The express going west ran into a treight on Tuesdany morning last, between Benzinger Siling and St. Marys. The Express car was burne'; we believe that nobody was killed. A portion of the freight train was burned.

H S. Belnap, E-q., of Reynoldsville. gave us a call on Monday, looking good, as he is. He said he came over to buy a few wagons and sleighs from Jackson & Weaver. He subscribed for the ADVOCATE and his card can be found in another column.

Many improvements have been made in town this fall in street grading and sidewalks and there should be more done. which will cost but a triffe, and prevent many little accidents. A broken plank replaced by a sound one and a spike driven where needed will do all required.

Meeting our old and estemed friend Burns, with a large plaster on his right cheek it occurred to us that a hand-spike an ox or something had kicked bim, but on inquiry found that it was only one of Job's comforters. Charley will soon recover as it is located square on bis laughing point-but oh! what a cheek.

GIVE US A LIFT .- Our friends in the country would place us under obligations by sending any items of local news transpiring in their midst. Penned up in our office, it is impossible for us to collect such matters ourselves, and are compelled to depend upon the kindness of our readers and patrons, in certain parts of our county, to keep us posted. Just give us the facts and we will try and put them in shape.

THE Postmaster General has issued an order requiring the name and address of the sender of registered letters or packages to be affixed to the same and in case of nondelivery, the registered letter or packages will be returned directly from the office to which it is sent to the sender without (as now) being returned through the dead letter office. If the sender cannot be found it wil go to the dead letter office and be treated as other undelivered mail matter.

PRITIMG .- The following is given by an exchange as a specimen of printers' techni cal terms. it don't mean however, asmuch it would seem to the uninitiated: "jim, put George Washington on a galley: and then finish the murder you commenced yesterday. Set up the Ruins of Herculaneum and distribute the smallpox; you needn't finish that runaway match. put a new head on General Grant, lock-up jeff Davis, slide Ben Butler into Hell, and let that pie alone till after dinner. Put the ladies fair to press, and then go to the devil (his given name is Aaron in this case ,) and put him to work on Deacon Fogy's article on eternal punishment.

THE LADY'S FRIEND FOR NOVEMBER -This is a very handsome number. The fashion in this magazine are always superior to any that can be found elsewhere, in all desirable particulars. A group of graceful and elegant ladies, in parlor or pleasureground, tastefully and stylishly dressed that is what we see in the colored fashionplate of THE LADY'S FRIEND; and it is not possible for those living in country places to have a better guide to fashion. The steel-plate is a scene from Scott's "Fair Maid of Perth;" there is a pretty, colored Tidy pattern, and the music is the famous "German Fatherland," "Solid Silver" is an admir able story, and "The Mysterious Chest" will be sure to please young ladies. In the attractiveness of its literary matter, this magazine is admitted to take the lead. Great inducements are offered to new subscribers. . All new subscribers for 1871. who subscribe by the first of November shall receive the November and December numbers in addition gratis, making Fourteen Months in all. Do you have spells of short breathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on the subject? Do you feel dull, listless, moping. tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as billiant? The bloom of your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melencholy? If so, do not lay it to your liver or dispepsia. Have you restless nights? Your back weak, and
