and I cheerfully recommend the article to all persons who may be suffering with general debility, with symptoms of a decline. ASTHMA, OR DIFFICULTY OF BREATHING.—This disease is caused by a paroxysmal constriction of the air cells; it is very debilitating, almost causing suffocation. DR. SWEETSER'S PANACEA is the only certain cure.

Hoarseness can be entirely cured by a free use of Dr. Sweetser's Panacea.

Catarrh, or common cold, which, if neglected, will terminate in Consumption, is effectually relieved and cured by Dr. Sweetser's Panacea.

Bronchitis, if unchecked, will effectually lead to Bronchial Consumption, but a timely use of Dr. Sweetser's Panacea will effectually cure it.

Inflammation of the Tonsils or Sore Throat.—This disease often leads to serious consequences from neglect, such as ulceration of the throat. On the first symptoms, Dr. Sweetser's Panacea should be procured and used freely.

Coughs and Colds find a sovereign remedy in Dr. Sweetser's Panacea.

Pneumonia Notha.—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it.—Dr. Sweetser's Panacea should be used on the first symptoms, which are a cough or cold.

Night Sweats.—This debilitating complaint will meet with a timely check, by using Dr. Sweetser's Panacea.

Consumption.—If on the first appearance of consumptive symptoms, which are a pain in the side and breast, cough or spitting of blood, if Dr. Sweetser's Panacea is freely used, no danger need be apprehended.

When the Lungs, the Windpipe, or Bronchial Tubes become clogged up with phlegm so as to impede respiration or breathing, Dr. Sweetser's Panacea, which is a powerful Expectorant, should be taken according to the directions.

Influenza.—This distressing epidemic, so prevalent in our climate, is speedily cured by Dr. Sweetser's Panacea.

HOWE'S HYGEIAN HOARHOUND & LIVERwort Cough Candy is offered to the public as a pleasant and effective remedy for coughs, colds, hoarseness, Asthma, Phthisic, Whooping Cough, Influenza, Croup, Sore Throat, Bronchitis, and general affections of the Chest and Lungs. In such cases it is known to have afforded decided and permanent relief, and from its rapid sale and great success as a remedy for the above diseases where it has been used, it promises to become one of the most useful and popular medicines. It is offered also, as a pleasant relief to the consumptive, and an assistant to vocalists and public speakers generally.

The name of the preparation indicates its leading ingredient, and it will be found to be by no means unpleasant to the taste, and may be used by children and adults with entire impunity. The materials used in the preparation are of the best quality, and it may be relied on as in every respect a pure and genuine article. Families would no doubt promote their comfort and health by keeping a supply, especially in the season of Colds.

This valuable Cough Candy is considered a great assistant to Mothers; being superior to all the patent Baby Jumpers in creation, as children were never known to cry when this candy is used, except for more. A trial of this article will convince any person of its sweetness, and the proprietors therefore defy any person in the United States to produce a cheaper, more pleasant, or effective remedy.

Scratch! Scratch!!

TETTER, ITCH, SALT, RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that Dr LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be completely carried off from the system by Dr Leidy's blood pills, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

Dr. W. P. Inland's Premium Plaster.

DR. W. P. INLAND, of the Medical College of Philadelphia, now offers to the public his Indian Vegetable Premium Plaster, the qualities of which, after long and tried experience, has been satisfactorily established. To all women who may be afflicted with Prolapsus Uteria or Fallen Womb, he recommends his plaster, guaranteeing a sure and speedy cure in the short space of from two to three weeks, if applied with care and rest—discarding all the countless instruments and expensive bandages so long in use. This he feels conscientious in stating, inasmuch as he has not failed in one case out of three hundred and fifty-three patients.

