The President of Select Council announced Mr. Bingham to be the duly elected Mayor of Pittsburgh.

About half-past eleven the Mayor elect, accompanied by Mayor Volz, entered the Chamber.

Shortly afterwards Judge M'Clure arrived with the Committee, when he proceeded to administer the oath prescribed.

After receiving the salutations of Judge McClure and the Presidents of Councils, the Mayor elect said:

Very unexpectedly, and unsolicited, he had been pulled from private life to take upon him the duties of the office of Mayor. As he was almost entirely unacquainted with these duties, it would be out of place for him now to say what he would or would not do during his administration. But he might be permitted to say that he would endeavor to discharge, as far as his knowledge enabled him and to the best of his ability, the duties devolving upon him. He would be always pleased to co-operate with the Councils in their deliberations upon the best interests of our growing and prosperous city. He hoped those errors that he might commit, for it was human to err, would be considered errors of the head and not of the heart.

His Honor concluded by announcing the following appointments:

Mayor's Clerk.—Richard Beeson, Esq.
High Constable.—B. F. King.

His other appointments will be announced in a short time.

The Select Council then retired to their chamber.

In the Common Council, upon suggestion of the Chairman, it was resolved that the Committees of Finance and Claims and Accounts be filled in the discretion of the Presidents of S. & C. C., without reference to the residence of the gentlemen appointed. Concurred in by S. C.

On motion of Mr. Errett, it was resolved that when the Councils adjourn, they do so to meet on Tuesday morning at ten o'clock, to elect city officers. Concurred in by S. C.

Mr. Samuel McKelvey moved that the Committee to vote the stock owned by the city in the Pittsburgh and Steubenville Railroad, be instructed to vote for a Board, who will dispense with selected officers until active operations are resumed. Read three times and adopted. Concurred in by S. C.

The members proceeded to select their seats by lot. After which on motion they adjourned.

Organization of Allegheny Councils.

MAYOR ADAMS SWORN IN.

The Select and Common Councils of Allegheny, met at ten o'clock on Friday morning, in joint convention, in the Select Council Chamber. Gen. Wm. Robinson, Jr., in the Chair.

After the result of the elections had been announced, the customary oath of office was administered by R. H. Davis, Esq., to the following members elect:

Select Council.—First Ward: C. H. Paulson, Second Ward; Robert Ashworth. Third Ward: Wm. Walker. Fourth Ward: James Marshall and Jacob Painter (the latter elected to fill a vacancy.)

Common Council.—First Ward: John Atwell, Simson Bulford, David Neas, James McCandless. Second Ward: Jacob Stuckrath, W. W. Martin, Columbus Coleman, R. P. Smith. Third Ward: Nicholas Voeghtly, Jr., John U. Barr, John Swan, Stewart Robertson. Fourth Ward: George L. Robinson, John Connolly, Joseph Fisher, George Cupps.

Mr. Davis then administered the oath of office to Hon. William Adams, Mayor elect.—His Honor remarked that he felt like saying a good deal, but he was no speech-maker. He would only say that it would be his end and aim to execute faithfully the solemn obligations which he had just taken. He would make no further promise, leaving his future course to be judged of by his acts.

The members of the Common Council then retired to their chamber.

The Select Council was organized by appointing Gen. William Robinson, Jr., President, by acclamation. The General took occasion, in a few remarks, to thank the members of the Select, for this renewed mark of their esteem and confidence, and hoped he would be able to discharge his duties as chairman during the coming year, with the same satisfaction as the vote of thanks indicated he had given during the year just closed.

On motion, Mr. David MacFerron was re-elected Clerk of the Select, by acclamation; and Mr. Augustus Husselbaugh was continued as Messenger.

The Common Council organized by choosing Mr. John Atwell President. Upon taking the chair he thanked the members for the honor conferred, and hoped that he would be able to discharge the duties of chairman in such a manner as to give no one cause for one moment to feel that the trust thus confided to him had been abused.

Mr. M. McConnigle was continued as Clerk, and Mr. Husselbaugh as Messenger.

Both branches adjourned to meet on Tuesday evening, at six o'clock, to elect a Treasurer, and other city officers.

COURT OF OYER AND TERMINER AND QUARTER SESSIONS.—Before Judge McClure and Associates.

In the case of Com. vs Allen Cordell and Marshall M'Combs, indictment assault and battery. The Jury yesterday, returned a verdict of Guilty. The Court sentenced the defendants to pay a fine of 6¼ cents, and the cost of prosecution.

