T. KINGSFORD & SON'S
*PURE*
**Oswego Starch,**
(FOR THE LAUNDRY,)

HAS established a greater celebrity than any other starch ever before obtained by any other Starch. This has been the result of its marked superiority in quality, and its invariable uniformity.

The quality may be assured of the continuance of the high standard now established.

The production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.

Working from one to a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the article for all time of the year. *This is the great Desideratum in Starch making, and it has been now for the first time, achieved.*

The very best Starch that can be made, and *no other*, is always used by themselves, and those will be supplied to those by the grocers, as soon as their customers have learnt, and are willing to pay for it—so that they are enabled to be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the long period, that he has been in the business, he has been, beyond any question, the most prominent Starch maker in the first 17 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

*Ask for Kingsford's Starch, as the name Oswego has been recently taken by other factories.*

For sale by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S
OSWEGO CORN STARCH,

(FOR THE LAUNDRY, etc.,)

Has obtained an equal celebrity with their Starch for the laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow-Root, besides having additional qualities which render it invaluable for the country.

Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.

From its great delicacy and purity, it is coming also into extensive use as a diet for infants, and invalids.

The subscriber having been appointed sole Agent for the sale of the *Starch* exclusively, is prepared to offer and supply the trade at Eastern prices, with addition of freight.

## Medical.

R. R. R.
A FALSE THEORY EXPOSED.—THE TRUE SCIENCE REVEALED.

Mankind have long been engulfed in darkness as regards the mysteries of medicine, and of deriving a truthful solution of the power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion and a tissue of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results attained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a solemn and startling fact, that three-fourths of those who have departed this life died victims not to disease, but to the injudicious application of this subtile and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system that difficulty for which they may be given, and of restoring the sick human spirit to its natural condition of health.

This is readily seen by the marvellous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the parts possessing the disease, the physician feels its effects, it throws off the cause, and thus thoroughly eradicates it from the system.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular, as well as by the medical faculty, that it is used by many of the greatest of the land, the evidence of its well-tried worth, and its extensive and unexcelled powers, yet as there are doubtless some who have tried many advertised remedies, and still suffer from the Dyspepsia or one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons as well known.

WHAT IT IS DOING FOR THE SICK.

Wm. Schuchman, Esq., the well known lithographer, says: "I have frequently used Berhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

T. W. Woodwell, Esq., says: "I have used Berhave's Hol and Bitters myself, and recommend it to others, knowing it to be just what it is represented."

Ald. Jonathan Negley, of Lawrenceville, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

Jas. M. Murphy, says: "After several physicians had failed to give me relief, I was induced to try Berhave's Holland Bitters, and it soon removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press says: "After one of the best physicians in this place had failed, Berhave's Holland Bitters cured me of the worst form of Dyspepsia."

French Pills, only manufacturer of the celebrated "Elixir of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Ludwig, editor of the Packel, Baltimore, pronounces it a medicine deserving the confidence of the public.

Dr. Ederhart, the leading German physician of Penna. has prescribed it frequently during the past three years with marked success in debilitated states of the digestive organs, or of the system generally.

The manager of Ballard's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (furnished with the great debility common to all a consumptive habit,) and really it is doing her more good than anything she has ever taken."

NOTICE—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, composed of single medicinal properties.

CAUTION!—The great popularity of this delightful Arcana has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Berhave's Holland Bitters a fair trial. One bottle will convince you of the infinitely superior merit it is to all these imitations.

☞ Sold by the single $1 per bottle, or six bottles for $5.00 by the sole Proprietors.

INDIA RUBBER HOSE.—3500 ft. from ⅜ to 10 inches in calibre, 3 and 4 ply thick, suitable for Hydrant, Steamboats, Fire and Locomotive Engine purposes, for sale by D. K. E. FORD, de9 J. J. H. PHILLIPS,
*OF PITTSBURGH, PENNA.*

His laborious search and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Reservoir (Stomach) clean and healthy. We must all have good health and cannot be subject of any general disease.

Dr. R. T. FORD has been a subject of this awful disease himself, (Dyspepsia) for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty—called

DR. R. T. FORD'S DYSPEPSIA CORDIAL.

What kind of diseases will Dyspepsia produce? Answer: it is the first cause of all general diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Bilious Diarrhœa, Bilious and Typhoid Fevers, Fever and Ague, Nervous Fever, Neuralgia, Hernia, Piles, Costive Bowels, Boils, Husky or Gummy Skin, Colds, Rheumatics of all kinds, Apoplexy, Insanity, Weakness of the system, False Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a dyspeptic stomach. From that organ all general diseases will be produced. (If this statement is true, which no sane mind will deny,) because all who have been sick know this statement to be true from experience, a sick or deranged stomach is first.

How important it is to a poor patient who has been suffering for many years, to point him to a remedy that he can rely on, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of a light house, his heart bounds with joy.

PRICE THREE DOLLARS PER BOTTLE.

KENNEDY'S MEDICAL DISCOVERY—
Is from one to three bottles. It cures the worst form of pimples. Two bottles are warranted to cure the worst tetter. It cures the worst scalds. Two bottles are warranted to cure the worst sore legs and venereal sores. Three to five bottles are warranted to cure the worst case of ringworm. Three to four bottles are warranted to cure salt rheum. Five to eight bottles are warranted to cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Nothing looks improbable to those who have in vain tried all the wonderful medicines of the day, so that a common weed growing in the pastures, and along old stone walls and rotten fences, flower in the system, yet it is now a fixed fact. If you have a humor it has to start. Tetter on the hands and arms, humor or bad's about the anting some cases and not yours. I publish over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has a wonderful effect on the system in two weeks, even down in Missouri. Give it to children over a year old: to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was all alive with humors, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. When the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever were heard, but I have tried it and I never recovered; yet the best you can get. I have likewise an herb, which, when immersed in sweet oil, dissolves scrofulous swelling of the neck, and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

Sold Wholesale and retail at DR. KEYSER'S, 140 Wood street, corner of Virgin Alley, and J. P. FLEMING, Allegheny.
