MR. SUMNER'S SPEECH.—Persons desirous of procuring copies of Mr. Sumner's celebrated speech, "The Crime against Kansas," in pamphlet form, can procure them at this office.

The *Post* comes to the rescue of the telegraph-reporter here, who prostituted the wires to the political falsehood that Fillmore and Donelson had been endorsed by "the American Executive Committee" of this county, and parades a certificate signed by a young lad named Wilson, who sets himself up as the Secretary of "the American Executive Committee."

Now "*the* American Executive Committee" of Allegheny County—the body known here and abroad by that name—is the one that met in this city on the 5th of July, and endorsed Fremont and Johnston. There is, we are told, a "*Native* American Executive Committee" in the county, representing the old-line natives; but if it has assumed the name properly belonging to the other Committee, it has done so for the purposes of political fraud—a fact which must be well known to both the Editor of the *Post* and the telegraphic reporter whose mouthpiece he is. This Native American Committee is a small and utterly insignificant affair, having no connection with the "American" party proper of this county; and the object of telegraphing its action abroad was simply to mislead and deceive the public mind.

While on this subject, we may add that the following paragraph appears in the report sent from here of the Fremont meeting on Tuesday night:

"It is reported that Senator Wilson expresses his intention to support Johnston in preference to Dayton, for the Vice Presidency."

If such a report prevailed, it was manufactured in or near the office of the *Post*, for that particular occasion. Those who gave it currency, knew that it had not a particle of foundation in truth.

GEN. PERSIFER SMITH.—Great expectations have been entertained, that the appointment of Gen. Persifer Smith to the control of military affairs in Kansas would promote justice and peace. Such expectations have been suddenly blasted. Telegraphic despatches state, that he has informed the Free State men of Kansas that he can afford them no protection against the armed marauders from Missouri, and the South, as these latter are regularly enrolled, and acted under color of law. It is under United States authority—under color of law—that the Free State settlers of Kansas are maltreated, robbed, wounded and murdered. It is under color of law that the Missouri river is blockaded against the admittance of emigrants from the Free States, while emigrants from the Slave States are offered every facility! If such is the tyrannical character of the government, so unjust and partial, we ask honest voters if it is not time it was put down, and a just government established in its place? What Kansas is now enduring, may be the lot of the people in all the Free States, if James Buchanan is elected. The oppression and wrong which now falls upon the helpless emigrant, whose only desire is to better his condition in settling in a new and free State, may be visited upon the people of the North, in some other form of tyranny.

☞ Both Brooks and Keitt have been compelled by a sense of decency to resign their seats in a House they had disgraced, and which had censured their conduct. We hope South Carolina will not disgrace herself by sending them back, but we fear she will.

An analysis of the vote on the expulsion of Brooks, shows that he was sustained by the Democratic party, the friends and supporters of Buchanan, to the last:

| | | |
|---|---|---|
| For Expulsion, Democrats | | 6 |
| " " | Opposition | 115 |
| | | 121 |
| Against Expulsion, Democrats | | 13 |
| " " | Free State men | 95 |
| " " | Slave State men | 2 |
| | | 121 |
| Against Expulsion, Democrats | | 63 |
| " " | Opposition | 82 |
| | | 95 |
| " " | Free State men | 13 |
| " " | Slave State men | 82 |
| | | 95 |

Those in the opposition who voted against expulsion, were Southern Fillmore men, except J. Scott Harrison of Ohio, who has disgraced himself during this Congress by his toadyism to slavery. His constituents will leave him at home, hereafter. The Free State men who voted against expulsion were all Buchanan Democrats, except Harrison. Those who sustained the ruffian from Pennsylvania were Cadwalader, Florence and Jones, only these! Barclay and Foller, of this State, skulked.

FRED. RECKER, THE GERMAN PATRIOT.—Those who are familiar with the history of the European convulsions in 1848, will remember the name of FERDINAND RECKER, as the leader of the German patriots in that struggle. He came to this country after that effort for liberty in Europe failed, and settled in Illinois. He now stands at the head of the Fremont Electoral ticket in that State, and has taken the stump to advocate Fremont's election. He has consented, we understand, to address the Germans of Philadelphia in a short time; and as he will pass through this city on his way there, he will also address the Germans here. As soon as a day is fixed for that purpose, arrangements will be made for a grand demonstration among our fellow-citizens of German birth.

