The Best and Cheapest Horse Medicine IN THE WORLD,

SLOAN'S OINTMENT AND CONDITION POWDER,

Have served a great name. For Parity, Mildness, Safety, and Thoroughness, SLOAN'S OINTMENT *Exists*

And is rapidly supersoding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises cracked heels, ringbone, windbone, windgalls, poll evil, callous, spavins, sweeney, fistula, sitfast, strains lameness, sand crack, founded feet, scratches or grease mange or horse distemper.

The Powder will remove all inflammation and fever purify the blood, loosen the skin, cleanse the water and strengthen every part of the body, and has proved a sovereign remedy for the following disease:

Distemper, hide bound, loss of appetite, inward strain, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism (commonly called stiff complaint) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases.
W. R. SLOAN,
Grand Depot, 49 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Salem North Western Gazette."

By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 200 per cent. on the cost of the medicine! And a cow which was so feable as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder and is now doing better than any other cow I have.
Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when nacked, fell into a large fire of live coals, and was burned severely from head to feet. The best of medical aid and attention was given to the child for four or five days without any relief—each day's sufferings increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and presented to me a box of Sloan's Ointment and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is in Holt township, Vermillion county, and State of Indiana.
THEODORE L. TAYLOR.
Chicago, August 24, 1848.

EXTRAORDINARY CURE.

April 13, 1848. Four miles north of Chicago (on the road to Milwaukie), Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large body tumor on his breast bone, immediately under the collar, which lame him and rendered his services of very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until I became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powder."

These remedies no longer remain among those of doubtful utility, they have passed from the tide of experiment, and now stand higher in reputation and are becoming more extensively used than all other articles of the kind.—Mich. City News.

THE HALF HAS NOT BEEN TOLD.

Fox River, June 12, 1848.

Dear Sloan—Sir: Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never having been disappointed in their effect, as I have been in the use of others, even the most celebrated Ointments, Liniments, &c., of the day. I like very much this feature in them, viz: that they do all that is promised, and upon a thorough trial one is constrained to add, that "half has not been told."
Respectfully, M. PUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and painful in their operation—Sloan's Ointment is mild yet thorough—it reaches and removes the cause, hence it gives real and permanent relief. For purity, mildness, safety, certainty and thoroughness, SLOAN'S Ointment excels, and is rapidly superseding all other Ointments and Liniments now in use.

WE CAN'T GET ALONG WITHOUT IT.

BEXER'S GROVE, ILL., Oct. 24, 1848.

Mr. Sloan—Sir: I have tested the virtue of your Ointment in the cure of rattlesnake bites, sore throat, burns, and many other injuries, and in every case it has surpassed our expectations. As a family Ointment, I have never seen its equal, and for beasts we can't get along without it.
Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir: For a considerable length of time I was seriously afflicted with the rheumatic complaint, and applied freely your various liniments, paint killers, &c., without obtaining any relief. After which your agent at this place influenced me to try your Ointment, and within two days after which I commenced using it, the pain ceased, and I was effectually cured, and shall recommend all who are similarly afflicted with the distressing complaint, to procure your excellent ointment without delay.
Respy yours, OSCAR F. MOTT.
Princeville, Peoria co., May 1, 1848.

DOCTORING IN GALENA.

Mr. Sloan—Dear Sir: About three years ago I was severely injured in one of my legs by the falling of a pile of wood which occasioned large running ulcers. Nearly every doctor in Galena tried to cure them, but failed, and, in spite of all the skill and improvement my other leg became as bad as the one originally wounded. I despaired of ever being well once more, but in other that I might neglect no means within my reach, I purchased of your agent in Galena some of your Ointment, and to my delight, I soon perceived a gratifyed better, than I can express it, to find myself entirely well before I had finished using the second box.

These facts I make known that others afflicted may believe and not delay using so valuable an ointment as yours has proved to be. Respy your sincere friend,
Galena, Ill., Dec. 19, 1848. EVARD DAVIS.

ONLY 99 DAYS.

Before the following cure was effected, Messrs. Vaughn & Co. purchased a large supply of Sloan's preparations.

JACKSON, Mich. Feb. 24, 1848.

S. S. Hibbard—Dear Sir: I am one of Sloan's Ointment and Condition Powder and Horse Ointment. The sale far exceeds my expectation. If you can manage to send me a dozen Ointment, I will pay for them the moment that you are here, and presume I shall be able to sell a large quantity in the course of the year. It will be an object to you, as well as myself, to keep me constantly supplied. Very respy yours,
S. S. VAUGHN & CO.

