PROFESSOR DARBY'S TRICOPHEROUS OR MEDICATED COMPOUND.

IN VALLIBLE for renewing, invigorating, and beautifying the Hair, removing Scurf, Dandruff, and all affections of the Scalp, and curing Eruptions on the Skin, Diseases of the Glands, Muscles and Integuments, and relieving Stings, Cuts, Bruises, Sprains, &c. &c. With this preparation, "there is not such word as fail." The first journals in America, medical men of the highest eminence, prominent citizens of all professions, and ladies who have used it for years in their families, have borne testimony to its efficacy and merit, for imparting vigor, gloss, luxuriance and curl to the hair, eradicating scurf and dandruff, healing cuts, bruises, scalds, burns, sprains, stings, &c., and relieving diseases of the skin, the glands, and the muscles it has no equal among the multitude of Compositions advertised in the public prints, or used in private practice. In cheapness as well as efficacy, Darby's Tricopherous is unrivalled.

The affinity between the membranes which constitute the skin, and the hair which draws its existence from this triple envelope is very close. All diseases of the hair originates in the skin of the head.; If the pores of the scalp are plugged, or if the blood and other fluids do not circulate freely through the small vessels which feed the roots with moisture and impart life to the fibres, the result is scurf, dandruff, shedding of the hair, greyness, dryness, and harseness of the tegaments, and entire baldness is the case may be—Stimulate the skin to healthful action with the Tricopherous, and the impeded vessels, recovering their activity, will annihilate the disease.

In all affections of the skin, as of the substrata of muscles and integuments, the process and the effect are the same.

It is upon the skin, the muscular fibre, and the glands, that the Tricopherous has its specific action, and in all affections and injuries of these organs, it is a sovereign remedy.

Sold, in large bottles, price 25 cents, at the principal Office, 127 Broadway, N. Y.