INDIANA.—A grand State Ratification meeting was held at Indianapolis on Tuesday the 15th, by the friends of Fremont and Dayton. The Cincinnati papers say that it was the greatest demonstration ever held in the State. The city was overflowing with an unprecedented crowd. As an instance of the way the people poured in, by three locomotives and containing seventy-five cars all full of passengers. The other numerous railroads converging into that city brought in similar trains. It exceeded even 1840; and the Buchanites were exceedingly crestfallen at such an evidence of Fremont's popularity in the Hoosier State. There need be no fear entertained by our friends about Indiana.

DAUPHIN COUNTY.—No movement has taken place in Dauphin county since the Philadelphia nominations to indicate the ground that would be taken by the opposition party there; but we learn by telegraph received yesterday that Senator WILSON, who left here on Wednesday morning, arrived in Harrisburg on Wednesday night, and a meeting was got up for him which he addressed in a most eloquent manner. Our dispatch says that the Court House was crowded with an enthusiastic audience, and that the Senator's speech was received with unmistakeable demonstrations of applause.

The Fillmore papers of New York have been quite active in assailing Col. Fremont as a Catholic, upon the ground that he was married by a German Catholic priest. The *Tribune* retorts by saying that Mr. Fillmore educated his daughter in a Catholic school, and a correspondent of that paper says:

I hope *The Express* will not call me also brutal if I offer to ask further whether Mr. Fillmore was not married by a Catholic Priest? I always understood that his estimable lady was of an Irish family, named Power. You and I have known many an Irish Power, including the late eloquent Catholic Vicar-General, under Archbishop Hughes; and neither you nor I ever knew an Irish Power that was not a Catholic. *The Express* has already proved, in its local argument, recently copied into *The Herald*, that the marriage ceremony of a Catholic must be performed by a Catholic Priest; *ergo*, Mr. Fillmore must have been married by a Catholic Priest, Q. E. D. And therefore Miss Fillmore was sent to a Catholic Seminary.

FROM KANSAS.—Col. Holliday, a Pennsylvania democrat, lately from Kansas, furnishes to the Cleveland *Herald* some intelligence from that section from which we take the following:

"The most cheering news that Col. Holliday brings, is, that it is not true that the Free State men are leaving Kansas. None have left except a few on temporary absence. Business at Lawrence, Topeka and other points had revived and was going on with unabated energy, and the Free State men generally were in the very best of spirits. At Lawrence the rebuilding of the Free State Hotel was about to be commenced, double the dimensions of the one destroyed by Sheriff Jones and his mob.

The new Hotel will be 60 feet by 125. A fine Unitarian Church is also being completed. The Border Ruffian and pro-slavery outrages and annoyances prevented sowing and planting extensively, but the crops on the ground were coming in finely and would yield abundantly. Kansas needs more enterprising, thorough-going Free State settlers, and thousands should seek new homes there the coming autumn. Taking all things together, the Colonel thought "God might have made a better country than Kansas, but thinks He never did."

Another very cheering fact stated by Colonel Holliday is, that the Old line Democracy of Kansas who helped to place Mr. Pierce in power and who are in favor of Freedom in Kansas, have come out to a man in favor of the election of Col. Fremont. Many of them being Pennsylvania Democrats, will return to the old Keystone and labor to defeat Mr. Buchanan and elect Col. Fremont, unless the Senate and President concur with the House and admit Kansas at once."

WARREN COUNTY.—The old-line democrats of Warren county who refuse to endorse Buchanan and the Cincinnati platform, held a meeting last week which was quite large and respectable. Hon. G. W. SCOFIELD, for many years a leading democrat, and Hon. C. B. CURTIS, the democratic representative from that district in the last Congress, made speeches defining their position and taking strong ground against Buchanan. The meeting passed resolutions repudiating the Cincinnati nominations and platform, and the honest democracy of that county will doubtless be found voting in mass for Fremont. Things look quite bright in that wild-cat district.

COUNTY NOMINATIONS.—The Fremont men of the Western counties of this State are beginning to bring into the field their county tickets. We subjoin such as have lately come under our notice:

CRAWFORD Co.—Assembly—Joseph Brown, Leonard Reed; Associate Judge—Thomas Van Horne; District Attorney—T. O. Johnson; County Commissioner—John McNamara; Auditor—Ed D. Catlin.