MISSISSIPPI RIVER.

St. Louis, Feb. 22, 1848.

Dr. Sloan—Sir: About two years ago, while running on the Mississippi river, in passing over the rapids, I was plunged into the water, and by the raft dashing against a snag, nearly tore my left leg and other parts dreadfully injuring me, so much that I lost all sensibility. When consciousness returned I found myself in St. Louis, surrounded by my weeping family. Good nursing and medical aid, enabled me in about two months to hobble around with the assistance of a crutch. The wounds only partially healed, leaving large running sores at the knee, which for many months discharged blood and matter of the most offensive character. My sores were inexpressible, at times my suffering was so great that death would have received a hearty welcome. Fortunately Mr. Wilson, (one of my agents) advised me to try your Ointment. I obtained a box applied it according to direction—the sores soon began to assume a healthy appearance, and in three months I was entirely cured, and enabled to do hard labor.
Your obedient servant, HIRAM W. THOMAS.

We, the undersigned, neighbors of H. W. Thomas, were acquainted with the case above stated, and know the circumstances, most cheerfully confirm said Thomas' statement. REV. J. DOUGLASS,
JAMES WILSON,
PETER LAMB.

GOOD NEWS.

CHICAGO, Jan. 6th, 1849.

W. D. Sloan—Sir: One of my horses was hoof bound and also mortified in the stifle, in which he took cold, and became so crippled that he could scarcely travel. By the free application of your valuable ointment, his hoof was soon softened and the stifle permanently cured. I have also used the Ointment in the case of Poll-Evil and on severe galls with equal success.

The marked finger that was very painful, is perceived like a charm. Yours, &c., A. VAN ORDEN.

TESTIMONY FROM LITTLE FORT.

Sloan's Ointment and Condition Powder are acknowledged by all who have used them to be the best remedy for horses and cattle that has been discovered. Fresh wounds, galls, spavins, ringbone, sweeney, poll evil, and in short every outward disorder or injury can be cured by this wonderful remedy. The Powder is designed for inward strains, distemper, hide bound, fatigue from hard exercise, diseased eyes, &c.—Lake County Chronicle.

RATHER DOUBTINGLY, BUT I THOUGHT WOULD TRY IT.

WAUKEGAN, Cook Co. Feb. 13, 1848.

Mr. Sloan—Sir: I have a fine young horse that was taken with the scratches last fall. I paid out about twelve dollars for medicine to cure him, but he grew worse. I then bought a box of your ointment at your office when in Chicago last, rather doubtingly, but thought I would try it. Judge of my surprise and my opinion of its beneficial qualities, when I found my horse's legs smooth and well in four days from the time I commenced applying it. Your obedient,
E. F. COLBY.

FACTS FOR THE PEOPLE.

More than fifteen years of unrivalled success in the cure of every variety of external diseases and injuries such as sprains, bruises, cuts, burns, cutaneous eruptions, sore lips, sore breasts, chapped hands, chilblains, biles, ulcers, corns, pains in the back, sides, or other parts of the system, rattlesnake bites, &c., bears ample testimony that Sloan's Ointment is just the thing for the beast. Certificates without number have been received by the Proprietor from disinterested individuals, giving details of remarkable cures by its use.

A WISCONSIN WITNESS.

Granville, Milwaukie co. Wis., Oct. 13, 1848.

Mr. Sloan—Dear Sir: Recently my horses ran away with a log chain attached, which cut and otherwise injured them seriously, so much so that I considered my team ruined for business. Fortunately a friend recommended the use of your Ointment. I went to Milwaukie and purchased a box. It soon removed the inflammation, and in a few days the wounds healed The great benefit derived from the use of your Ointment, on my horses, induced me to acquaint you with the fact, believing its publicity would benefit you and the public. Respectfully yours,
GEORGE COMSTOCK.

IT IS A POSITIVE FACT,

And has become a common saying, that Sloan's Ointment and Condition Powder are rapidly superseding all other remedies for all diseases of horses and cattle. The beauty of the medicines consists in their purity and safety, to wit: they may be used over so freely without any danger of taking cold; or any other injury resulting from their frequent use, and never fail to cure if the directions are followed. 1y1dw1y3

BUTLER, Pa., Sept. 25, 1848.