Also for Rheumatism and Weak Breast or Back, attended with pain, there is nothing to excel this Plaster in affording relief or effecting a cure. For sale by

NEVER permit any one to palm off upon you the various worthless mixtures prepared by men who, ignorant of the virtues of medicines, and unacquainted with the principles of compounding them, seek only to fill their pockets with unlawful gain. B. A. Fahnestock's Vermifuge has for many years been known to the public as a destroyer of worms, and as such, has always maintained the highest reputation, and has been considered by the people as the only medicine that will certainly expel worms. If they exist in the system, they are brought out without fail. None are genuine, unless the name of B. A. Fahnestock, Pittsburgh, Pa. is on the wrappers. my21

TENIA, OR TAPE WORMS, frequently infest the intestines of the adult. They are often of enormous size and length, causing great pain and tenderness in the stomach. The general health becomes deranged, the system enfeebled, and the symptoms are continually aggravating, until relief or death terminates the sufferings. B A Fahnestock's Vermifuge, prepared at Pittsburgh, Pa., is the best remedy in this case. The worm, after being destroyed, will be discharged in detached portions, and a speedy relief will be obtained. my11

SELLER'S VERMIFUGE.—The greatest of all Worm medicines! New Lisbon, Ohio, Jan. 6, 1843.

This is to certify that after using different preparations for expelling worms, I bought of C. F. Helman, of New Lisbon, two vials of R E Sellers' Vermifuge, and gave the contents of one vial to three of my children. From the first, aged 6 years, it expelled 45 worms; from the second, 8½ years old, 70; and from the third, 3½ years old, 110; making 225 worms expelled by using but one vial. I recommend Sellers' Vermifuge as a safe and one of the most effectual Worm medicines before the public. HUGH MOSSOW.

These, if neglected, are but the precursors of that fell destroyer,

COSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,

Passenger and Remittance Office.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emmigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £1000, payable at any of the provincial Banks in Ireland, England, Scotland and Wales.

IMPORTANT TO THE LADIES—Chinese Hair Cream, a matchless article for the Growth, Beauty and Restoration of the Hair. This Cream, when once known, will supercede all other articles of the kind now used. When the hair is dead, harsh, thin, unhealthy, or turning grey, a few applications will make the hair soft and dark, and give it a beautiful lively appearance; and will also make it retain its liveliness and healthy color twice as long as all the preparations which are generally used. Every lady and gentleman who are in the habit of using oils on their hair, should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like those other preparations, but will beautify it, and give perfect satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from Rev. Mr. Caldwell, to Messrs. Hendershott & Stretch, Nashville, General Agents for the Western States:

Letter from the Rev. R. Caldwell, pastor of the Presbyterian Church, Pulaski.

Messrs. Hendershott & Stretch—Gentlemen: I take pleasure in adding my testimony in favor of the excellent preparation called Dr. Parish's Chinese Hair Cream—for about two years ago, my hair was very dry, brittly, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, my hair is now soft, elastic and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before.—This Cream, however, has met my expectations.

As an article for the Toilet, my wife gives it preference over all others, being delicately perfumed, and not disposed to rancidity. The ladies especially will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c.,
Pulaski, Jan. 7, 1847. R. CALDWELL.

MORGAN'S COUGH SYRUP—It proved to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 3 1847.

COUGH SYRUP.—We are not in the habit of puffing, much less taking patent medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and by it relief was obtained in a few hours. It proved to be the panacea in this case at least.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, green or dry, that cannot be extracted with Hott's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, now stands unrivalled in this country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c, without injuring anything that pure water will not injure. More than one thousand persons in different parts of the country have told me they would not be without it, if it cost one dollar per cake. In trying this Soap on more than 200 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calico, on which it changed the color; therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend it any stronger than I know to be strictly true. N H HOTT.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847.

R. E. SELLERS:—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsful of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World. WM. FAIRBOCANE,

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

MEDICAL.

CONSUMPTION,
Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint, and Diseased Kidneys, are radically cured by
Dr. Swayne's Compound Syrup of Wild Cherry.