Com. vs Hiram Richards; indictment, passing counterfeit money. The prosecutor is a Confectioner, Fifth street, named William H. Howe. The Commonwealth were not able to prove a guilty knowledge, and the defendant was accordingly acquitted.

The next case taken up was one not fit for publication.

MASS MEETING.—The friends of Temperance held a mass meeting at City Hall last evening.—Samuel Morrow, Esq., was called to the Chair. Rev. Dr. Presley, Rev. Dr. Rodgers, Rev. A. M. Bryan, Capt. E. F. Pratt and others were chosen Vice Presidents. Secretary, J. Herron Foster. The meeting was addressed by Rev. A. M. Bryan and Dr. M'Candless. A collection was taken up to aid the League in prosecuting suits against liquor dealers. The number in attendance was not very large.

BUFF'S MERCANTILE COLLEGE, PITTSBURGH.—The new diplomas of this institution just engraved by Scrutman, after Williams' splendid style of penmanship, is probably the most beautiful, costly and elegant engraving of the kind in the country. Every young man who aspires to rank as a first class accountant, will be proud of possessing, in such an elegant form, this testimonial of his ability.

THE Courts will meet to-day to hear arguments, motions, &c.

In the Oyer and Terminer, Russell, the negro, will probably receive sentence. We understand, also, that the motion for a new trial in the case of Leverton Thomas, convicted of Forgery, will be argued by the counsel engaged in the case.

RAILROAD ACCIDENT.—The fast train coming west, on the Pennsylvania Railroad yesterday morning was thrown of the track, near Stewart's Station, about fifteen miles distant from the city. The baggage car was badly damaged, but none of the passengers were injured.

The accident occurred through the breaking of one of the rails, caused by the frost.

The attention of the Trade is invited to the extensive sale, this morning, at 10 o'clock, of winter clothing, broadcloths and cassimeres, at Davis' auction rooms, corner of Wood and Fifth streets.

NAWA.—The city was barren of news yesterday, with the exception of the ceremonies attendant upon the organization of the new Councils and inauguration of the Mayor elect.

DISTRICT COURT.—Before Judge Hampton. The case on trial on Wednesday—Frank vs. Cash Mutual Insurance Company, was resumed and occupied the entire day, yesterday.

EXPLOSION.—On Thursday last a boiler in the foundry of Mr. R. W. Cunningham, New Castle, exploded, damaging the property in the immediate vicinity, but fortunately not injuring any person.

WATCH STOLEN.—A young man from Cincinnati had his pocket picked of a valuable timepiece, on Thursday night in the Diamond.

St. Andrews Church will be open hereafter every Sunday for divine service at 10½ and 3 o'clock.

CONGRESSIONAL.

WASHINGTON CITY, Jan. 11.—The Senate was not in session.

HOUSE.—Mr. Seed withdew his resolution heretofore offered by him calling Mr. Orr to the Chair until a Speaker be elected, believing that, as the House refused on Wednesday to order the main question, that it could not be adopted.—The House then resumed balloting for Speaker. 106th ballot. Banks 98; Fuller 82; Richardson 70; Pennington 7; Scattering 5. Whole number 218; necessary to a choice 107.

Mr. Zollicoffer offered a Resolution declaring that in conformity with the fundamental principles of this great and popular government, it is the duty of all the candidates for political positions, fully and frankly to state their opinions on the important political questions involved in their election, especially when interrogated by the electors whose votes they are seeking. Mr. Zollicoffer's object was to elicit certain replies from Mr. Richardson on the Slavery question, which Mr. Richardson declared himself ready now to answer.

A long debate arose involving the propriety of the passage of the Resolution, after which it was adopted, yeas 155, nays 88. This opens a wide field for discussion to-morrow.

The House then adjourned.

SYRACUSE, N. Y. Jan. 11.—The Soft Shell State Convention re-assembled to-day when the Committee reported a series of resolutions denouncing the slavery agitation, condemning the Republican movement, approving the principles of the Kansas Nebraska Bill and endorsing resolutions touching that bill, adopted by a caucus of Democratic members of Congress, Dec. 1st, 1855, expressing regret at the death of its old antagonist, the Whig party; and unreservedly endorsing the administration of General Pierce, in all his measures.

MILWAUKEE, Jan. 11.—The Legislature organized yesterday: Lieut. Governor McArthur, President of the Senate. The Senate elected Byron Hayne (Republican,) Clerk. The House elected Wm. Hall, Democrat, of Grant Co., Speaker; Judge Armstrong, (Dem.,) of Janesville, Clerk. Coles Bashford to-day demanded possession of the Executive office from Ex-Governor Barstow; the latter declined and the case is before the Supreme Court.

