Carter's Spanish Mixture.

THE GREAT PURIFIER OF THE BLOOD.

The Best Alterative Known.

Not a Particle of Mercury in it!

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Tumors, or Pustules on the Face, Blotches, Boils, Acne and Fever, Chronic Sore Eyes, Ringworm or Tetter, Fetid Head, Enlargement and pains in the Bones and Joints, Salt Rheum, Blotches, Syphilitic Affections, Ulcers, and all diseases arising from an impure state of the Blood, or Mercury, in prudence in life.

Or Poverty of the Blood.

THIS GREAT ALTERATIVE MEDICINE and Purifier of the Blood is now known by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Scrofula, Inflammation, Scrofula, Eruptions on the skin, Liver Disease, Ulcers, Old Sores, Affection of the Kidneys, Disease of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the blood, nothing has ever been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Bowels, strengthens the Digestion, gives tone to the stomach, invigorates the skin and healthy, and restores the constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the disease of *Leucorrhœa* it is peculiarly applicable and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated, and imparts elasticity to the worn out frame, clears the skin, and weeds the pale cheek fresh and healthy; a single bottle of this inestimable remedy is worth all the so-called sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of this and the United States, is the best evidence that there is no humbug about it. The *Press*, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this great Blood Purifier.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by Carter's Spanish Mixture. (in most cases where everything else has signally failed.)—the limits of an advertisement will admit but a little of the testimony.

"Appleton's Railway Guide," is very correct and published monthly, which is a model for accuracy, and may be relied on most implicitly. A study of its pages has required many miles of my travel, while the information it imparts reflects the greatest credit upon the publishers."

Reed's Patent Steam Engine.
THESE IMPROVED ENGINES (for which patents have been granted and first prize medals awarded to the inventor, both in the United States and Europe), continue to give such satisfaction on account of their simplicity and economy, that we have now established an agency for their manufacture, and prepared to offer to the shortest notice engines from two to three engines have been accurately tested, and have shown an economy of twenty per cent in fuel, and about the same in oil and repairs. This saving is effected by letting the steam in and out both sides of the cylinder through large openings, removing the pressure from the valve and allowing no steam to escape or exhaust from the passages except from the cylinder. Under ordinary circumstances the weight and friction to about half that of the ordinary engines. Persons using the above engine or the improved boiler with all the pipes attached, and the whole mounted on one bed plate, are convenient to ship to any part of the country, and to avoid the necessity of an expert being sent to put them together. Many are all tested before leaving the factory.
Reed's Patent Steam Pumpjacks are coming into general use on steamboats, in mines, and for other purposes, where they are used, giving great satisfaction. They are preferred to any in use for pumping out the bilges of steamboats. These engines and pumps may be seen in operation, or further information given by

To Consumers of Pickles.
BELIEVING that the Public have become tired of purchasing Pickles in Packages, holding, in many cases, fifty per cent. less than represented, we have commenced putting up, in addition to our present second size jar, an article which we are confidently now offering, WOOD & CO'S EXTRA PICKLES, and are filling the full sized jars, which are legibly stamped on the glass, containing to verify their truth.
These Extra Pickles are put up with every regard to style, quality and flavor, and will be sold at fairly remunerating prices.
We have made no change in our manner of Greening Pickles, never having resorted to any deleterious means to attain this end. The Cider Vinegar which we use is made from sound fruit, and is entirely free from Vitriol or any other mineral acid, which is not the case with that used in most brands of English Pickles found in this country.

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,

FEVER AND AGUE,
AND, the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Costiveness, Pains, Heartburn, Loss of Appetite, Despondency, Gastrodynia, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.
Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure *permanent*. It communicates no violent shock to the system, but by arousing its *vital* energy to normal action, enables it to throw off the cause, and thoroughly eradicates the disease.
When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is sold by many of the grocers, as well as all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised nostrums, and still suffer from Dyspepsia in one or more of its dreadful forms, which cannot be doubted, coming as they do from persons so well known, ☞
What is doing for the Sick.
Wm. Schuchman, Esq., the well known lithographer, says: "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."
Rev. Samuel Balcom says: "I found special relief from its use for a severe headache, with which I had long suffered."
J. W. Woodwell, Esq., says: "I have used Boerhave's Holland bitters myself, and recommended it to others, knowing it to be just what it is represented."