It is mild and pleasant to the taste, perfectly safe and harmless in its operations, and yet it is one of the most powerful and certain remedies for Consumption of the Lungs, Coughs, Colds, Asthma, Spitting Blood, Liver Complaint, Pains in the Side or Breast, and general Debility of the Constitution, that was ever invented by the skill of man for the relief of the afflicted public. Certificates and evidences of its wonderful curative powers are daily received from all quarters. It is impossible to conceive the aggregate of suffering and misery that has been relieved or banished by it; nor can we calculate the immense benefit that shall accrue from it hereafter. All ages, sexes, and constitutions are alike affected by it, and the disease is eradicated from the system, the constitution repaired, and health restored by the use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. How many sufferers do we daily behold approaching to an untimely grave, wrested, in the bloom of youth, from their relatives and friends, afflicted with that fatal malady, CONSUMPTION, which wastes the miserable sufferer until he is beyond the power of human skill. If such sufferers would only make a trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves sooner relieved than by gulping the various ineffective remedies with which our newspapers abound; this 'Vegetable Remedy' heals the ulcerated lungs, stopping profuse night sweats, at the same time inducing a natural and healthy expectoration, and the patient will soon find himself in the enjoyment of comfortable health. The public should bear in mind that Dr. Swayne is a regular practising physician, and has had years of experience in diseases of the Lungs, Chest, &c. The (original and only) genuine article is only prepared DR. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

ANOTHER HOME CERTIFICATE.

Of all the cures that has ever been recorded, we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of consumption, even when life had been despaired of. Dr. Swayne's Compound Syrup of Wild Cherry is all it professes to be, the greatest medicine in the known world.

The True Riches of Life is Health.

DR. SWAYNE—Dear Sir,—For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every body ought to know it. I was afflicted with a violent cough, spitting of blood, night sweats, hoarseness, and sound of the voice indicating an alarming state of the disease; my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, who was my anxious care-taker, made inquiry where she would be likely to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. Your medicine was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixth bottle, my cough had left me and my strength was much improved. In short, it has made a perfect cure of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case. I M REEVES,

CAUTION! CAUTION!!

Consumptives, Read! Read!! Dr. Swayne's Compound Syrup of Wild Cherry.

In about the year 1837, I found it necessary in my professional practice, to compound a medicinal preparation for diseases of the chest and lungs, possessing more powerful healing properties than any other hitherto known for such diseases. In my COMPOUND SYRUP OF WILD CHERRY, I have been very successful. The truly astonishing cures effected by my medicine soon spread its fame abroad; for it owes none of its success to manufactured newspaper puffs or forged certificates—the real intrinsic merits of my compound is the only cause of its popularity. Its extensive sale soon excited the envy of certain speculators in the afflictions of his fellow creatures, so much so that in a few years from the time that my preparation was introduced to the public and in great demand, a firm in this city, finding that my preparation had gained a high reputation for its curative properties, came out with what they called Dr. Wistar's Balsam of Wild Cherry. This respectable and popular physician had no more to do with the article than poor Sam Patch. The name of Dr Wistar is attached to make it appear that this eminent practitioner was the original inventor of the preparation; such is not the fact. The above firm, the real inventor, sold the recipe and right to manufacture to some patent medicine dealers in Cincinnati for the West and South, and another in New York for the East, who afterwards, it is asserted, sold out to a druggist in Boston—so the number of hands into which it may have changed is an enigma.

In some places they assert it emanated from a physician in Philadelphia; in others, from a physician in Massachusetts. So it has falsehood and stratagem stamped in every feature.

There have been a number of other preparations purporting to contain Wild Cherry put out since, from the hands of inexperience, which the public should guard against, as they contain none of the virtues of the original and only genuine preparation, which bears the signature of Dr. Swayne on each bottle. The present manufacturers of their puffs and false certificates have the daring effrontery to caution the public against purchasing my medicine, the only truly genuine and original preparation of Wild Cherry before the public, which is proved satisfactorily by the public records of the Commonwealth of Pennsylvania, as well as various other official documents. DR. H. SWAYNE,
Inventor and sole Proprietor of the genuine Compound Syrup of Wild Cherry, corner of Eighth and Race streets, Philadelphia.

