CHEMICAL STOVE POLISH
THE Phœnix Manufacturing Company now offer to the public their Premium Chemical Stove Polish, and without exaggeration, or fear of contradiction, by those who have tested it, pronounce it far superior to any other in the market. The consumer need have no apprehensions of soiling carpets, &c., as its composition prevents a dust from arising when being applied, which must be done when the Stove is cold.
The quantity required is so little to produce a beautiful lustre. A saving of over fifty per cent is insured to the consumers. A coating applied to Stoves, Pipes, &c., when laid away for the summer, is a sure preventative against rust. After having tried it once, (if it is accessible) no person will use any but the Phœnix Manufacturing Company's Premium Chemical Stove Polish. For sale by

Bennett's American Poultry Book.
THE Poultry Book, and Fowl Breeders' Guide—Being a treatise on the Breeding, Rearing, and General Management of Domestic Fowls, with numerous original descriptions and Portraits from Life. By John C. Bennett, M. D.
This work will be found to contain a greater amount of original and other information, both practical and useful, in regard to Fowl Breeding, than is contained in all other American works together. It will be illustrated with nearly Fifty Portraits of the most choice varieties of American and Foreign Fowls, about forty of which are from life, from drawings taken expressly for this work, of the most important breeds, and several of them from fowls very recently imported.
The publishers have spared no expense to bring out this work in a superior manner, both in regard to the engravings, the merits of the work, and the general execution of every part of the book. And it is believed that the work will be found to contain more practical information on Breeding and Managing Domestic Fowls, than any work issued in this country.

D. 1850, provides as follows, viz:—
SECTION 11. That the Governor is hereby authorized to negotiate a loan for the sum of Three Millions Three Hundred Thousand Dollars, redeemable in thirty years from the date of the subscription thereof, at a rate of interest not exceeding four per centum per annum, payable in gold and silver, semi-annually, upon the first days of February and August of each year, and exempt from every species of taxation. Notice, that proposals for said loan will be received, shall be published in at least one newspaper in the Borough of Harrisburg, in the cities of Pittsburgh, Lancaster, and Philadelphia, and in the cities of New York, Boston, and Baltimore, for a period not less than three months before the opening of said proposals, and by letter elsewhere, if deemed necessary, and upon the day assigned for that purpose in such notice, the proposals shall be opened in the presence of the Governor, the Secretary of the Commonwealth, and Auditor General, and the loan shall be awarded to the highest bidder or bidders. If the amount of the bids shall exceed the sum of the said loan the same shall be distributed pro rata amongst the highest bidders, but if the whole of said loan shall not then be taken the Governor may renew notice, in the manner aforesaid, from time to time, till the whole amount of said loan shall be subscribed. No conditional bids shall be considered; and upon awarding such loans, or any part thereof, certificates with coupons for the interest, shall be issued therefor by the Auditor General.
SECTION 12. If the said loan shall be subscribed, it shall be and it is hereby appropriated for the payment and extinguishment of the funded debt of this Commonwealth, now due, or to become due, during the year one thousand eight hundred and fifty, and for the payment of the sum of eighty five thousand one hundred and four dollars and eighty eight cents, due to domestic creditors.
In pursuance of the provisions aforesaid, notice is hereby given, that proposals will be received at the office of the Secretary of the Commonwealth until 4 o'clock P. RESOLUTION
RELATIVE TO AN AMENDMENT OF THE CONSTITUTION.
RESOLVED by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article, so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth, in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large; the President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, by the qualified electors of the respective districts over which they are to preside or act as Judges; and the Associate Judges of the Courts of Common Pleas by the qualified electors of the counties respectively. The Judges of the Supreme Court shall hold their offices for the term of fifteen years, if they shall so long behave themselves well, (subject to the allotment hereinafter provided for, subsequent to the first election;) the President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, shall hold their offices for the term of ten years, if they shall so long behave themselves well; the Associate Judges of the Courts of Common Pleas shall hold their offices for the term of five years, if they shall so long behave themselves well; all of whom shall be commissioned by the Governor, but for any reasonable cause, which shall not be sufficient grounds for impeachment, the Governor shall remove any of them on the address of two-thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the Judges who may be then in office shall expire on the first Monday of December following, when the terms of the new Judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows: One of them for three years, one for six years, one for nine years, one for twelve years, and one for fifteen years, the term of each to be decided by lot by the said Judges, as soon after the election as convenient, and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter each Judge whose commission shall first expire shall in turn be the Chief Justice, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation, or otherwise, in any of the said courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Judges of the Supreme Court and the Presidents of the several Courts of Common Pleas shall, at stated times, receive for their services an adequate compensation, to be fixed by law, which shall not be diminished during their continuance in office; but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court, during their continuance in office, shall reside within this Commonwealth; and the other Judges, during their continuance in office, shall reside within the district or county for which they were respectively elected.

