PITTSBURGH:
THURSDAY MORNING, JUNE 19, 1856.

COUNCILS.—A special meeting of Councils was held last evening, June 18, upon call by telegraphic dispatch from the Chairman of C.C., who is in Philadelphia.

Common Council—Mr. M'Clintock in the chair.

Members present—Messrs. Bennett, Brown, Dalzell, Evans, Fitzsimmons, Glenn, Griffen, Hill, Irwin, Kammerer, Kim, Kelly, Lare, Layton, Little, McAdams, M'Clintock, McKelvey, Quinn, and Scott.

The minutes were read and approved.

The object of the special meeting being under discussion in the Select Council a recess was taken.

A motion to adjourn was made and lost.

After the re-assembling of the Council, Mr. Lare offered the following:

Resolved, That Councils hereby sanction the amendment of the proposed lease of the Pittsburgh and Steubenville Railroad by the addition of the following proviso to the section requiring the lessees to complete the connexion between the Penna. Railroad and the Steubenville and Indiana Railroad within eighteen months, viz:

"Provided, That the city of Pittsburgh shall, within twelve months, grant to said company the right of way, and such facilities for connecting with the Penna. Railroad Company, as may be necessary for that purpose, under such reasonable restrictions as have or may be applied to other railroads in said city."

Mr. Lare withdrew his resolution for the present.

An ordinance from the S. C., granting the right of way to the Steubenville Railroad into the city by the way of Try street and Watson street, to curve into the Pa. Canal and Tunnel, to the Pa. Railroad, with necessary turn-outs, to conform to the grades of the streets, the city having the right to grant the same to other Companies to lay their tracks along said Canal, the grant to convey no further right than is possessed by the city—and all property of said railroad in this city to be taxed as other property.

Mr. Lare offered his motion recorded above as a substitute—and moved that it be considered read three times and passed.

The ayes and nays were called.

Ayes—Dickson, Irwin, Kammerer, Lare, Layton, McKelvy, 6.

Nays—Bennett, Brown, Dalzell, Evans, Fitzsimmons, Glenn, Griffin, Hill, Kim, Kelly, Little, McAdams, M'Clintock, Quinn, 14. Lost.

Mr. M'Adams moved to concur with the S. C.

The City Regulator, by leave of council, gave a statement as to the condition of the streets and property to be effected by a right of way.

The motion to concur was carried.

A resolution relative to ordinance imposing a penalty for the violation of the provisions of an ordinance relative to right of way to Pa. Railroad on Liberty street, which in S. C. was read and referred to committee on ordinances, was read and action concurred in.

On motion adjourned.

Select Council assembled, present, Alexander, Clarke, Dunn, Galway, Jones, Murdock, McCutcheon, Smith, Varnum, Wade, Weaver and President. R. E. McGowin, Secretary *pro tem.*

Reading of minutes dispensed with.

Wm. Jones presented an ordinance granting certain privileges to the Pittsburgh and Steubenville Rail Road Company.

The ordinance was read a first and second time.

The words "single or double" were inserted by motion.

Mr. Murdock moved that a tonage tax of 5 cents be assessed on all goods that may traverse the route hereby granted, seconded by Mr. Dunn. Lost.

A motion was made and carried that all real estate that may be now held or hereafter acquired by said company in the city shall be subject to be taxed as other real estate in said city.

The Ordinance was read a third time and finally passed by a unanimous vote.

A Resolution was adopted instructing Ordinance Committee to report an ordinance imposing a penalty for violation of the provisions of the ordinance granting to the Penn's. Rail Road Company the privilege of laying rails on Liberty street.

On motion adjourned.

WARREN'S COMPOSITION ROOFING.—This roofing was introduced here last Summer, and has stood the severe test of the past winter, giving general satisfaction. Quite a number of new buildings were covered with it last season, and many old roofs renewed. Its perfectly water tight and fire proof properties just answer the purpose for which it is used. It is adapted to all kinds of buildings, and steep roofs, as well as flat are made perfectly good. Nearly all the Railroads centering in Philadelphia largely patronize this roofing. The Penna. R. R. Co., have it on their new Depots both in Philadelphia and in this city. Large manufactories are particularly interested in this matter and undoubtedly appreciate their present opportunities of securing good roofs at a low price. It is said to be equally as durable as any other roofing now in use, and afforded at half the price of tin, and about the same as shingles. Those who are building or who have leaky roofs of any kind may find it to their advantage to call on the Messrs. Warren for further information. Their office is 24, Fifth street opposite Mason's.

