PITTSBURGH:
TUESDAY MORNING, JAN. 5, 1858.

REPUBLICAN NOMINATIONS.

PITTSBURGH—ELECTION, TUESDAY, JAN. 5.

MAYOR,
HENRY A. WEAVER,
Controller—HENRY LAMBERT,
Treasurer—WM. EICHBAUM.

ALLEGHENY—ELECTION, TUESDAY, JAN. 12.

MAYOR,
James Miller,
Director of Poor—A. DAVIDSON.

Look Well to Your Tickets.

All kinds of smooth-bore tickets will be in circulation to-day and it will require special watching to avoid being imposed upon by them. Look well to your tickets, therefore; take them only from tried and known Republicans, and scrutinize closely your ticket for city officers and councils. In this fight the watchword is "Give no quarters to the enemy!"

Do not Forget to Vote.

Last fall, at the October election, when we were in the midst of the monetary panic, hundreds of our Republican merchants and business men neglected to vote, being too much absorbed in their own difficulties. The trouble of that crisis has passed sufficiently to give them all a breathing spell, and as business in all departments is stagnant, they can have no excuse for not voting *to-day*. They owe it to their principles to go to the polls to-day, not only to make up for last year's lack, but to vindicate them at a time when, of all other times, their vindication will prove of the utmost value. A voice of condemnation of the Buchanan administration heartily uttered in the present political crisis, will challenge attention, even in that sink of political iniquity, the Federal City. Now, when wavering politicians are stretching their necks to catch the faintest whispers of public opinion for their guidance, is the time to give them an unmistakable indication of what public opinion is *here*. Let the Lecompton swindle be repudiated to-day by an overwhelming majority.

Every Republican in the city ought to vote to-day. We have an excellent ticket, and every candidate on it deserves a hearty support. Everybody in the city admits the ability of Mayor Weaver's administration; shall it not, therefore, be sustained by such a verdict as an approving people know so well how to give? Not the verdict of a meagre majority, but the tribute of an unparalleled one.

REPUBLICANS! We have no appeals to make to you. We only ask you to do your duty—to go, one and all, to the polls, and vote the straight Republican ticket, without a scratch, and without a why or a wherefore. The enemy are calculating on your supineness and inactivity, and on their ability to dupe you, by personal appeals, into supporting some one or more of their nominees. Disappoint them in all these expectations. The opportunity of rebuking the Locofoco party for the frauds and deceptions it practised in 1856, is a rare one, and must be well improved. Remember BIGLER, the recreant Senator from Pennsylvania, and remember, too, that all the candidates on the democratic ticket are put forward as BIGLER men; and with this remembrance to stimulate you, give him a crushing blow that will do as much credit to you as the well-directed blows of the "little giant" have done to Douglas.

City Treasurer.

Extraordinary efforts have been made by the democrats to induce Republicans to vote for Mr. Davitt, for Treasurer. The word has been given out, everywhere, that Mr. Davitt is sure to be elected, and the locofocos in the county are looking for his election with a hope that could only have been stimulated by cooked-up reports sent out from the city. What claim has Mr. Davitt upon Republican votes? He has always been a democrat, always votes the clear democratic ticket, and sticks by his party under all circumstances, never hesitating to swallow both objectionable men and objectionable measures. *He* never votes for a Republican, and why should a Republican vote *for him?* And why especially, should such a suicidal act be committed, when we have such a venerable, worthy and deserving candidate as WILLIAM EICHBAUM? Can any Republican look upon his venerable grey hairs, and reflect upon the long and faultless life he has spent in our midst, and vote against him? Mr. Davitt is a very respectable gentleman, we admit: but he is [illegible]

THE FORM OF ELECTION TICKETS.

The following is the section of the Act of Assembly under which the election to-day will be held:

"That the qualified voters of said city shall, at the elections for city and Ward officers, vote for said officers on three separate written or printed ballots, one of which shall be headed 'City Officers,' and shall contain the names of persons voted for *for* Mayor, Treasurer and Controller; one shall be headed 'City Councils,' and shall contain the names of persons voted for for Select and Common Council; and the other shall be headed 'Ward Officers,' and shall contain the names of persons voted for for Alderman or Aldermen, Judge of Elections, Inspector of Elections, School Directors, Constable, Assessor and Assistant Assessors; said tickets shall be folded so that the words, 'City Officers,' 'City Councils,' and 'Ward Officers,' shall, in all cases, be exposed to view, and they shall designate the particular office for which the persons named are voted for."

Under this law, but *three* tickets or slips will be voted to-day. The first will contain the names of *all* the city officers voted for; the second the names of *all* the Councilmen to be voted for; and the third the names of *all* the Ward officers to be voted for. No separate tickets or tickets for separate offices can be received by the election officers or counted by them.—The plan is a good one. It expedites voting, and lightens materially the labor of election officers.