WASHINGTON-CITY, Jan. 11.—The Supreme Court this morning sustained the claim of Pearson Breeding to an extensive ranch in Buna Ventura, California, thus affirming the principal established in the Tremont case. ALTOON, Ill. Jan. 11.—The freight train of the Terre Haute and Alton Railroad ran off the track, yesterday morning. Five persons were instantly killed, viz:—King, the engineer; Wesley Davis, fireman; John Morrison of Dunkirk, N. Y., and Messrs. Bates and Drake of Decatur, Illinois.

RIVER NEWS.

We learn that dispatches have been received in the city by the insurance offices interested, that the steamer Empire City, lately sunk in the Mississippi, has been raised. The steamer Madison, from Louisville to New Orleans, was burned on the 4th, in Diamond Bend, well and cargo a total loss. Insured at Cincinnati for $13,000. No lives lost.

The Salmon, as she was leaving New Albany for New Orleans last Friday, burst one of her steam pipes scalding one of the assistant engineers dreadfully.

On Tuesday last, a coal barge belonging to the Hewes line was cast ashore by ice from the mouth of Deer Creek, Cincinnati; another belonging to Capt. Blackmore, had a hole knocked in her.

THE ILLINOIS CENTRAL RAILROAD COMPANY
IS NOW PREPARED TO SELL
OVER TWO MILLIONS OF ACRES OF SELECTED
PRAIRIE, FARM AND WOOD LANDS,
In Tracts of 40 Acres and Upwards,
To suit purchasers, on long credits and at low rates of interest.

Thirty years granted by the Government to encourage the settlement of the Prairies, have proved the wisdom of the measure. The rapid increase and growth of flourishing towns and villages along the line of this road, afford conclusive evidence of the fact. Farm products, usually pays the cost of ploughing and sowing the ground, while the farmer has the entire crop of wheat, or two crops of corn, to pay for the land. Farmers who have settled upon these lands, have in a few years, usually paid the cost of ploughing and sowing the ground, while the farmer has the entire crop of wheat, or two crops of corn, to pay for the land. Farmers who have settled upon these lands, have in a few years, usually paid the cost of ploughing and sowing the ground, while the farmer has the entire crop of wheat, or two crops of corn will pay for the land. One man with a plow and two yoke of oxen will break and sow a half to two acres per day. Farmers can be from markets, and still have a profit on wheat, at $1 to $2,50 per acre. By judicious management farmers can be from market, and still have a profit on a high state of cultivation the second year.

The Illinois Central Railroad traverses the State of Illinois, over high prairie lands in the Eastern and Middle States, is known to be more than sufficient for the business of the country, and transportation to the Eastern market. The rapid increase and growth of flourishing towns and villages along the line of this road, afford conclusive evidence of the fact. Farm products, usually pays the cost of ploughing and sowing the ground, while the farmer has the entire crop of wheat, or two crops of corn, to pay for the land.

Good and wood are delivered along the road at different points, at from $1,50 to $2 the cord or ton.

Parties having in view to move West, can find in Kansas, Nebraska or Minnesota for their future homes, should take into consideration that the country west of the Mississippi is destitute of timber, and that the expense of transporting fuel and produce from farms on the line of the Illinois Central Railroad, will be more than sufficient to pay the interest of their to pay the investment at from $10 to $40 per acre higher than on a prairie farm, in Illinois. In other words, that it costs so much more to get produce from the interior of the country west of the Mississippi to the Eastern market, that the farmer will find it much more profitable to locate on the line of the railroad.

PRICE AND TERMS OF PAYMENT.

The price will vary from $5 to $20, according to location, quality, &c. Contracts for sale have been made for the last year 1854, stipulating the purchase money to be paid in five annual installments. One fifth to be paid down, and the remaining four years from date of contract, the others annually thereafter, at the rate of interest of 6 per cent, from date to the end of the sixth year from date of contract.

By the 22d section of the Act of the Legislature, approved 10th February, 1851, the lands were to be exempt from taxation until they are paid for, and a deed of conveyance granted by the Company.

INTEREST WILL BE CHARGED ON ONLY TWO PER CENT PERMANENT.

As a security for the payment of the purchase money, the first two years' interest must be paid in advance, but it may be applied on the last payment. The large quantity of land yearly to be brought under cultivation. Long or credit at six per cent, per annum may be negotiated by responsible parties, at a discount of two per cent, the balance will be deducted for cash.

Drafts payable at the Company's office in Chicago, will be cashed at the office of the Company, No. 51 Michigan av., Chicago.
