**A SPLENDID PRIZE FOR THE LADIES.**  
The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to

**DEMAREST'S MONTHLY,**  
a magazine of practical utility in the house, a mirror of the fashions, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the modern parlor magazine of America.

The engraving, 28x32 inches, is from the original painting, entitled, 'The Pic-Nic on the Fourth of July.'  
The printing took a whole year, and is considered the finest of the century. It is one of the most popular productions of L. L. M. Spencer. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel Halpin, and Samuel Hellyer. The last named having been induced to come from Europe to finish it. The engravers have ably seconded the successful labors of the painter. None but artists can fully appreciate the skill and labor lavished on this engraving. The general effect is very fine and impressive, and the delicate finish to the heads will bear the most minute inspection. The union of line and stipple is executed with unusual ability, and their skilful combination has greatly contributed to the success of the engravers in this unsurpassed proof of their genius.  
They work on the engraving alone cost over seven thousand dollars, besides the cost of the copyright, and is acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.  
Fine copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

**DEMAREST'S MONTHLY MAGAZINE,**

Yearly subscriptions only Three Dollars, and ten cents (which is to be sent with the subscription), for the postage on the engravings (which will be mailed securely done upon a roller).

This is certainly the largest, most liberal and splendid premium ever offered to single subscribers by any publisher, and affords an easy and economical way for any one to secure an elegant work of art, a Parlor Picture that is only next to a piano in the way of ornamentation, and a perpetual reminder of a day which ought to be cherished and held in remembrance by every true American.

The reception of this magnificent picture will take every one by surprise and we do not venture anything in saying that \$10 will not procure another that combines so much of interest and beauty.  
Specimens of the Magazine, with circulars, giving full particulars, will be sent to any given address, post free on receipt of 15 cents.
