MEDICAL.

TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,

AND TO EVERY

Mother, Wife and Daughter

IN THE UNITED STATES.—The subscriber respectfully calls your attention to Dr. BARRETT'S GUARDIAN, expressly intended for the preservation of the health of both sexes—whether it arises from incipient Phthisis, or early consumption, Debility of the Lungs, Bronchial Affections, Asthma, Pleurisy, Deranged and Disordered state of the Liver, Spleen, or Kidneys, Diseased Spine, Cholic, Dyspepsia, Palpitation of the Heart, Loss of Muscular or Nervous Power, &c. &c.

DR. G. B. BARRETT'S GUARDIAN comes to the immediate relief of Females suffering from Irregularities, and all other Uterine difficulties and diseases incidental to woman, whether occasioned by cold, wet feet, or any similar injudicious exposure, and all this without the use of medicine; as the most delicate and sensitive lady can at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the certainty of obtaining immediate relief.

Dr. Barrett's Guardian is no catch-penny, or one of the many humbugs of the day; but it is an instrument made upon strict scientific principles, in accordance with the laws of Electricity and Galvanism; and for neatness, durability and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened men of the day, is pronounced to be "the greatest discovery of the age."

A period of no less than four years has been occupied by Dr. Barrett in bringing the Guardian to its present state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect success, and who have cheerfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Manual of Instructions accompanying it.

Dr. C. B. Barrett's Guardian is secured from innovations by a patent from the United States Patent Office, and be had either with or without his Medico-Electro Galvanometer.

The Medico-Electro Galvanometer, in point of beauty, workmanship, durability and efficacy, cannot be surpassed or even equalled, and the subscriber feels that he hazards nothing in the assertion that it will be found the most powerful and effective agent in the treatment and removal of diseases, by Galvanism and Electricity, than any other instrument, either in the United States or Europe. The Medico-Electro Galvanometer is warranted in every respect, and with common ordinary care will last a life-time, and is by far the cheapest, because the best, instrument ever offered to the public. A manual accompanies them, giving the most ample instructions, of practical experience, so that it is readily intelligible to the mind of every one, while the ease and facility of arrangement is such that a child may manage it with it.

Any information granthdly given, and all communications cheerfully answered per mail, either in relation to the Electro-Galvanometer or Guardian.

Medical men are invited to call and examine Dr Barrett's Guardian, and test its efficacy.

During this period it has performed many of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approbation of thousands, in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.

About four years since I was attacked with Typhus Fever, which left me in a consumptive state of health, in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any effect, and despaired of ever obtaining a recovery of my former health. But some time last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naptha, from which I experienced great benefit, my health being now good; and I cheerfully recommend the use of this Compound, which may be suffering with general debility, with symptoms of a decline.

In such cases it is known to have afforded decided and permanent relief, and from its rapid sale and great success as a remedy for the above diseases where it has been used, it promises to become one of the most useful and popular medicines. Scratch! Scratch!!

TETTER, ITCH, SALT, RHEUM, &c.—Who would for a single day suffer themselves afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

Tis humble to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake) when in company. Dr. LEDYE'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leddy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leddy. Most powerful, and yet mild, Cathartic Pills are Dr. Leddy's Tetter and Itch ointment, unless the whole system is purged of the diseased humors which will be completely carried off from the system by Dr. Leddy's blood pills, and the surface of the skin healed by the ointment. NEVER permit any one to palm off upon you the various worthless mixtures prepared by men who, ignorant of the virtues of medicines, and unacquainted with the principles of compounding them, seek only to fill their pockets with unlawful gain. B. A. Fahnestock's Vermifuge has for many years been known to the public as a destroyer of worms, and as such, has always maintained the highest reputation, and has been considered by the people as the only medicine that will certainly expel worms. If they exist in the system, they are brought out without fail. None are genuine, unless the name of B. A. Fahnestock, Pittsburgh, Pa. is on the wrappers. my21

TENIA, OR TAPE WORMS, frequently infest the intestines of the adult. They are often of enormous size and length, causing great pain and tenderness in the stomach. The general health becomes deranged, the system enfeebled, and the symptoms are continually aggravating, until relief or death terminates the sufferings. B A Fahnestock's Vermifuge, prepared at Pittsburgh, Pa., is the best remedy in this case. The worm, after being destroyed, will be discharged in detached portions, and a speedy relief will be obtained. my11

This is to certify that after using different preparations for expelling worms, I bought of C. F. Heiman, of New Lisbon, two vials of S E Sellers' Vermifuge, and gave the contents of one vial to three of my children. From the first, aged 6 years, it expelled 45 worms; from the second, 9 years old, 70; and from the third, 3½ years old, 16; making 265 worms expelled by using one vial. I recommend Sellers' Vermifuge as a safe and one of the most effectual Worm medicines before the public. HIRAM MORROW.

MEDICAL.

DR. TOWNSEND'S COMPOUND EXTRACT OF

SARSAPARILLA

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World! *This Extract is put up in Quart Bottles: it is sixtimes cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES

Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood*: a power possessed by no other medicine. And to this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently; To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, languidness, lassitude, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Disease and Strength. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Cough, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING BLOOD.

—New York, April 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly emaciated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I also had a humor all over the skin, I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,

WM. RUSSELL, 65 Catherine st.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Falling of the Womb, Gratefulness, Pilles, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or bedwetting, disease of the neck of the Bladder, Gravel, Inflammation of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and languishing, from taking it at once become vigorous and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be recommended in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been produced in Philadelphia of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been specially prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period is to do so *long for several years by using this medicine.* Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It invigorates the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent reaction, which is the cause of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attending upon child birth even in cases of the most severe both to the mother and child, prevents pain and disease, increases and enriches the food, those who have used it, think it is indispensable. It is highly useful before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Pain, Cramps, Rising of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use & most successfully, may for years continue to take this medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and speedy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own proprietor. It is the "human face Divine," as well as the garden of the "human face Divine," as well as the garden of the flowers, and bestows a clear and healthy circulation of the fluids, or the free, active and healthy circulation of the blood to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the brilliancy to the shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of *powder or soap.* If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

That is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the cities, who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they would recover their lost beauty, their sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station, crowd our office daily.

Notice to the Ladies.

Those that insist on Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Pimples, &c., &c.*, and have copied our bills and circulars which relates to the complaints of women, and palmed off—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended it for them, and erroneously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease and undermine the constitution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the greatest advantages, as it invigorates the system and prevents pain or danger, and strengthens both mother and child.—Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

Three Children.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your Sarsaparilla. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully,

ISAAC W. CRAIN, 106 Wooster st.

SELLER'S IMPERIAL COUGH SYRUP—It has been tried by time! Pittsburgh, Feb. 14, 1847.

R E SELLERS—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she has used different cough remedies and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonful of Syrup always subdues it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World. Seventh Ward, city of Pittsburgh.

The above certificate should induce all who are troubled with a cough or asthma, to try the Syrup a trial. It may be had for 25 cents a bottle, at the drug store of R E SELLERS, 57 Wood st.

Sold by Dr Cassel, 5th ward, and D H Curry, Allegheny city. jan8
