SHORT CREEK, Ohio county, Va.
March 9th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me at a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

**DR. JAYNE'S CARMINATIVE BALSAM**

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that the medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels A SHINN

**Great English Remedy.**

FOR Coughs, Colds, Asthma and Consumption! THE GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of his nephew.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—feel sure of relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis difficulty of breathing, hoarseness, night sweats, constitution and general debility, asthma, influenza, whooping cough and croup

Sold in large bottles, at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

*CONSUMPTIVES, BE ON YOUR GUARD.*

DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY,

THE GREAT REMEDY FOR
Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases.

DR. SWAYNE'S
**Compound Syrup of Wild Cherry!**

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of the medicine, the proprietor will insert a few of the many thousand testimonials which have been presented to him by men of the first respectability—men who have no interest, views of moral responsibility and justice, than to certify to facts, because it will do another a favor, and themselves no injury. Such testimony proves, and conclusively, that the surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

When men, acting from conscientious impulses voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and purposes, carries conviction irresistible, and commends itself in a special manner to universal credence.—O Hogan's Morn. Mail.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION.—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, making new and rich blood, power possessed by no other medicine.

CHESTER CO., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough. I expected all the remedies which I had recourse to, only increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine: I did so with the most happy results. The first bottle had the effect to loosen the cough, causing me to expectorate freely, and by the time I had used six bottles, I was entirely well, and am now as hearty a man as I ever was in my life. And would be happy to give any information respecting my case, that other sufferers may derive the benefit, for which I am so grateful. For the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, of whom I purchased the medicine.

Respectfully yours, JAMES MORGAN.

*Wonderful Cure of a Methodist Minister.*

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive matter from the lungs, especially upon change of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions but found no relief—growing all the time worse. Just here I was advised and persuaded by a near friend of Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those compounded out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of the agent, one of your agents, a few bottles, and commenced its use. My disease was at that time of 20 or 25 months standing, consequently it was deeply rooted. I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby ruptured those vessels that had already begun to heal, in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use my twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made the sound, but for the above indiscretion. The Spirit of the Times, which all habitually took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system good rest, so that I was enabled offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well, I offer it with pleasure. REV. J. P. JORDAN.

Dublin county, N C.

*Important Caution—Read! Read!*

There is but one genuine preparation of Wild Cherry, and that is Dr. SWAYNE'S, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe, and all preparations calledby the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to give currency to the same. By a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraved wrapper, the likeness of William Penn thereon, also, Dr Swayne's signature: and as further security, the portrait of Dr Swayne will be added hereafter, as an additional safeguard against his preparation from all others. Now, it is wan not for the great curative properties and known virtues of Dr. Swayne's Compound Syrup of Wild Cherry, or would not be endeavoring to give currency to their fictitious nostrums" by stealing the name of Wild Cherry. Remember, always bear in mind the name of Dr Swayne, and be not deceived

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary diseases, is that the same persons who commenced the use of it in their families ten years ago and prefer it to all other remedies of the kind, and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

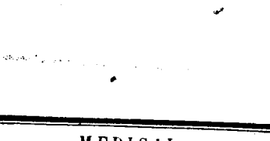
# MEDICAL.



DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.
*Wonder and Blessing of the Age.*

The most extraordinary Medicine in the World! *This Extract is put up in Quart Bottles, it is purchased cheaper, pleasanter, and warranted superior to any other. It cures without vomiting, purging, nauseating or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is that while it eradicates the disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

Ever known: it not only purifies the whole system, and strengthens the person, but it "makes new, pure and rich blood" a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

**10,000 cases of General Debility and Want of Nervous Energy.**

Dr Townsend's Sarsaparilla is adapted to the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fleeting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

**Invigorating Cordial,**

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, is a most extraordinary degree.

**Consumption Cured.**

*Coughs and Strangulation, Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds Catarrh, Coughs, Asthma, Spitting of blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c, &c, have been and can be cured.*

**SPITTING BLOOD.**

*New York, April 25th, 1847.*

DR. TOWNSEND—I really believe that your Sarsaparilla has been the means of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, and night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change been wrought in me. I am now able to walk all over the City. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 15 Cedar street.

