## Pennsylvania Testimony.

*Certificate of Dr. R. Hedeward, Esq. the well known traveller for the Duncannon Iron Wks. Juniata Co., Pa.*

DUNCANNON, Jan. 11, 1855.

Dr. C. H. Jackson—Dear Sir—I have sold your Pills very extensively with *Chronic Rheum Dyspepsy*, for which they are a specific. I have received many testimonials of their efficacy, but all of no avail. I also tried various remedies, but could find nothing to benefit me until I was induced to try your German Bitters, and after taking four bottle of them I was *entirely cured, and am now enjoying the best of health.*"

*More effects of the German Bitters in Dyspepsia and Liver Complaint.*

Certificate of J. A. CURTIS, Esq., Reporter for the "Evening Chronicle," Pittsburgh, Pa., who, Feb. 21, 1853, says "for some weeks past my wife has been using your German Bitters, with a happy effect. She has been afflicted more or less, for several years, with Liver Complaint and Dyspepsia, and until she commenced using the Bitters nothing had given her much relief. Her health is now rapidly improving, appetite good, and we have every reason to believe she will be perfectly restored. She says it is the best medicine she has ever used."

J. H. HUNTSMAN, Doylestown, Pa., June 22, 1853, says—"My wife has been afflicted with a nervous debility since September, 1851, since which time I have been unable to find any physician or medicine that would benefit her in the least, notwithstanding I tried all the skill of the faculty, of this town, for some thousand dollars, and described to him the sufferings of my wife, then handed me a list of papers to read, among which I found your German Bitters. I immediately procured a few bottles from Mon. and am pleased to state that the use of the Bitters has done her more good than all the medicine she has heretofore taken. I wish you to send me a half dozen bottles."

Liver Complaint.

J. P. WICK, Martinsburg, Va., June 22d, 1854, says—"With much pleasure I testify to the virtue of your German Bitters. Sometime since I was severely afflicted with a disease of the liver, for which I used various remedies, but to
