PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth Than are dreamt of in philosophy."

THOSE VIRTUES of the remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles with labels and directions for the benefit of the public.
The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, in a pure state. Science, with its unerring and very chemical change, but just as flows from Nature's Great Laboratory! That it contains properties reaching almost to the point of discovery, no longer a matter of uncertainty. There are many things in the greens of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constant and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.
We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of ELFA, that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it. None genuine without the signature of the proprietor.

Passenger and Remittance Office.

HARNDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and deliver them without any detention by the first ships.—We say this fearlessly, as we defy any of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others are detained months, until they could be sent in some old hulk, at a cheap rate, which too frequently proves their coffin.
We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers—who either performed not all, or when it suited their convenience.

The Best and Cheapest Horse Medicine IN THE WORLD.
SLOAN'S OINTMENT AND CONDITION POWDER.

Have served a great name. For Parting, Mildew, Scaly, and Thoroughpiece, SLOAN'S OINTMENT Excels. And is rapidly superseding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises, cracked heels, ringbone, windbone, windgalls, poll evil, callus, spavins, sweeney, fistula, splint, straine lameness, sand crack, foundered feet, scratches or grease mange or horse distemper.
The Powder will remove all inflammation and fever purify the blood, loosen the skin, cleanse the water and strengthen every part of the body; and has proved a sovereign remedy for the following diseases:
Distemper, hide bound, loss of appetite, inward strain, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism, (commonly called stiff complaint,) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases.
Grand Depot, 40 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Galena North Western Gazette."
By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 200 per cent, on the cost of the medicine. And a cow which was so feeble as to be considered worthless by myself and neighbors was restored to good health and strength by the use of less than half a package of the powder, and is now doing better than any other cow I have.
Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when na ked, fell into a large fire of live coals, and was burned severely from head to feet. The best of medicine and attention was given to the child for four or five days without any relief—each day's sufferings increased till his pieces could be seen for the inflammation, at which critical period one of my neighbors recommended and presented to me a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the ingravated sores of the suffering child, the pain ceased entirely, and he slept quietly all the remainder of the night. My residence is in Hart township, Vermillion county, and State of Indiana.
THEODORE L. TAYLOR.

EXTRAORDINARY CURE.

April 12, 1848. Four miles north of Chicago (on the road to Milwaukie,) Cook county, Illinois.
Mr. Sloan.—Dear Sir: One of my horses had a large bony tumor on his breast bone, immediately under the collar, which lamed him and rendered his service so very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Condition Horse Ointment, and used that until I became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the lump went entirely away and the horse was well. Yours,
EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powders."
These remedies no longer remain among those of doubtful utility, they have passed from the ordeal of experiment, and now stand higher in reputation and are bec
