A HEN HOUSE RAVISHER.—In Albany, a few days since, a hen house belonging to a Mr. Phelps was broken into and robbed. Mr. Phelps being angry, allowed that he would "lay for the thief" and shoot him. This drew out the following reply:—

To Mr. Orsin Felps:—Bein one of that air class that gits policy, sayin, way it can, be got, and understanding from your advertisment in a newspaper that you hav sum chickens left, and that you'd got a pistol and sum blu pil to give to the man what stole 'em, this is to certify that I shall come to night, and I have got a howitzer with, one crammed full of nales, tax and other iron implements. I hev marked your size on the side of a church and been practisin on it for a week, and don't think I can miss you. So cum on with your pistil and blu pil. After I get through firin at you, I'll carry home the "duds" on the howitzer. Yours,

A HEN-HOUSE RAVISHER.

THE Andover *Advertiser* tells a story of a woman belonging to that town, who had a falling out with her husband, and threatened to drown herself in the "great pond." Her husband was not at first alarmed, but at length she disappeared, soon her bonnet and shawl were discovered at the water's edge, the alarm spread throughout the neighborhood; diligent search instituted. Several persons were engaged in dragging the pond, grappling irons were brought into requisition, but to no purpose. All efforts, however, proved abortive, and the anxious ones were about to give up in despair, when lo and behold, the lost one appeared, safe and sound. She had been seated in a ticket overlooking the whole affair, and congratulated herself on having come it over them. She richly deserved a ducking, the jade.

LORD BYRON AND MR. CURRAN.—When Lord Byron rose into fame, Curran constantly objected to his talking of himself, as the great drawback on his poetry. "Any subject," said he, "but that eternal one of self. I am weary of knowing once a month the state of any man's hopes or fears, rights or wrongs. I should as soon read a register of the weather, the barometer up so many inches to-day and down so many inches to-morrow. I feel scepticism all over me at the sight of agonies on paper, things that come as regular and as notorious as the full of the moon. The truth is, his lordship *weeps for the press*, and *wipes his eyes with the public*."

A DISPUTED QUESTION.—An old toper, after indulging quite freely in his accustomed beverage, amused himself in tossing a mettlesome horse. The animal not fancying his familiarities, suddenly reared, and the disciple of Bacchus found himself sprawling in an adjacent mud-puddle. Gathering himself up as composedly as his situation would allow, he shouted to his son who was standing by: "John, did you see me kick that 'ere hoss?" "Why, no dad; the hoss kicked you!" "Reckon not, John. One or t'other or us got badly histed. *Twixt me, John, for I'm here!*"

THE VERY FIRST FAMILY.—The Plymouth (Ill.) *Locomotive* tells of a young Virginia lady, who upon being asked if she had ever seen the great Natural Bridge, replied innocently, "Oh yes; *dad helped quarry the stone to build it!*" She must have descended from the *very* first family.

THE best description of *weakness* we have ever heard is contained in a response, given by his wife, when she gave him some chicken-broth, if she would not try to coax that chicken to wade through the soup once more!

Health and Strength Must Inevitably Follow its Use.

Boerhave's Holland Bitters.

THE CELEBRATED HOLLAND REMEDY for Dyspepsia, Disease of the Kidneys, Liver Complaints, Weakness of any kind, Fever and Ague, and the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Costiveness, Blind and Bleeding Piles. To all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others affected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet its cure permanent. It communicates no violent shock to the system, but by gaining its vital energy to normal action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular as a family medicine, that it is sold by many of the proprietors, as well as by all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

WHAT IT IS DOING FOR THE SICK.

Wm. Buchanan, Esq., the well known Lithographer, says: "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented."

Jas. M. Murphy, says: "After several physicians had failed Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press; says: "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of Dyspepsia."

Francis Falls, only manufacturer of the original "Extract of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Ludwig, editor of the Packet, Baltimore, pronounces it "a medicine deserving the confidence of the public."

Dr. Edenhart, the leading German physician of Penna. has prescribed it frequently during the past eleven years with remarkable success in debilitated states of the digestive organs, or of the system generally.

The manager of Hallow's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a community like habit,) and really it is doing her more good than anything she has ever taken."

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!—The great popularity of this delightful Arome has induced many imitations, which the public should guard against purchasing. Do not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

A WONDERFUL DISCOVERY!!

WHICH HAS BEEN THE STUDY AND research of the best medical men that ever lived to find a remedy that would radically cure the Dyspepsia which has been recently found out by

DR. R. T. FORD
OF PITTSBURGH, PENNA.,

His laborious search and research in the Vegetable Kingdom for the proper remedy, has proved to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Bowevels (Stomach) clean and healthy. We must all have good health and cannot be a subject of any general disease.

Dr. R. T. FORD has spent a subject of this awful disease himself, (Dyspepsia) for eight to ten years, and has tried almost every kind of experiments on himself, but in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and gives a healthy action to the stomach and liver. Never to eat and drink your usual hearty fare, which will not interfere—the medicine always doing its duty...called

DR. R. T. FORD'S DYSPEPSIA CORDIAL.

What kind of disease will Dyspepsia cure? I answer it is the first cause of all general disease. Medical.

THREE GREAT LIGHTS!

MANKIND HAVE LONG BEEN ENGulphed in darkness, as regards the true means of securing health—ridding the human body from disease, and preserving life. The sick, under the fallacious treatment of the regular faculty, are subject to a continued practice of probabilities and uncertainties. There is nothing certain or fixed in the treatment of the sick either in the old or new school of medicine.

