SLOAN'S OINTMENT AND CONDITION POWDER,

Have earned a great name. For Purity, Mildness, Safety, and Thoroughness, SLOAN'S OINTMENT *Excels*

And is rapidly supersoding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises, cracked heels, ringbone, windbone, windgalls, poll evil, collar, spavins, sweeney, fistula, sitfast, strains, lameness, sand crack, foundered feet, scratches or grease mange or horse distemper.

The Powder will remove all inflammation and fever purify the blood, loosen the skin, cleanse the water and strengthen every part of the body; and has proved a sovereign remedy for the following diseases:

Distemper, hide bound, loss of appetite, inward strain, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism, (commonly called stiff complaint,) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases.

W. B. SLOAN,
Grand Depot, 40 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Selma North Western Gazette."

By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and neighbors, who have used it in my shop, have reported to me that it has cured their horses of the mockicine And a cow which was so feeble as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder, and is now doing better than any other cow I have.

Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when naked, fell into a large fire of live coals, and was burned severely from head to feet. The best of medical aid and attention was given to the child for four or five days without any relief—each day's sufferings increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and prescribed to me a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is in Holt township, Vermillion county, and State of Indiana.

THEODORE L. TAYLOR.
Chicago, August 26, 1848.

EXTRAORDINARY CURE.

April 19, 1848. Four miles north of Chicago (on the road to Milwaukie,) Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone, immediately under the collar, which lamed him and rendered his services a very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until I became fully satisfied that it would never relieve the animal. I finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powders."

These remedies no longer remain among those of doubtful utility, they have passed from the ido of experiment, and now stand higher in reputation and are becoming more extensively used than all other articles of the kind.—Mich. City News.

THE HALF HAS NOT BEEN TOLD.

Fox River, June 12, 1848.

Dear Sloan—Sir: Please send by the bearer a few supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never having been disappointed in their effect, as I have been in the use of others, even the most celebrated Ointments, liniments, &c., of the day. I like very much the family pills, and shall use them in my family if others are sent on a thorough trial one is contrinted to add, that "half has not been told."

Respectfully, M. DUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and partial in their operation.—Sloan's Ointment is mild yet thorough—it reaches and removes the cause, leaving the horse healthy and strong and in a healthy condition. Fortunately a friend or acquaintance, Sloan's Ointment excels, and is rapidly supersoding all other Ointments and Liniments now in use.

WE CAN'T GET ALONG WITHOUT IT.

BEZER'S GROVE, Ill., Oct. 28, 1848.

Mr. Sloan—Sir: I have tested the virtue of your Ointment in the cure of rheumatic aches, sore throat, burns, and many other injuries, and in every case it has surpassed our expectations. As a family Ointment it is more valuable than its equal, and for beasts we can't get along without it. Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir: For a considerable length of time I was seriously afflicted with the rheumatic complaint, and applied freely the various liniments, paint killers, &c., without obtaining any relief. After which I saw a few lines in your Almanac, relative to Sloan's Ointment, and within two weeks from the time I commenced using it, the pain ceased, and I was effectually cured, and shall recommend all who are afflicted with the distressing complaint, to procure your excellent ointment without delay. OSCAR F. MOTT.

Respy yours,
Princeville, Peoria co., May 1, 1848.

☞ From the Hon. H. V. S. Brooks, Agent of the Illinois and Michigan Canal Packet Boat Company.

Canal Packet, June 26, 1848.

Dr. W. B. Sloan—Dear Sir: For the last 20 years I have had occasion to use many horses, and have used the great variety of liniments and ointments in use, but have never found any thing equal to your ointment for injuries on horses. Within the last two months I have applied your ointment to some 80 horses, for various injuries, and in every instance it has proved a sovereign remedy.

A FINGER BITTEN ENTIRELY OFF.

Two miles south of Canton, Ill., Apr. 26, 1848.

Dear Sloan—Sir: On the 5th instant my son had a finger bitter entirely off by a horse. We immediately applied your celebrated ointment, which relieved the pain in a few minutes, and prevented the finger from swelling the least particle, and the wound is healing rapidly. Resp'y yours, S. BROCKWAY.

