MEDICAL.

DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON, Phila., Pa.
Will effectually cure
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE
Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach,
such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking of Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when lying prone, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with the full and strong confidence in its virtues and adaptation to the diseases for which it is recommended.

It is one of those safe and certain articles but one that has stood the test of a ten years' trial before the American people and the reputation it has earned has been won by any similar preparations extant. The testimony in its favor given by the most eminent men of the country, and by hundreds of individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, will convince any one that no other medicine of the kind is really deserving the great celebrity it has obtained.

Principal Office and Manufactory, No 69 Arch st., Philadelphia, Pa.

Pennsylvania Testimony.

Certificate of R. Woodward, Esq., the well known traveller for the Diamondsmen from Wrightsville, Pa.

Dr. C. M. Jackson—Dear Sir—I was for five years severely afflicted with Chronic Diarrhœa, for which I was attended by several of the best physicians in the country, but all of no avail. I also used various remedies, but could find nothing to benefit me until I was induced to try your Hoofland's German Bitters, and after taking four bottles of which, I was entirely cured, and am now enjoying the best of health."

More effects of the German Bitters in Dyspepsia and Liver Complaint.

Certificate of J. G. CURTIS, Esq., Reporter for the "Sunday Dispatch," Pittsburgh, Pa., dated Feb. 21, 1855, says: "For some weeks past my wife has been using your German Bitters, with a happy effect. She has been afflicted more or less, for several years, with disease of the Liver and Dyspepsia, and until she commenced using the Bitters nothing had given her much relief. Her health is now rapidly improving, appetite good, and we have every reason to believe she will be perfectly restored. She says *is the best medicine she has ever used.*"

Nervous Debility.

J. M. HOLSINGER, Doylestown, Pa., June 20, 1854, says: "My wife has been afflicted with a nervous debility since September, 1851, since which time I have been unable to find any physician or medicine that would benefit her in the least, until one day I called at the store of Dr. Hartz, of this town, for some tincture of iron, and described to him the sufferings of my wife, he then handed me a bottle of papers to read, among which I found one description of your German Bitters. I purchased a bottle of the Bitters from him, and am pleased to state that the use of the Bitters has done her more good than all the medicine she has previously taken, and I wish you to send me a half dozen bottles."

Liver Complaint.

J. P. WOLF, Martinsburg, Pa., May 23d, 1854, says: "With much pleasure I testify to the virtues of your German Bitters. Sometime since I was severely afflicted with a disease of the Liver, for which I used various remedies, but with no beneficial effect, until I was induced to try your Bitters, which I am now happy to state have entirely cured me."

They are *entirely* vegetable, free from all alcoholic stimulants, and pleasant in taste and smell. Price 75 cents per bottle.

Sold by Druggists and Storekeepers in every town and village in the United States and Canadas.

The Greatest Medical Discovery OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that *cures every kind of disease from the worst scrofulous to common Boils.*

He has tried it in over eleven hundred cases, and never failed except in two cases (both blind from birth.) He has now in his possession over two hundred certificates of its cures, all within the last two years.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the Worst scald head in the mouth and stomach.

Three to four bottles are warranted to cure the worst case of scrofulas.

One to two bottles are warranted to cure all humors in the eyes.

Half a bottle are warranted to cure running of the ears and blotches among the hair.

Two to three bottles are warranted to cure corrupt and running ulcers.

One bottle will cure every eruption of the skin.

Two to three bottles are warranted to cure the most severe cases of rheumatism.

Six bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A dozen bottles are warranted to cure the worst case and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, and that common weed which grows in our pastures and dooryard weeds, should cure every humoring system; yet it is now the almost universal opinion of those who have taken it, are as the now sanguine—are who about cutting some more dried roots. Twelve years thousand bottles of it have been sold in Roxbury, Boston. I know its effects in every case; it has already done great good in my neighborhood, and I am a Massachusetts. I gave it to children a year old, to old people of 80 years. I have seen it cure children, whose faces was soft and fleshy, restored to a perfect state of health by one bottle.

I have seen it cure a boil on a sick headache, one bottle will always cure it. It gives great relief to catarrh and deafness. Some have been deaths for years, and have been and been restored by it. Where the body is sound it works quite easy, but where there is a decay or stoppage of the functions of nature, it will cause very singular results, which should not be alarmed—Darkness should come out, rest to from your days to a week. There is never a bad result from it. Children are very fond of it, and believe you will feel yourself like a new person. I heard some of the most wonderful accounts of its cures, which I have listened to. No charge of diet is ever necessary—eat the best you can get. Large Bottles at Dollar, which when taken by a sick person, is cheap. Of it than man everything. No charge of diet is ever necessary—eat the best you can get. BOERHAAVE'S
HOLLAND BITTERS

THE GRAND HOLLAND REMEDY FOR

DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND

FEVER AND AGUE,

AND the various affections consequent on a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Costiveness, Dizziness, Heartburn, Loss of Appetite, Dropsy, Dyspepsia, Nausea, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has universally been proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure is permanent. It counteracts no violent shock to the system, but by arousing its solid energy to normal action, enables it to throw off the cause, and thus horoughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become a popular family medicine, that it is sold by many of the grocers, as well as all the druggists, it would seem needless, to offer further evidence, yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick

Wm. Schuchman, Esq., the well known lithographer, says: "I have frequently used Boerhaave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Boerhaave's Holland Bitters myself, and recommended it to others, knowing it to be just what it is represented."

Aid. Jonathan Keely, of Lower Dublin, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

Andrew M. Murphy says: "After several physicians had failed, Boerhaave's Holland Bitters removed the pain from my heart and side, which I had suffered from."

The editor of the Kittanning Free Press says: "After one of the best physicians in this place had failed, Boerhaave's Holland Bitters cured me of the worst form of dyspepsia."

Francis Falls, only manufacturer of the "original Extract of Coffee," says: "I know that my friend, Boerhaave, is one of the best medicines in the world for a disordered stomach and liver."

Dr. Lowell, editor of the 'Yankee Blade,' pronounces it a medicine deserving the confidence of the public.

Dr. Eberhart, the leading German physician of Philadelphia, has prescribed it frequently during the last 3 years, with marked success, in debilitated states of the digestive organs, or of the system generally.

The manager of Railroy Vinegar Factory says: I used it myself, and was induced to try it by a friend who had taken it, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief. Cases which have resisted the skill of many skilled physicians and character as to orbid the suspicion of untruth.

Many eminent clergymen and physicians have lent their names to certify to the public to the reliability of my remedies, and I feel that I can do no less than express my conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

A gentleman of high character and standing in the American Almanac, containing directions for their use, and a great variety of testimonials, which I can only give a bare title. One bottle will convince you how infinitely superior it is to all other bitters.