**Female Medicine.**

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, Whites, Irregularities, Obstructions, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—in consequence of that disease, or other causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the female frame. Persons in weakness and debility, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the hysterical and fretful dispositions, which is the great cause of Barrenness. It will not be a specific in every case of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

**To Mothers and Married Ladies.**

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. The female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect no time to, as it is a certain preventive of one of the numerous and horrible diseases to which females are subject at this time of life. This period may be dreaded by many, but it need not, if this Sarsaparilla be used. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It purges the whole system, removes permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

**Great Blessing to Mothers and Children.**

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens the mother and child, prevents pain and disease, increases and enriches the food; those who have used it think it is an invaluable gift. It alights sickness, weakness and after confinement, as it prevents disease attendant upon childbirth—to Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation is no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine; in some a little Castor Oil, or Rhubarb, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

**Beauty and Health.**

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, will soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or poisons, is the cause of health. Pimples, blotches and in maps, beautifies its own production to the "human face Divine," as well as in the garden of roses and delicately tinted and scented flowers, the free, active and healthy circulation of its fluids, or the courising of the pure, rich blood to the extremities is that which paints the colourings in the most exquisite beauty. It is that which imparts the indescribable shades and tints of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and stagnant, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies to the north who take the little exercise, or confine themselves in rooms, or have spoiled their complexion by the application of deleterious mixtures, if they want to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexions they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily

**Notice to the Ladies.**

Those that imitate Dr Townsend's Sarsaparilla, have invariably called their stuff a great Sarsaparilla, Syrup, Water, &c, &c and have copied our bills and circulars which relate to the complaints of women, or for worse—often times have put up medicine, to prevent the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although prepared by persons they did not. A number of these Mixtures, Pills, &c, are injurious to females as they aggravate disease and undermine the constitution. Dr. Townsend's is the only and best remedy for the numerous female complaints—it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the certainty of benefit and advantage, as it prepares for, and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

**Scrofula Cured.**

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented

**Three Children.**

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores, I have taken only four bottles; it took them away, for which I feel myself under great obligation. Yours &c

**Opinions of Physicians.**

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Tablets, Pill Rock, &c. They generally put up in the same shaped bottles, and some of them have stole and copied our silver paper wrapper, are only worthless imitations, and should be avoided.

SPECIAL SYMPTOMS OF CONSUMPTION.—Quick pulse, nervous enough, general weakness, restless sleep, carnal appetite, pre-sentiment pains between the shoulders, hectic flushes, &c.

PARTIAL SYMPTOMS OF CONSUMPTION.—Dry cough and day, flabby muscles, scanty, sinking, short breath on going up stairs, or walking briskly, or hill, or walking but a little fast; pulse always above one hundred, tongue long, tremulous, cold sweats towards morning.

Catarrhal Consumption comes on like a common catarrh or cold, but about the period when that disease usually recovers from its salutary, some of the symptoms are aggravated. The cough is more troublesome, especially when lying down. There is no fixed pain in the chest, but reflected sensations, which is worst on lying down. The appearance of the expectoration, which is copious, is changed from a thick yellow mucus, to a thinner substance. It is not quite so pleasant to the patient, and emits no unpleasant smell when burned. It is of an uniform appearance, and is probably a mixture of pus and mucus, as on turning it into water part sinks and part swims. This disease may occur in any habit or at any age, and is characterized by the peculiarity of its cough.

The Balsam of Liverwort effects the cure of this insidious disease by expectoration, soothes and heals the affected lungs. It never fails. Wherever this medicine has been used, we hear of its success. For thirteen years it has been before the public, and has been thoroughly tested for all complaints of the Lungs, and has proved itself superior in merit to any thing else.

We might give hundreds of testimonials from physicians, the press, clergy, and those who have been cured, but all we desire is to call the attention of the afflicted, and for their own good they will try it.

Look out for counterfeits. Always observe the signature, "Isaac Taylor, M D," on the engraved label, and prepared at the Wholesale Depot, 73 Beekman street, New York.

**Sole Agency for Nunns & Clark's Pianos.**

JUST RECEIVED and opening a large assortment of these celebrated Pianos, from the manufactory of Nunns & Clark, New York, which for tone, touch, durability and cheapness, cannot be excelled by the excelling scamps that infest the country, as we take charge of them the moment they reach our warehouse, and see to their well being, and despatch them without any detention by the fast ships—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, while thousands of others were detained months, until they could be sent in some old coffin, as a last resort, which has frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all of what it stated their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £1000, payable at any of the provincial Banks in Ireland, England, Scotland and Wales.
