Costiveness,

Acidity of the Stomach,
Nausea, Heartburn, Disgust for Food,
Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Palpitation at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article but one that has stood the test of a ten years' trial before the American people and its reputation is universally established by any medical preparations extant. The testimony in its favor given by the most eminent and well known physicians and individuals in all parts of the country is numerous, and in several pamphlets published annually by the proprietor, and to a had graid of any of the diseases it is recommended for, it is confidently asserted that this remedy is really deserving the great esteem in which it is held by the Medical Office and Manufactory, No 99 Arch st., Philadelphia, Pa.

Pennsylvania Testimony.

Certificate of R. Westwood, Esq., the well known Inventor for the Dyspepsia Iron, West Jersey Co., Pa.

Dr. C. M. Jackson—Dear Sir—I was for five years extremely afflicted with Dyspepsia, for which I was advised to try your *Hoofland's German Bitters*, for which I could find nothing to benefit me until I was induced to try your German Bitters, and after taking four bottles of which, I was entirely cured, and can now enjoy good health.
Dublin, Jan. 11, 1856.

More effects of the German Bitters in Dyspepsia and Liver Complaint.

Certificate of C. CURTIS, Esq., Reporter for the Evening Chronicle, "Pittsburgh, Pa., Feb. 21, 1856, say:—For some weeks past my wife has been using your German Bitters with a marked effect. She has been afflicted more or less, for several years, with disease of the Liver and Dyspepsia, and until she commenced using the Bitters nothing had given her much relief. Her health is now rapidly improving, strengthened, and we have every reason to believe she will be perfectly restored. She says it is the best medicine she has ever used."

Nervous Debility.

J. M. Hutchinson, Doylestown, Pa., June 20, 1853, says:—My wife has been afflicted with a nervous debility since September, 1851, since which time I have tried almost everything in the shape of medicine that would benefit her in the least, but to no avail. About the middle of July last I commenced using the above tincture of iron, and described in papers as used, among which I found one describing a case similar to mine. I immediately procured a few bottles of the Iron Bitters, and am pleased to state that the use of five bottles has entirely cured her. I wish you to send me a half dozen bottles.

Liver Complaint.

J. P. Wise, Martinsburg, Va., May 22d, 1854, says:—"With much pleasure I testify to the virtues of your Hoofland's German Bitters. Sometime since I was extremely afflicted with a disordered liver, for which I used various remedies, but with no beneficial effect, until I was induced to try your Bitters, which I am now happy to state have entirely cured me."

They are entirely vegetable, free from all alcoholic stimulants, and pleasant to the taste and smell. Price $1 per bottle.

Sold by Druggists and Storekeepers in every town and village in the United States and Canadas.

The Greatest Medical Discovery OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered a remedy of such extraordinary virtues that cures *every kind of disease, from the worst scrofula to a common pimple.*

He has treated it in over eleven hundred cases, and never failed in but two cases (both tubercular consumptives). He has now in his possession over two hundred testimonials of its value, all within twenty miles of Boston.

One bottle will last a family a long time, and cost but $5.

One to three bottles will cure the worst kind of pimples on the face.

Two bottles will cure the worst case of boils, or blotches on the body.

Three to five bottles are warranted to cure the worst case of scrofula.

Five to eight bottles are warranted to cure salt rheumatism.

Seven to ten bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of erysipelas.

Four to six bottles are warranted to cure the worst case of tetter.

Six to ten bottles are warranted to cure all humors and blotches among the skin.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure early scrofula of the skin.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two to four bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of erysipelas.

The above statements are from cases which have been under my care, and have been proved by the most public and conspicuous testimonials, and I do not hesitate to say that it is the most valuable medicine ever discovered.

Price $1 per bottle, or six bottles for $5.

CONSUMPTION.

Probably no remedy ever ever been known which cured so many and such dangerous cases as this Hollands German alleviates, but even to those the Cherry Pectoral is recommended as the best.

AYER HOUSE, New York City, Mar. 5th, 1856.

Doctor Ayer, Lowell: I feel it a duty and pleasure to inform you that your Cherry Pectoral has done my wife, Jane, great service. She was long under the care of some of the most eminent physicians, but all to no purpose, she got no much relief. She was steadily failing, until Dr. Strong, of this city, recommended your medicine, and I have the pleasure to state that it has done her more good than all the medicine she has taken before taken. I wish you to send me a half dozen.
