GAS FROM ROSIN OIL

OR OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always been a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substance, and yields the purest, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficult, if not impossibility, or entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his planes, complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

Medical.

R. R. R.

A FALSE THEORY EXPOSED.—

THE TRUE SCIENCE REVEALED.

Medicine has long been confounded in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, was a delusion and a bundle of improbabilities and uncertainties. There is nothing in theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and its most caresses unsatisfactory.

It is a sickening and startling fact, that three-fourths of those who have departed this life* died victims, *not to disease, but to the injudicious application of the unsafe and uncertain theory, as practiced by the regular faculty.*

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as insurmountable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored these dying patients to new life and health.

To the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for those remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to its normal condition of health.

This is really seen in the numerous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied—it takes hold of the body tortured with pain, and conquers inflammation, all pain and uneasiness cease, and the crippled, lame and wounded limb becomes invigorated with renewed strength. So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and a multitude of chronic disease quickly become extinct after few doses is taken.

In cases of Irregularity, Constipation of the Bowels, Congestion of the Liver, Congestions, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of these difficulties. In cases of temporary Constipation or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and more debilitated. Radway's Regulators will instantly remove the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without purgitating the system or cramping the bowels.

These remedies are the only ones that have reduced to hygienic principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled routine. They, and they alone, have imparted to the medical profession the efficacious and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking the human body as the problem, and health as its normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and then restore the constitution to its integrity, by the expulsion of those morbid or organic irregularities which vitiate the soundness of the whole.

In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhœa, Typhus and Typhoid Fevers, and all malignant and malignant so-called diseases, the patients of these terrible maladies, but not only positive curatives, but certain preventives.

Neither in the milder latitudes of the North have these remedies cured the patients of these terrible maladies, but under the burning zones of the tropics, where, in the wildest and most violent disease, they succeeded in saving the people as a pestilence. When these remedies you need not fear exposure to any contagious disease or infectious malady.

CONSTITUTIONAL DISEASES.

All diseases that have become *established* in the system, such as chronic or constitutional, Radway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Bronchitis, Ulcers, Fever Sores, Tumors, Humors, Humors, Blotches, and all skin diseases will quickly yield to the Resolvent, a powerful remedy.

The use of the Resolvent will, in a few weeks, entirely change the whole condition of the body, we care not from how many generations you have derived your title to the diseases established in your bodies, Radway's Resolvent will remove it, and give to you what your forefathers were unable to give you—a healthy body—free from diseases

COMMON DISEASES.

All diseases prevalent at this season of the year, caused by derangement of the organs of the system, sudden changes of the weather, heat and cold, disturbed circulation of the blood—Rheumatism, Neuralgia, Nervous Pains, Bowel Complaints, Fever and Ague, Headache, Toothache, Aches and Pains of all kinds, Bruises, Burns, Scalds, Falls, Inflammatory Rheumatism, Congestive Diseases, Humors in the system—Impure Blood, Boils, Pustule Pimples, Blotches, &c. Liver Complaints—Dyspepsia, Kidney Complaints, and all diseases whether of the inflammatory, malarious, nervous, chronic or organic kind, Radway's Regulators will most positively exterminate and restore the infirm and sick—Bad system to health and strength.

TO THE AFFLICTED AND THE DYING.

To whom have friends now upon the brink of the grave, on whom all hope of recovery and health—who have been given up as incurable by your physician, we invite you to make a trial of these remedies, and if we can not save the valued life of the dying one. A trial of these remedies cannot destroy life, and may restore life and health, even though no hopes are entertained of recovery. We have thousand and thousands have come to our knowledge, and we therefore, feel ourselves justified in recommending the trial. Surely, after the physician says he can do no more, his prejudices to your using a remedy that must do good, is criminal.

As a few of the instances we have alluded to in the above article, we refer the public to the case reported to be of a most desperate character, and well known in Canada West as a man of high integrity, and well approved of by his countrymen for his high official capacities.
