Mr R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that my shoes were turned and I could when left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr E. Smith, I concluded to give them a fair trial. I purchased one box and found them to be just what they were recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me and I am now perfectly well. Respectfully yours,

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Methodist Episcopal Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes so severe as to induce fainting, attended with violent vomiting and great pain in the stomach for other times doubt symptom of intermittent, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. That he was induced to try it, according to the directions, and found invariably that this medicine caused the pain to abate in three or ten minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was recovered from a large amount of oppressive pain. I consider it therefore, the duty of every sufferer from dyspepsia to try this medicine, it is always safe, and the most delicate can use it with success. I may add that I expect to live, I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I rode so bleed, and my cough has left me. You can well imagine that I am grateful for these results.

Your obedient servant,
WM. RUSSELL, 56 Catherine st.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhea, or Whites, Scurvy, Scrofula, Mercurial Affections, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system so much to be desired in females that other causes or causes produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the nervous system. It strengthens and renovates the person but it does not make it robust and full of energy under its influence. It immediately commences its ameliorations of the female frame, and in a few weeks cures all Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the public that hundreds of cases have been reported to us. Thousands of cases where families have been without children, that after a few bottles of this invaluable medicine, have been blessed with fine, healthy, sleeping

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared to relieve to female complaints. No female who has reason to suppose she is approaching the critical period of life, "The Change of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this important period of life. Mothers, try it, it will prove a blessing to your daughters.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their manly energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial.

As a tonic and invigorator the system, gives activity to the limbs and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cease and Strengthen. Consumption can be cured. Bronchitic Consumption, Liver Complaint, Colds Catarrh, Coughs, Asthma, Spitting of Blood, Soreness on the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING BLOOD.

New York, April 28th, 1847.

Dr. Townsend—I really believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, and night sweats, and was greatly debilitated. I could not expect to live long. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I rode so bleed, and my cough has left me. You can well imagine that I am grateful for these results.

Female Medicine.

This Extract of Sarsaparilla has been expressly prepared to relieve to female complaints. No female who has reason to suppose she is approaching the critical period of life, "The Change of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this important period of life. Mothers, try it, it will prove a blessing to your daughters.

Cured for several years by using this medicine. Not is it less valuable for those who are approaching womanhood, as it is calculated to develop the system, renew the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful nervous symptoms may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most efficacious medicine for purifying the system, and relieving the sufferings attendant upon child birth ever discovered. It strengthens both the mother and child, prevents pain and sickness, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents disease attendant upon childbirth—as Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate can use it most successfully. Very few cases require any other medicine, in some a little Castor Oil or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin with a chalk like concretion, which when nature is not thwarted by disease or powder, or the skin inflamed or the cuticles used in soaps, beautifies the skin, gives it the "human face Divine," and as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty. Its effect which imparts the fashionable pallid shades and delicacy of paleness that all admire, but none can describe. This beauty is the offspring of nature—not of powder or rouge. If there is not a free and healthy circulation, there is no beauty. If the lady is far as dress goes now. If she paint, she cannot, and the blood is thick cold and impure, she is not handsome. If she has a sallow or yellow, and dim eye lids and acute blood, it gives a sick bloom to the cheeks, and a mellancoy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north who take but little exercise, or are confined in close rooms or who follow their occupation in close rooms, are subject to many difficulties, if they wish to retain clearness of skin, buoyant spirits, sparkling eyes and beautiful complexion, they must take Dr. Jayne's Tonic Vermifuge. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our rooms daily.

Notice to the Ladies.

Those that imitate Dr Townsend's Sarsaparilla, have invariably called their stuff, a great many names, *made, &c. &c.* and have copied our bills and circular which relates to the complaints of women, we for women—other men who put up medicines, have since the great success of Dr Townsend's Sarsaparilla in complaints peculiar to females, recommended their pills, profusely they did not. A number of these Mixtures, Pills, &c. are injurious to females, as they aggravate disease and undermine the constitution. Dr Townsend's is the only and best remedy for the numerous female complaints—and is never fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, or by those expecting to become mothers, with the most perfect safety, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

Dr. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent Sarsaparilla. They were afflicted very severely with bad Sores, have taken only four bottles, it took them away. for which I feel myself under great obligations.

Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster st.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.

Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly Druggists, are now manufacturing Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put up in the same shaped bottles, and some of them have stolen and copied our advertisements—they are only worthless imitations, and should be avoided.

STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago still prefer it to all other remedies of the kind, and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

COMPOUND
SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World. *This Extract is put up in Quart Bottles; it is more cheaper, pleasanter, and warranted to persist to any part. It acts without vomiting, purging, sickening or debilitating the Patient.*

The great beauty and superiority of the Sarsaparilla over other medicines is that while it eradicates the disease it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES

Ever known; it not only purifies the whole system, and strengthens the person but it *makes new, pure and rich blood*, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cases of severe cases of disease, at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their manly energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy.
