SELLERS' FAMILY MEDICINE—They are the Medicines of the day.

GRAHAM'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right to the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINNELL.

GREAT CURE OF LIVER COMPLAINT, by he original, only true, and genuine Liver Pill.

SUGAR CREEK, Ohio county, Va.,
March 26th, 1848.

Mr R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, of West Liberty, and recommended to me by my physician, Dr K Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM is from the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned have been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative balsam. This he used according to the directions, and found certainly that the medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks his health was so far restored, that the sufferer was relieved from a large amount of oppressive pain From experience, therefore, he can confidently recommend Dr D Jayne's Carminative balsam, as a valuable medicine for diseases of the stomach and bowels. DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful value; it has passed from the thousands yearly launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of its medicine ever produced for the relief of suffering man.

It has been introduced into Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. Testimonials of its wonderful efficacy, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousands testimonials which have accumulated, published by Ann S. Stephens, one of the first respectability—men who have no ulterior views of moral responsibility and justice, than to benefit by a fellow creature, will do another a kindness, and immediately no injustice. Such testimony proves conclusively, that its surprising efficacy in curing the diseases for which it is recommended, is the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence it exerts on the system, whose irritation it has once, renders it a most agreeable remedy for the afflicted.

REMEMBER!

When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, and consequently, being contrary to worldly interests and purposes, confess conviction of its truth, and commends itself in a special manner to universal regard and a trial, there is no room for doubt.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent. They are now offered for sale at the warehouse of Parry, Seals & Co. No 102 Wood street, Pittsburgh.

Persons in California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of a pack mule, washing eighty pounds each, and can be put in operation by a child an hour They can be fitted with provisions. It is the opinion of those who have seen the machine that of one of three months' stay in that place, that two men will wash the sand from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or being exposed to the wet, and consequently will not endangering their health They will require but a small stream of water, and can be used the whole season, and can be put into operation where there is not even water to wash in the usual way

Price of small size $25. Orders from abroad, accompanied by cash, will be promptly filled