THE Pittsburgh *Union* has been giving, from time to time, a list of newspapers of the Democratic sort in this State, which have taken ground for and against the Lecompton swindle. We find other papers, in other places, doing the same thing. One paper adds a third table, in which, after enumerating the pros and the cons, it adds this:

"OF BOTH SIDES.—Lancaster *Intelligencer*, Pittsburgh *Union*, and Harrisburg *Patriot*."

We notice this fact only to deprecate the injustice of such a collocation. The *Union* was on both sides only until the President's message came out. The paper from which we take the above table—the Warren *Ledger*—ought to know that the *Union* took sides in favor of the Lecompton swindle as soon as it was sure the President was there.

BANK STATEMENTS.—The first weekly statement of the Pittsburgh banks appears in our advertising columns this morning. Our readers will note, on perusing it, that the position of the banks is a strong one—a very strong one, and that it compares favorably with any statement furnished by the banks of any other city. The aggregates of the seven banks are as follow:

LIABILITIES.			
Circulation	$1,355,906 00	Bills Dis'd	$5,163,218 01
Deposits	1,154,904 08	Specie	1,182,915 95
Due other Banks	108,654 13	Due by other Banks	397,969 04
	$2,620,835 11		$6,738,091 00

MERCHANTS' AND MANUFACTURERS' BANK.—This Bank makes public announcement this morning that it is prepared henceforth to pay specie on its liabilities. Its condition may be seen by reference to the full statement of its affairs which appears in our columns this morning.

THE *Union* contends that no person is fit for Mayor of this city but a *Lawyer*. Why, then, did not the democratic party nominate one for that office?

THE St. Louis *Evening News*, the State organ of the American party in Missouri, openly approves of the armed movements of the free State men in Kansas. It publishes an editorial article headed "Civil War in Kansas—Its Righteousness—Let the People Arm for Resistance!"—The following paragraph is worthy of note:

"We turn to the people of Kansas. They have been shamefully deceived and betrayed in regard to the privilege of choosing their own constitution, and regulating their domestic institutions, and they have sworn to resist usurpation to the bitter end. We append them for it, and say, God speed them in the right. Let them take up arms and defy Mr. Buchanan and his troops, and return shot for shot, as long as they have a gun and a man to fire it. When they shall fallen in the righteous cause, there will million freemen to take their places and carry on the war."

The editor of the *News* is a Southern man, and was, be believe, a slaveholder.

THE Democratic (Douglas) papers of Illinois, are shrieking for freedom in bleeding Kansas like so many calliopes playing Hail Columbia. The Illinois State Register, the central organ of the Illinois Democracy, is guilty of "Constructive Treason" in the use of the following incendiary language:

"The British Parliament forced burdensome and oppressive laws on the colonies. The colonies had no resource left but rebellion. In what respect does the case of Kansas differ from that of the colonies? In both instances the laws are burdensome and oppressive, in both instances it is a usurpation of the people's rights, and in both instances there is but one remedy—rebellion."

DR. DR. FITCH would also add that as he is accustomed to deal frankly with his patients, none need apply who are afraid to learn their true condition, the actual state of their lungs, and their probable chances of recovery.
Consultations personally or by letter free.

Over 300 beautiful, instructive Engravings of Rural Objects, of interest and utility, will be given in 1858.

The January Number has 75 instructive articles, and over 30 engravings, and this is a fair sample, though even less valuable than the succeeding numbers will be.

The January number gives a list of **Fifty-one** varieties of FIELD, GARDEN and FLOWER SEEDS, of choicest kinds and best quality, to be obtained from the best gardens in Europe.—From this list every subscriber will be enabled to choose any *three* parcels he or she may desire, free.

The Seeds will alone be worth to many persons the full subscription price; but aside from them,

Every number will contain as much *practical reading*, and more engravings, than most of the Dollar Books offered to the public. Thousands of subscribers have said, of the past less valuable numbers, that they would not part with them for $1 each. Still

Volume XVII (for 1858) will be furnished to subscribers, *entire, for* $1; Six copies for $5; Ten or more copies at $0 cents each.

Do you ask how all this can be done?

Ans. The *Agriculturist* has a larger regular circulation than is a dozen of the ordinary Agricultural and Horticultural journals. A few cents profit on each subscriber, gives a large sum to be appropriated to paying the best writers,—collecting information—costly Engravings—and for Seeds for free distribution.

Further: the Publisher is determined to issue a journal that shall not only be an honor to the Agriculture and Horticulture of our Country, but one which shall be so valuable and so full of instruction in every department of Soil Culture, whether on a large or small scale, that no person (except those shut up in brick walls without a foot of spare land) can afford to be without it.

$30,000 were spent upon the Agriculturist last year, and as the present new and renewed subscription list warrants it, the sum will be doubled for 1858.

The Publisher's motto is: "get up the Best paper *first*, and make money afterwards if he can."

If you want *such* a Journal, with the extra Seeds, &c., send $1 (in gold or Scent P. O. stamps, or bills of Banks in good credit at home) and you will receive the January number at once, from which you can select the seeds.—The future numbers will be mailed on or before the first day of each month.