VALUABLE PROPERTY FOR SALE.—Our readers are referred to the advertisement in another column, headed "Valuable Property for Sale." The property referred to is located on the south side of the Ohio & Pennsylvania Railroad, at the own of Columbiana, Ohio, and contains one hundred acres of land, with a two story house, cistern and well at the door, a number of outhouses, young orchard, &c. The advertiser also offers for sale twenty-five acres on the north side of the Railroad, including thirty town lots. Property in this locality is always rising in value, as it is of easy access by railroad. Further particulars may be obtained by application to Mr. M. A. Todd, on the premises.

LARCENY.—Mrs. Mary E. Davidson, of St. Clair street, was arrested and taken before Mayor Adams, yesterday, on a charge of Larceny. Mrs. Lydia Andrews, military, Federal street, Allegheny, being sworn, deposed that one day last week, the accused entered her store and examined a number of bonnets, when she picked up $19 worth of bonnets, and went off with them, though she was commanded not to do so. Alderman Donaldson went security for the appearance of the accused at Court to answer the charge, and she was thereupon released from custody.

THE FAIR.—A pleasanter place than City Hall is at present, could not be desired. The air is cool, and scented with delightful odors, while an endless variety of the most beautiful flowers greet the eye in every direction. From the most poetical to the common places of life—potatoes, cabbage, beets, turnips, rhubarb—all are in the largest scale. Our citizens should avail themselves of this pleasure while it is open to them—for with this evening, the exhibition closes.

A HOAX.—A large crowd gathered around Aldermen Donaldson's office, on Tuesday night, the rumor being in circulation that one of the women, who abducted the little girl, Mary Crosby, on Monday, was under arrest and was then having a hearing. The excitement approached the intense, but was much relieved when it was ascertained that the prisoner was only a common woman of the town who had been taken into custody for disorderly conduct.

A SMASH UP.—Yesterday morning two horses attached to a wagon loaded with potatoes, driven by a farmer, who resides about three miles from the city, became frightened and dashed off at a gallop down Penn street. The animals were caught, but broke loose again, breaking the wagon into a thousand pieces, and scattering the potatoes to the four winds of heaven.

THE APPLEBEE MURDER.—Prof. Barry, of the Mathematical College, Wylie street, has received letters from his sons, in Chicago, lately in the employ of Thomas Applebee, the Pittsburgher so foully murdered there a few days ago. They write that they are engaged in settling up the books and business of the deceased. They have received offers of employment and will remain there.

A BUS OFF.—A horse attached to a buggy ran off in the 9th ward, yesterday, throwing the driver, Mr. Montgomery, of Second street, out of the vehicle with much force. The horse ran the distance of a number of squares on the sidewalks, endangering the lives of the passers-by.

ROLLING MILL WORKMEN INJURED.—An explosion occurred in Wood's Rolling Mill, Sligo, yesterday, which resulted in a serious injury to two of the workmen. The explosion was caused by a man throwing water upon a mass of heated ore.

We would call attention to the large sale of valuable Real Estate this evening at 6 o'clock at the Merchants' Exchange by Mr. Davis.

The list is quite extensive, comprising fifty seven Lots or pieces of ground (some improved) in desirable locations in this city and vicinity.

PIC-NIC.—A pic-nic will be given to-day by the Universalists at Kilbuck, on the Ohio & Pennsylvania Railroad. Tickets for gentlemen 50 cts.; and for ladies 25. It will doubtless be very pleasant.

THE ABDUCTION.—The little girl, Mary Crosby, has not yet been heard from, and probably never will be. The belief grows stronger that she was abducted by the Sisters of Mercy.

THE BOARD OF LICENSERS were engaged yesterday in hearing remonstrances against applicants from Mifflin township and Sharpsburgh.—The list will be concluded to-day.

[From the Boston Saturday Evening Gazette.]
A Perfumed Breath.—What lady or gentleman would remain under the curse of a disagreeable breath when by using the "*Balm of a Thousand Flowers*" which we mention it, "Put a single drop of the balm on your tooth brush and wash the teeth night and morning. A fifty cent bottle will last a year.

A PERFECT COMPLEXION may easily be secured by using the "*Balm of a Thousand Flowers*." It will remove tan, pimples, and freckles from the skin, leaving it a soft and roseate hue. Wet a towel, pour on two or three drops of a Thousand Flowers, rub the beard well and it will make a beautiful soft lather much facilitating the operation of shaving. Price only Fifty Cents.