BUTLER COUNTY.—Congress—Samuel A. Purviance; Senate—John R. Harris; Assembly—A. W. Crawford; County Commissioner—Philip Willard; County Surveyor—David Scott; District Attorney—E. Ferrero; Associate Judges—Jacob Miechling, Jr., and Thomas Stevenson.

MERCER COUNTY.—Congress—William Stewart, by acclamation; Senate—W. P. Clark; Assembly—Samuel Kerr; Associate Judges—T. J. Brown and David Porter; Commissioner—R. F. Thompson; District Attorney—J. H. Robinson; County Surveyor—Jacob Zahnizer.

LAWRENCE COUNTY.—Congress—Wm. Stewart; Senate—R. B. M'Combs; Assembly, George P. Shaw; Associate Judge—Thomas Pomroy; District Attorney—B. B. Picket; Commissioner———— Gaston.

The vote for Congress, in Lawrence county, was very close. By agreement, the number of votes cast for the candidates, respectively, at the primary meetings, were counted in the convention. Mr. Stewart received 717 votes, while Dr. J. W. Wallace, his competitor, received 713. R. B. M'Combs, Esq., and John Ferguson, Esq., were the only persons who were voted for as candidates for the Senate; the former receiving 940 votes, the latter 160. It is, however, due to Mr. Ferguson, to state that in a circular, previous to the primary meetings, he declined being a candidate.

PENNSYLVANIA.—A dispatch in the Philadelphia *North American*, from Washington city, says:

The Pennsylvania delegation are preparing a call for a Union Convention of Republicans, Americans, and all other elements opposed to the Administration's policy and the Cincinnati platform, to meet at Harrisburgh on the second Wednesday of September, for the purpose of forming an electoral ticket which shall represent the interests fairly, and concentrate all efforts in one practical direction. This movement finds favor generally, and inspires a confident hope of ultimate success. The recommendation is already signed by most of the experienced members.

DIED—On Thursday evening July 17th, WILLIE PIERPONT, infant son of John P. and Isabella Laugh-lin.

His funeral will take place to-day, (Friday) at 4 o'clock, P. M., from the Western Pennsylvania Hospital, 9th Ward, to proceed to the Allegheny Cemetery. ch

**A Great Medicine for Females.**—Hundreds of preparations have been invented and sold, purporting to be specific in the various diseases and derangements to which the delicate form of woman render her subject. The result of all these attributes has been to impart more *momentary activity* to the *nervous system*, and false vigor to the *muscles*; but this relief has been succeeded by a depression and prostration greater than before; and the repeated attempts of invalids to build themselves up by these *false remedies*, have finally ended in destroying what little vital organization was left. But in using *Boerhave's Holland Bitters*, you will find no such disastrous results. It is a purely vegetable compound, prepared on *strictly scientific principles*, after the manner of the celebrated Holland Professor, Boerhave. Under its influence every nerve and muscle receives new strength and vigor, appetite and sleep return, and finally, perfect health. See advertisement in another column. [illegible]

☞ Continents of Europe, these qualities have been testified to by a gentleman, who writes to LEA & PERRINS thus: "I have carried a bottle of your Worcestershire Sauce in a tour I have just concluded through Spain and Portugal, and believe I owe my personal state of health to the use your Sauce is accompanied, and I think medicinal, can with truth say there is nothing in a traveler's baggage so essential to his comfort, at least in those countries, as your Sauce.

In India, also, where it is found at the mess of every regiment, a medical gentleman writes from Madras to his brother in the same profession at Worcester, in the following terms: "Tell Lea & Perrins that their sauce is highly approved in India, and that it is, in my opinion, the most Palatable as well as the most wholesome sauce made."

This sauce is suitable for every variety of dish, and the universal demand which its excellence has created has led to many imitations being offered to the public, under a variety of names, but the genuine may be known by the name of "LEA & PERRINS" being impressed upon the patent metallic capsules, or patent glass stopper of the bottle, as well as the labels and wrapper.

"I write you on the 10th inst. since I last wrote you and now I of this place has come into market and I am happy to say I succeeded in securing location for all your warrants and which I feel satisfied will prove profitable to the owners. Please find enclosed the plats of location, with sketch of township in which they are located; also including prairie and near to timber, with a fine stream of water run thus through it." Now is the time for the Investor, will not remain in any course of mail. I would state in reply, that I have loaded your warrants. If you see proper you may send me more warrants and I will locate them to advantage, either in this District (Fort Dodge) or in the Missouri district.
