PITTSBURGH CHEMICAL AND VARNISH WORKS
**FINCH & CO.,**

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the preparation of the various articles of Copal and other VARNISHES, and are now prepared to offer them to the trade, confident that they will meet with articles of the very best manufacture, made of the best materials, and prepared with the nicest care, and on the most favorable terms.

They intend to devote themselves to cultivating a first class trade, and have no doubt that their efforts, on trial, will prove satisfactory to purchasers, and will be found equally low with any of the eastern manufacturers, and being entirely free from the odor of fish oil, their works but of approved and tested quality, they ask for a trial and a share of public patronage.

To our friends in the West and South we would call particular attention. This article is equal to any English or American, and is sold at a price which will make it vastly after the process of the first class English houses, by Mr. Thomas Parker, now of this city, who has devoted his life to the study of these manufactures. I know its effects in every case, it is universally done some of the greatest cures evidence in Massachusetts. Its use is to children a year old, to the people of sixty. I have seen poor, gung, weary looking children, whose parents were fretting and fretting, grow in a perfect state of health by one bottle.

To those who have tried it, and still have headache, one bottle will always cure it. It gives great relief to catarrh and Diabetes. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quietly and gently, but where there is any derangement of the functions of nature, it will cause very singular results, but you must not be alarmed—they always disappear in four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extraordinary accounts of it that man ever listened to. No change of diet is ever necessary—eat the best you can get, and plenty of it. Its action is both, which, when simmered in sweet oil, dissolves scrofulous swellings of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE—Adults, one table-spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea-spoonful. As no direction can be made applicable to all conditions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of Scrofula.

Sold, Wholesale and Retail, at Dr. KEYSER'S, 146 Wood street, corner of Virgin alley, and J. P. FLEMING, Allegheny.

**HOLLAND BITTERS**

THE CELEBRATED HOLLAND REMEDY FOR
**DYSPEPSIA,**
DISEASE OF THE KIDNEYS,

AND the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Costiveness, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles, Pain in the Side, Rheumatic and Nervous Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure *permanent*. It communicates no violent shock to the system, but by arousing its vital energy to normal action, enables it to throw off the cause, and thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is sold by many of the citizens, as well as all the druggists, it would seem needless, to offer further evidence, yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick.

Wm. Schuchman, Esq., the well known Bitchcrafter, says "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Mr. Samuel Babcock says "I found special relief from its use for a severe backache, with which I had long suffered."

J. W. Woodwell, Esq., says "I have used Boerhave's Holland Bitters myself, and recommended it to others, knowing it to be just what it is represented."

Aldermen Barker and Lee say "We have derived great benefit from its use for weakness of the stomach and indigestion."

James H. Murphy says "After several physicians had failed, Boerhave's Holland Bitters restored my large son of my heart and side, arising from indigestion."

The editor of the Kittanning Free Press says "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of dyspepsia."

Francis Fehr, only manufacturer of the "original and genuine" says "I recommend your Holland Bitters as one of the best medicines in the world for a disordered stomach."

Dr. Lumvig, editor of the "Sockel," Baltimore, pronounce it a medicine deserving the confidence of the Public.

Dr. Eberhart, the leading German physician of Pittsburgh, has prescribed it frequently during the last 3 years, with marked success, in debilitated states of the digestive organs, or of the system generally.

The manager of Hiney's Vinegar Factory says, I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great disease, falling of the womb,) and it completely restored her to health.

The manager of Hiney's Vinegar Factory says, I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great disease, falling of the womb,) and it completely restored her to health.

Hallam's all pain and inflammation, is perfectly pleasant in its taste and odor, and is warranted to cure.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A female in Roxbury was troubled with a pain in her side, and a perfect cure is warranted when the above quantity is used.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pasture, and only one year old stalk, should cure every hunger in the system; yet it is now a fact that for the last two years, it has proved that it is the greatest and most valuable medicine ever known.

CAUTION—Some have attempted to make a spurious article from the roots of the plant, which is worthless and dangerous. Be careful to ask for Kennedy's Medical Discovery, and take no other.

Prepared and sold by DR. DAVID KENNEDY,
Roxbury, Mass.

Sold by druggists and Storekeepers in every town and village in the United States and Canada.