DOCTORING IN GALENA

Mr. Sloan—Dear Sir: About three years ago I was severely injured in one of my legs by the falling of a pile of wood which occasioned large running ulcers. Nearly every doctor in Galena tried to cure them, but tried in vain, until from sympathy and improper treatment my other leg became as bad as the one originally wounded, despaired of ever being well again, and but in order that I might neglect no means within my reach, I purchased of your agent in Galena some of your ointment, and you may judge of my surprise at my gratitude better than I can express it, to find myself entirely well before I had finished using the second box. These facts I have thought proper to publish, as I believe and not delay using so valuable an ointment as you have proved to be. Resp'y your friend'd,

Galena, Ill., Dec. 19, 1848. EVAN DAVIS.

ONLY 50 DAYS.

Before the following order, Messrs. Vaughn & Co. purchased a large supply of Sloan's preparations.

JACKSON, Mich. Feb. 24, 1848.

S. K. Hibbard—Dear Sir: I am out of Sloan's Condition Powder and Horse Ointment. The sale far exceeds my expectations. If you can manage to send me 4 dozen Ointment, I will pay for them the first time that you are here, and presume I shall be able to sell a large quantity in the course of the year. It will be an object to you, as well as to myself, to keep me constantly supplied. Very resp'y yours,

S. S. VAUGHN & CO.

MISSISSIPPI RIVER.

St. Louis, Feb. 22, 1849.

Dr. Sloan—Sir: About two years ago, while raking on the Mississippi river, in passing over the rapids, I was plunged into the water, and by the raft dashing against a rock, crushing my left leg and otherwise grievously injuring me, so much that I lost all sensibility. When consciousness returned I found myself in St. Louis, surrounded by my weeping family. Good nursing and medical aid, enabled me in about two months to hobble around with the assistance of a crutch. The wounds only partially healed, leaving large running sores at the knee, which for many months discharged blood and matter of the most offensive character. My pains were inexpressible, at times my suffering was so great that death would have received a hearty welcome. Fortunately Mr. Wilson, one of my neighbors advised me to try your Ointment. I obtained a box applied it according to direction—the sores soon began to assume a healthy appearance, and in three months I was entirely cured, and enabled to do hard labor. Your obedient servant, HIRAM W. THOMAS.

We, the undersigned, neighbors of H. W. Thomas, were acquainted with the case above stated, and knowing the circumstances, most cheerfully confirm said Thomas' statement. REV. J. DOUGLASS,
JAMES WILSON,
PETER LAMB.

GOOD NEWS.

Chicago, Jan. 5th, 1848.

W. B. Sloan—Sir: One of my horses was hoof bound and also wounded in the stifle, in which he fell down and became so crippled that he could scarcely unrest. By the free application of your valuable ointment, his hoofs were soon softened and the stifle permanently cured. I have also used the Ointment in the case of Foll-Evil and on severe galls with equal success.

On a machine that was very painful, it operated like a charm. Yours, &c, A. VAN ORDEN.

TESTIMONY FROM LITTLE FORT.

Sloan's Ointment and Condition Powder are acknowledged by all who have used them to be the best remedy for horses and cattle that has been discovered. For wounds, galls, spavins, bruises, ringbone, poll evil, and in short every outward disorder or injury can be cured by this wonderful remedy. The Powder is designed for inward strains, distemper, hide bound, fatigue from hard exercise, diseased eyes, &c.—Lake County Chronicle.

'RATHER DOUBTINGLY, BUT I THOUGHT WOULD TRY IT'

WHITLEY, Cook Co. Feb. 15, 1848

Mr. Sloan—Sir: I have a fine young horse that was taken with the scratches last fall. I paid out about three dollars for medicine to cure him, but he grew worse. I then bought a box of your ointment at your office, when in Chicago last, rather doubingly, but I thought I would try it. Judge of my surprise and my opinion of its beneficial qualities, when I found my horse's legs smooth and well in four days from the time I commenced applying it. Your obedient,
E. F. COLBY.

