HARMONIUMS
AND
MELODEONS.

HKLEBER & BRO., have received for sale lot of the above instruments which they warrant equal if not superior to any others made.

Harmoniums with 5 stops made by SCHMIDTS, Stuttgard, Germany.

Harmoniums with 3 stops by Trayser & Co., Stuttgard.

These instruments have been examined by the Professors and amateurs of the two cities, who pronounce them, point of volume and sweetness of tone, fully equal to any Small Church or parlor organ. The trembles are so beautiful that a child of eight years can play them.

MELODEONS MADE BY GARHART & NEEDHAM.

It is almost superfluous to say anything in their favor. The entire patronage of GARHART is the original designer of the Melodeon and the superiority of his instruments has never been questioned. They receive orders for them from all parts of the world. One of their last and most important improvements is the DOUBLE SWELL, which while it enriches the tone affords the player greater variety of effects. Purchasers are requested to examine and convince themselves of the superiority of the above, which will be sold on the most reasonable terms by KLEBER & Bro., No. 33, Fifth Street.

P. S. Fresh stock of HUNTS & CLARK'S and other Pianos on the way. ja22