MEDICAL.

PROCLAMATION.
KNOW all men who are sick and afflicted with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c, that they can be cured by taking the Petroleum! You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from any of the ills enumerated above. Relief! It costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhœa, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents.

BEAUTY—It is universally conceded that beauty is more common in this country than in any other, while at the same time it is said that in no other country is it lost at so young an age. Now this is true to a certain extent, but the loss is often caused by neglect. We say to all, do not neglect your personal appearance, but read the following, and you need not lack good looks. These articles are scientific preparations, and have all attained a high popularity.
JULES HAUEL'S EAU DIVINE DE VENUS AND NYMPH SOAP, for removing tan, sunburn, pimples, blotches, and other eruptions of the skin; the most perfect conservator of beauty every known. Purchase nothing purporting to be Nymph Soap, unless it has my name attached.
JULES HAUEL'S PERSIAN OR CHINESE POWDER, for imparting to the most bilious complexion a radiant whiteness. In nothing should a person be more careful than the use of a powder for the skin, as many of those sold are very injurious. My Chinese Powder is compounded in a scientific manner, and contains no ingredient which can possibly inflict an injury.
JULES HAUEL'S DEPILATORY POWDER, for removing superfluous hair. What is more unsightly than hair upon the face or arms of a lady. This article will remove it in a short time, without the use of any sharp instrument.
JULES HAUEL'S VEGETABLE LIQUID HAIR DYE will instantaneously impart to red, white or gray hair, a beautifully black, brown or auburn color. It will color the hair in a shorter time, and more effectually than any other Dye, being at the same time indelible.
JULES HAUEL'S SHAVING CREAM.—It is really a pleasure to shave with this cream. There is none of the smarting sensation usually experienced in the use of most Soaps. On the contrary, it leaves the skin smooth and soft as an infant's, and not liable to become chapped.
JULES HAUEL'S ROSE TOOTH PASTE.—Next to the hair, we think the Teeth were intended as the greatest ornament to the human face, but when neglected, nothing is so disfiguring, or so quickly seen. My Rose Tooth Paste will impart to the teeth a pearly whiteness, at the same time keeping the gums firm and healthy.
Also on hand, a complete assortment of French, British, and American Perfumery and Fancy articles.

MEDICAL AND SURGICAL OFFICE,
No. 41, DIAMOND ALLEY, a few doors from Wood street, towards the market.
DR. BROWN, having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. 14 years assiduously devoted to study & treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.
Dr Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured; he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by a long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give to one class of disease.
☞ Hernia or Rupture.—Dr Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.
CANCERS also cured.
Skin diseases, also Piles, Palsy, etc., speedily cured. Charges very low.
N. B.—Patients of either sex living at a distance, by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T. BROWN, M. D., post paid, and enclosing a fee.
Office No. 65 Diamond alley, opposite the Waverly House.
RHEUMATISM.—Dr. Brown's newly discovered remedy for Rheumatism is a speedy and certain remedy for that painful trouble. It never fails.