Dr. Radway has succeeded in producing three remedies—known to the world as Radway's Ready Relief, Renovating Resolvent and Regulators. These Remedies are not only established facts innumerable as they have never yet failed in their special or combined efficacy in producing fruitful and beneficial results—but, they are facts establishing a science—as they have in all cases, "where tried" succeeded in restoring to health—and ridding the body from disease after all other medicinal treatment had failed—and the most skillful physicians had given up the sick as beyond the power of human means to cure—and pronounced the dreadful mandate—Incurable.

Radway's Remedies are therefore fixed facts in the archives of medical science—they have been "often tried"—"never defeated"—and are ready "to be tried again."

FIRST GREAT LIGHT

RADWAY'S READY RELIEF.

As a Special Remedy it is to be used in all cases where the human body is seized with the torturing pangs or paroxysms of—no matter what the cause of the pain may be, or wherein may be located—the application of the Ready Relief, either internally as a drink, or externally as an alleviator, will in a few minutes restore the afflicted body to ease and comfort.

In all cases of Bowel Disorders, Dysentery, Cholera, Bloody Flux, Sick Headache, Nervous Headache, and other Nervous Affections, Neuralgia, Rheumatism, Sprains, Strains, Contusions, Burns, Scalds, Wounds, Shot Wounds, Bruises, Cuts, Poisoning, either by the bites or stings of Reptiles, Insects, or Vegetable or Mineral poisoning by accident—in all cases and under all circumstances where the human system is tortured by pain, Radway's Ready Relief can be relied upon as a quick, safe and certain remedy.

In cases of Billiousness, Bilious Fever, Typhus Fever, Ship Fever, Yellow Fever, Fever and Ague, Scarlet Fever, and all Malignant Fevers, Small Pox, Measles, Pneumonia, Radway's Ready Relief used in connection with Radway's Regulators, will positively cure the sick afflicted with these disorders, and protect the system against sudden attacks when either of these malignant diseases prevail.

SECOND GREAT LIGHT

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking them there no griping pains or sickness at the stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a healthy natural and healthy condition.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators, will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic disorders either in man or woman. Ladies troubled with irregularities or weakening discharges, may try it upon a prompt cure and regaining of perfect health in a few days.

Every dose of Radway's Regulators that is taken instils new strength within the body of the weak, feeble and infirm. All who take them are delighted with the happy change they experience in a few hours. The dispirited and melancholy feel joyous and happy the sick and debilitated, strong and vigorous.

THIRD GREAT LIGHT.

RADWAY'S RENOVATING RESOLVENT,

OR

RADWAY'S RENOVATING RESOLVENT.

Humors, Salt Rheum, Scrofula, Ulcers, Sores, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c., and all Constitutional and Chronic Diseases either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases, as Radway's Resolvent. It changes the whole human body; reproduces new and healthy blood.

☞ Bleeding from the Lungs, Radway's Renovating Resolvent, will in a few minutes check hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or has streaked with blood, Radway's Resolvent will soon remove the difficulty.

☞ Sarah Hammond of 196 East Thirty-second street, had a dreadful case of Scrofula on her breast. She coughed up sometimes half a pint of blood during the night. She was cured in 7 days by the Relief and Resolvent.

☞ A sore leg of 21 years, cured in three weeks by Radway's Relief. Mr. T. H. Kilgore, a merchant of high standing in Indianapolis, Ga., says: "What a gushing joy I feel! For nine years I had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators.

THE THREE GREAT LIGHTS.

RADWAY'S RELIEF—REGULATORS—RESOLVENT.

In all constitutional diseases, and where the constitution is broken down, or the body in a rapid state of decay, or where the seeds of disease, either by the violation of the laws of health, intemperance, excess and indulgence of any kind, have fastened upon the constitution, as in cases of Scrofula, Consumption, Rheumatism, Gout, Piles, and other belt looms, which a long line of ancestry has so bountifully and richly bestowed on posterity, as a monopoly of the past, at the cost of the suffering inheritors. These Remedies, in their training capacity, possess a curative power that no disease can withstand; their combined effect will eradicate from the living body every particle of diseased matter, renovate the whole system with health and the nascent decaying lungs, or other organs, cleanse and purify the uncleanness from all impurities.

The diabled weakness, who is crippled with infirmities—we invite you "to try" these Remedies. We will vouch for their efficacy.

With many hundreds of others who have witnessed and felt the effect of the "Three Great Lights," and as they rule and govern those bodies which they are destined by the Almighty Power, as these three remedies stand as Rulers, Conquerors, and Grand Masters of all diseases.

☞ Price 25 cents per box. Five boxes for $1.

Mount Union Cemetery.

THE TRUSTEES OF THESE GROUNDS would respectfully inform the public that about one-half of said grounds remain to be disposed of, in lots, ranging in price from $12 to $125, and a portion of which is eligible and well adapted for vaulting purposes. The grounds, under the superintendence of Alexander Henry, are now in fine condition, and the lots beautifully arranged and decorated with flowers and shrubbery.

Applications for purchases and postages over any other in this vicinity, are of lies but one-fourth of a mile from the north line of Allegheny City. It is easy of access by the Allegheny and New Brighton Turnpike Road to the northeast corner, and by Sedgwick street, from the borough of Manchester, to the south end. It is a beautifully elevated and yet a retired resting place for the dead.

Any who may desire to obtain lots or single burials in such a convenient and appropriate spot, can be supplied by calling on Mr. JAMES LONGHORN, Leather Merchant, on the south side of the Diamond, Allegheny City.

It may be necessary, for the information of those who are or may be interested in said Cemetery, to state here that the Trustees have now a sinking fund of three so four thousand dollars, and it is the intention of the present Board to have this sum increased to an amount, of which the interest will be amply sufficient to keep the grounds forever in good repair, so that lot holders will be forever freed from any expense, for that purpose.