FACTS FOR THE PEOPLE.

More than fifteen years of unrivalled success in the cure of every variety of external diseases and injuries such as sprains, bruises, cuts, burns, cutaneous eruptions, sore lips, sore breasts, chapped hands, chilblains, bites, ulcers, corns, pains in the back, sides, or other parts of the system, rattlesnake bites, &c., bears for the hour. Certificates without number have been received by the Proprietor from disinterested individuals, giving details of remarkable cures by its use.

A WISCONSIN WITNESS.

Granville, Milwaukie co. Wis., Oct. 12, 1848.

Mr. Sloan—Dear Sir: Recently my horses ran away with a log chain attached, which cut and otherwise injured them seriously, so much so that I considered my team ruined for business. Fortunately a friend recommended the use of your Ointment. I went to Milwaukie and purchased a box. It soon removed the inflammation, and in a few days the wounds healed. The great benefit derived from the use of your Ointment, on my horses, induced me to acquaint you with the fact, believing its publicity would benefit you and the public. Respectfully yours,
GEORGE CONSTOCK.

IT IS A POSITIVE FACT,

And has become a common saying, that Sloan's Ointment and Condition Powder are rapidly superseding all other remedies for all diseases of horses and cattle. The beauty of the medicines consists in their purity and safety, to wit: they may be used ever so freely without any danger of taking cold, or any other injury resulting from their frequent use, and never fail to cure if the directions are followed.

R E SELLERS' LIVER PILLS WAS MY DOCTOR—

BUTLER, Pa., Sept. 23, 1847.

Mr. R. E. Sellers—Dear Sir: I feel it my duty I owe to the public, as well as to the credit of your Liver Pills, to state the good effects produced by their use in my own case. During seven years I was almost constantly unwell, my appetite failed, and my strength was entirely prostrated, with severe pain in my side and shoulders. A friend recommended your Liver Pills, I was a severe attack of liver complaint. I took several boxes of R. E. Lane's Liver Pills, and some syrup, which I was told was good for the disease, but after all I was growing worse. I finally concluded to place myself entirely in the care of a physician for better or worse; but, fortunately, just at that time I was cured by the Rev. I. Niblock, of this place, that a friend had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I immediately sent for a box of your Liver Pills, and by the time I was one-third through the box, I was satisfied that I was just the medicine that suited my case. I sent for more, and took five or six boxes, and found myself almost entirely cured. I then left off the pills for a short time cold, which brought back the disease, and in a short time I was as bad as ever. I again had recourse to your Liver Pills, and took about four boxes more, in six weeks, and occasionally since, and I can now say, that I can now say, that I feel little if any symptoms of the Liver Complaint, and my general health is as good now as it has been for the last 10 years.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by the blessing of Divine Providence the means of curing me. I am confident that when the public become acquainted with the value of your Liver Pills, the demand for them will increase. Many of my neighbors to whom I have recommended the pills, can testify to their value, and will add us to the facts above stated.

Respectfully yours, DANIEL GLOVER.

TO THE PUBLIC.—The Original, only true and genuine Liver Pills are prepared by R. E. Sellers, and have his name stamped in black wax upon the lid of each box, and his signature on the outside wrapper. ☞ All others are counterfeits, or base imitations.

SELLERS' Expectorant.

SALEM, Columbiana county, Apr. 26, 1841.

DR. D. JAYNES: Dear Sir—I feel bound to you portunity of giving publicity to the wonderful effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, liver over and its concomitant diseases, and second only doomed to linger out a short but miserable existence, until the fall of 1839, when, being unable to attend to my duties, I commenced using your Expectorant, and continued using it for a period of 18 months, when I was pronounced by my physicians, and my friends, to be in the last stage of consumption, and bidden to prepare for the grave. At this time I was induced to try your Expectorant, and I was enabled to do so, and I continued using it, and I was enabled to do so, and I continued using it, and I was enabled to do so, and I continued using it