Mr. R. E. Sellers—Dear Sir: I feel it is a duty I owe to the public, as well as to myself, to say that Liver Pills, to state the good effects produced by their use in my own case. During the month of June, 1848, I took very unwell, my appetite was entirely gone, I was entirely prostrated, with severe pain in my side and shoulder. I was taking medical men that my disease was a severe attack of liver complaint, I took several boxes of M'Lane's Liver Pills, and some syrups, which I thought did me good for that disease, but after all I was getting worse. I finally concluded to place myself under the care of a physician for better or worse, fortunately, just at this time, I was cured by the Rev. I. Niblock, of this place, that a friend had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I then went to get for a box of your Liver Pills, and by the time I was done using them, I was satisfied that it was just what ailed me, and I was well in a short time. I went for more, and took five or six boxes, and found myself almost entirely cured; but in March last I caught a severe cold, which brought back the disease, but in a short time I was as bad as ever. I again had recourse to your Liver Pills, and took them every other night for six weeks, and occasionally since, when I feel as if that I can now say, that I feel little if any symptoms of the Liver Complaint, and my general health is as good now as it has been for the last two years.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by the blessing of Divine Providence the means of saving me. I am confident that when the public become acquainted with the value of your Liver Pills, the demand for them will increase. Many of my neighbors, to whom I have recommended the pills, can testify to their value, and will bear to the facts above stated.
Respectfully yours, GEORGE MILLER.

SALEM, Columbiana co., O., Apr. 24, 1841.

DR. D. JAYNES: DEAR SIR—I feel bound to you in justice to the afflicted public, to embrace the opportunity of giving publicity to the extraordinary effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, accompanied by fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, I was induced to try your medicine, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in my neighborhood without effect, I was led to look on the consolation of surviving but a few days or weeks as farther—when the last gleam of hope was about to vanish, I had recourse to your invaluable medicine—and blessed by that Being who does all things in the way of the menan—and contrary to the expectations of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, and enjoying since better health than I had for ten years previous.

Respectfully yours, &c., JAS. W. EETIL.

MR. ELIJAH EATON'S CERTIFICATE TO DR. JAYNE.—This certifies, that immediately after the Allington Jayne's Expectorant had relieved me in March, 1843, I was taken sick with the Consumption or Liver Complaint, and was reduced so low with the disease, that for two years I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. During the above period of time, I had employed the best of medical assistance of regular Physicians and medicines, to the amount of $500, without receiving any benefit therefrom. In July, 1846, I commenced using Dr. Jayne's Medicines, and have taken them more or less ever since, and believe that it was by persevering in their use, that I was cured truly and permanently of the disease, covered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines now in use.

I reside in Springfield, Otsego county, N. Y., and carry on a farm connected with a saw mill, grist mill, and am not interested in any manner in the sale of the above medicines, and make this certificate for the benefit of those afflicted. ELIJAH EATON.

A VERY WONDERFUL CURE—SELLERS' LIVER PILLS.

MEDINA, Mercer co., Pa., Sept. 28, 1848.

R. E. Sellers: Dear Sir, I bought one bottle of your Vermifuge at the Iron City Furnace store, at this place, and I can perform what my other friends have been unfortunate enough to do, on one of my boys eight years old, been unwell for some years, so much so that I had given up all hopes of his recovery. I now offer to any one of my neighbors to try a bottle of your Vermifuge, and I am happy to inform you of it having the desired effect on my boy. It has passed from him in the space of 24 hours, 164 worms, some of them measuring as much as 12 and 14 inches long. I feel bound in justice to your interest to make this statement, as many make any use of my name that you think proper.
Yours, very respectfully,
JONATHAN S. LYLE.

READ! READ!—SELLERS' COUGH SYRUP.—From W. K. Boden, Esq., Clerk of the Court of Quarter Sessions of Beaver County:

Mr. R. E. Sellers: Sir, Some time in the winter my wife was afflicted with a severe and distressing cough, and hearing of your invaluable Cough Syrup, I purchased a bottle from B. T. Trimble, of Bridgewater, and after taking a portion of it two or three evenings on going to bed, she found immediate relief; as also several friends have been relieved in severe cases. I am therefore satisfied that it is a safe and valuable medicine, and would recommend it to those who may be afflicted with severe coughs and colds.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Drs Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with RHEUMATISM or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femora, bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her suffering have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.

TRANSPORTATION LINES.

HARDEN & CO's

Passenger and Remittance Office.

HARDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some sailing craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £1000, payable at any of the provincial Banks in Ireland, England, Scotland and Wales.