The editor of the Kittanning Free Press says: "After one of the best physicians in this place had failed, Boerhave's Holland bitters cured us of the worst form of dyspepsia."
Francis Kelly, only surviving member of original Street of Coffee," says: "I know that your Holland Bitters are the best medicine in the world for a disordered stomach or liver."
Dr. Lowrie, editor of the "Record," Baltimore, pronounces it a medicine deserving the confidence of the public.
Dr. Eberhart, the leading German physician of Pittsburgh, has prescribed it frequently during the last 7 years, with marked success, in debilitated states of the digestive organs, one of the most prominent.
The manager of Italick's Vinegar Factory says: I used it myself, and have therefore indirect to try its effect upon my wife, (troubled with the great debility common to all a community's habit,) and really it is doing her more good than anything she has taken before.
NOTICE—Whoever expects to find in this a beverage will be disappointed; but if he wants a medicine of great value, it will prove a grateful aromatic cordial, possessed of singular remedial properties.
CAUTION—The great popularity of this delightful Aromatic has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy other than Boerhave's, but you have given Boerhave's Holland Bitters a fair trial. Its bottles are distinguished from all others by its superiority in to all these imitations.

The Greatest Medical Discovery
OF THE AGE.
DR. KENNEDY, of Roxbury, has discovered an one of our common pasture weeds a remedy that cures *every kind of Humor, from the worst scrofula to a common pimple.*
He has tried it in over eleven hundred cases, and never failed except in two cases both of whom he says he now is his possession over two hundred certificates of its efficacy, all within twenty miles of Boston.
Two bottles are warranted to cure a running sore mouth.
One to three bottles will cure the worst kind of pimples of the face.
One to three bottles will scour the system of boils.
Two bottles are warranted to cure the worst case of ringworm.
Two to three bottles are warranted to cure the worst case of erysipelas.
Two to three bottles are warranted to cure all humor of the eyes.
Two bottles are warranted to cure running of these and blotches among the hair.
Two to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure any secretion of the skin.
Two to three bottles are warranted to cure the worst case of rheumatism.
Two to three bottles are warranted to cure the worst case of ringworm.
Two to six bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing tools so improvable to those who have in vain tried all the wonderful medicines of the day, so that a common weed growing in the pasture, was taking old sores and fast cure. If you have a humor it has to start.
If you have a humor it has to start.
If you have a humor it has to start.
If you have a humor it has to start.
The cure is effected without confinement or hindrance from business; also, noise and pain is the usual attendant of disease, is entirely eradicated.
It is a medicine which will put to rout all the diseases owing to unskilful management, which, by the use of mercury, have long been the bane of the human frame. To manifest an interest in the welfare of others, and the ability to do good, is the great end of all true philanthropy. Hence the proprietors of this offering also, are so serious, that they are struck with astonishment at the success, that the world has formed the extensive object of so few Medicines made available to all conditions, that they feel it their duty, at least, that we look for a reason why the treatment of a complaint is so inferior to that of all others, and that no sensible improvement has been made in it for a period of more than three hundred years, during which the same means have been employed as continues to be practised at the present day. There is by no means wonderful if the treatment of these diseases has become the opinion of all medical science, that right whatever arrogate to themselves the power of deciding upon the health, and upon the life of men, of their fellow creatures, that we have in view is, to supply the victims of those prejudices from the snare which treachery and cupidity are continually laying for them. If we succeed, our task will receive the highest sanction, and the thanks of our long and laborious researches their noblest reward.
