REASONS for buying at home in place of from Tree Peddlers:

1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (2d class) 12½ that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.

2d. You can have them planted a few hours after they are taken up, while the peddlers' trees have weary hours to pass on canals and at railroad depots before they reach the planter.

3d. If mistakes occur a proprietor is still about to correct them, but a peddler, where is he?

With the Screw Steamers MINERAL ROCK and ILLINOIS, leaving THREE BOATS per day Cleveland seven weeks through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public; being acknowledged to be unequalled for speed, accommodation, and superior comfort, over any other Lake Steamers. The "IRON CITY" comes out completely renovated; her cabin being extended her full width, giving her first class passenger accommodations which for delightful facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are coming each succeeding season more popular; none affording the tourist, even for a fortnight's absence, health or pleasure, so many attractions. Leaving Cleveland, the traveller passes over Lake Erie, touches at the beautiful river Detroit, St. Clair and St. Mary's and over Lakes St. Clair, Huron and Superior; passing the Falls of Ste. Marie; and the Pictured Rocks; visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City. With many other localities of interest; giving the scientific and enterprising sufficient opportunities for visiting the Copper and Iron Mines, the seeker of health the cool and bracing climate, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a Cathartic, cooling, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a *Liver regulator*, acting first on the *Liver* to regulate the secretion of bile, and then on the stomach and bowels to carry off the matter, thus accomplishing two purposes at the same time, not any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions regularly, the health of the system are almost entirely dependent on the Liver for the proper performance of its functions. If the bowels become costive, the whole system suffers in consequence of having a vitiated or sluggish Liver, one of the most prominent symptoms of which is constipation, whereas the contrary effect is produced when the Liver is healthy.

To prove that this medicine is filled with *LIVER ONLY*, we have put up a large number of bottles, containing a full dose, and will forward one to any person who may send their address, free of charge, to any part of the United States, or Canada, on receipt of the price, which is only 25 cents per bottle. Any person who is afraid to take a bottle of medicine, for fear of being imposed on, can send the money, and have the medicine sent them free of charge, by addressing the Proprietor.

Dr. SANFORD'S INVIGORATOR is not to be taken at all times, like other medicines, but should be taken only when in need of a cathartic medicine, or when the system is in a feverish state, or when the bowels are costive, or when the Liver is torpid, or when the stomach is out of order, or when the blood is impure, or when the system is in a feverish state, or when there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when strewed in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, teaspoonful. As no direction can be made applicable to all conditions, take enough to operate on the bowels once a day.

Mr. HENNEBY gives personal attendance to all cases of scrofula.

Sold Wholesale and Retail at DR. SAYRE'S, 140 Wood street, corner of Virgin Alley, and J. T. FLEMING, Allegheny.

PERUVIAN SYRUP!
OR,
Protected Solution of Protoxide of Iron,
HAVING SUCCESSFULLY

It proved the ordeal to which it was first subjected in the Hospital Medical practice, it is now offered to the public as an established Medicine for efficacy in curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered States of the Blood, Boils, Scurvy and the Prostrative Effects of Lead or Mercury, General Debility, and all Diseases requiring a Tonic, or Alterative Medicine, is now beyond question.

The proofs of its efficacy are so numerous, as well authenticated, and of such peculiar character, that it may be deemed reasonably hesitant to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, and its effects so decidedly salutary, unlike, are intimately related, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the Syrup proposes a remedy is precisely that which has so often baffled the highest order of Medical skill. The Syrup is now offered to the public, accessible, and the safety and efficacy of the Syrup is controvertible.

Those who may wish for an opinion from disinterested persons respecting the character of the Syrup, cannot find it better than with the following, which contains testimonials in the hands of the agents. The signatures are those of gentlemen well known in the community of Boston, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the Peruvian Syrup, do not hesitate to recommend it to the Public.

From our own experience as well as from the testimony of others, whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Disease of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, etc. Indeed its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony, as we do also, to its restorative power.