Pamphlets can be obtained gratis, setting forth an array of testimony that will convince the most skeptical of the wonderful virtues of Dr Swayne's Compound Syrup of Wild Cherry. Call and get one, that all may read. Purchase the medicine, and BE CURED.

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, brochitis, difficulty of breating, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative,** which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSIS or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable prepation.—[Sat. SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lilly White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."

SHERMAN'S TOOTH PASTE.
A PREMIUM DENTIFRICE.

THE best article known for cleaning and whitening the Teeth, strengthening the gums, sweetening the breath, &c. It should be used every night with a stiff brush, and the teeth and mouth will only require a slight washing in the morning. Wet the brush with warm water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleaning the teeth. It leaves a delicious taste in the mouth, and imparts a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentrifice. It is warranted not to injure the teeth, but to preserve them.

By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache, strengthen the gums, and prevent all diseases of them. Chemists, physicians, and the clergy recommend it a decidedly superior to every thing of the kind in use.—Ask for Sherman's Compound Orris Tooth Paste, and observe his signature is attached to each pot.

Recommended by Dr. Castle, 332 Broadway, one of our best Dentists, and by most of the old established ones in the United States, and even extensively used by the Nobility of England and France.

A large proportion of the diseases that afflict mankind arise from some derangement of the stomach or bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of bilious habits should always have a box at hand, and take a dose whenever they feel the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R E SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., }
July 19th, 1847. }

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deferred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS

Hydropathy, or the Water Cure.

DOCTOR BENJ. W. MORRIS returns his sincere thanks to the citizens of Pittsburgh and Allegheny city for the very liberal support and encouragement he has received within the last six months. That the Water cure should acquire such celebrity, is neither strange nor mysterious, when it is considered how great a number of cases of every variety of diseases, both acute and chronic, have been cured by a judicious use of it. In Germany, where it originated, six thousand of the worst cases, that were given up by the most skilful physicians of Europe as incurable, were cured by the immortal Priessnitz, the founder of the Water Cure. In England, France and America, thousands of hopeless cases have been cured by it, and the numerous Hydropathic establishments now in successful operation in the United States, speak volumes in favor of the practice.

Dr. Morris having permanently established himself in the city of Pittsburgh, three doors southwest of Irwin's alley, on Penn street, is now prepared to take a number of boarders and treat them at his house, and those who prefer being treated at their own dwellings, will be punctually and faithfully attended. He may be consulted at his office from 1 o'clock till 3 P. M., and from 7 to 10 in the evening.

N. B.—Every variety of baths made use of in the Water cure, both for ladies and gentlemen, can be obtained at the Athenæum, on Liberty street, where they have been recently erected for the express use of Hydropathic patients, and where every attention will be given by the polite and attentive proprietors.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

Purify Your Blood.

MR. O. E. SIBLEY—Dear Sir: Last Spring, and during the previous winter, I was severely afflicted with a scrofulous complaint in my legs, and had been for some months under the care of physicians. They said my case was almost incurable, and they could do but little for me. I was nearly helpless, but with the aid of crutches could with difficulty get about. In May last, I purchased of you, and commenced using BANTOL'S SARSAPARILLA. After the use of two bottles, the sores commenced healing, and I laid aside my crutches, using only a cane. I dispensed with my cane, and at the end of the fourth, was so well as to assist all day in shearing sheep. In all, I used five bottles. The scrofula and sores have all healed up, and since last summer I have seen no appearance of the disease, but have continued, and am now, in the most perfect health. I state with confidence, hoping that others may be benefitted in the same way, that the Sarsaparilla sold by you, has been the means and the only means of effecting the cure. CORNELIUS J. ROSE.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.
