The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to

DEMAREST'S MONTHLY,
a magazine of practical utility in the house, a mirror of the fashion, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the leading parlor magazine of America.
The engraving, 2 1/2 inches, is from the original painting, entitled, "The Pic-Nic on the Fourth of July."
The picture took a whole year, and is considered the finest of the entire line of numerous popular productions by L. M. Demarest. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel Dalpin, and Samuel Bellinger. The last named having been induced to come from Europe to finish it. The engraving has only recently been successful in the market. Numerous artists and daily engravers have been invited on this engraving. The general effect is very fine and the engraving is the delicate finish to the work will be the most minute imperfection. The value of the work and their skillful combination has greatly contributed to the success of the engraving in this unsurpassed proof of their genius.
They work on the engraving alone cost over seven thousand dollars, besides the cost of the copyright, and acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.
Fine copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

DEMAREST'S MONTHLY MAGAZINE.
Yearly subscriptions only Three Dollars, and ten cents which is to be sent with the subscription, for the postage on the magazine which will be mailed separately down upon a roller.
This is certainly the largest, most liberal and splendid premium ever offered to single subscribers by any publisher, and affords an easy and economical way for any one to secure an elegant work of art in a Parlor Picture that is only next to a painting in the way of ornamentation, and a perpetual reminder of a day which ought to be cherished and held in remembrance by every true American.
The reception of this magnificent picture will take every one by surprise and we do not venture anything in saying that \$10 will not procure another that combines so much of interest and beauty.
Specimens of the Magazine, with circulars, giving full particulars, will be sent to any given address, post free on receipt of 15 cents.

DR. SAGE'S CATARRH REMEDY.
This medicine does not, like the poisonous irritating fluids and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs as there is danger of doing in the use of such nostrums, but it produces perfect and permanent cures of the worst cases of Chronic Catarrh, as thousands can testify. Cold in the head is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It restores offensive breath, loss of impairment of the sense of taste, smothering hearing, watering or weak eyes, and impaired memory, when caused by the violence of Catarrh, as they frequently are. It effect in good faith a standing reward of \$500 for a case of Catarrh that I cannot cure.
For sale by most druggists everywhere Price only 50 cents.
Ask your druggist for the remedy; but if he has not yet got it on sale, don't put it off by accepting any miserable worse than worthless substitute, but enclose sixty cents to me, and the remedy will be sent you postpaid. Four packages \$2, or one dozen for \$2. Send a two cent stamp for Dr. Sage's pamphlet on Catarrh. Address the proprietor,
