PITTSBURGH POST.

A Prolific Family.—Discovered a The Memphis Avalanche well branched family ... most prolific head of this family is now living in Chickasaw co., Miss., on the plantation of Col. Duncan Hubbard, and is now considerably over one hundred years of age. She was a woman and a mother during the war of the revolution. Her name is Patsey. The number of her descendants is truly astonishing, she having no less than *three hundred and one* living children, grandchildren, great grandchildren and great-great grandchildren. A large number of the descendants—perhaps one third of the whole—have died. Her oldest son a robust, healthy man, died recently at the age of ninety years, and her youngest living child is over seventy years old. One of her sons, "Uncle Billy," is the father of sixteen children, and these children have now living eighty descendants. Patsey, the maternal ancestor of all this army of men, women and children, still lives in the enjoyment of a ripe old age, surrounded by every comfort which a kind and indulgent master can bestow, and respected by all who know her, whites as well as blacks.

Special Notices.

Vegetable Substitute for Calomel and Blue-Pill.

BRANDETH'S VEGETABLE UNIVERSAL PILLS by restoring the bowels to their original *daily* and *natural* action, give strength to the stomach, purify the blood re-establish the healthy condition of the digestive organs, and thus cure dyspepsia, colds, coughs, rheumatisms, dropsies, and sickness generally, whether chronic or recent. The celebrated Abernethy says:—"After having cured the derangement of the bowels, debility and all diseases generally disappear *of their own accord*, even in a short time." The experience of a century has established the worth of these Pills beyond dispute, as a purgative anti-bilious medicine; and their use by upwards of 4,900 conscientious physicians, and by over a million of families, shows that they are supplying one of the wants of humanity, and are in advance of medical science. The above pills, although purely vegetable, are now known and used as a substitute for calomel (*Hydrargyri Chloridum Mite,*) producing all its alterative and other indications, with none of its disorganizing effects upon the solids—often crippling for life—or its distressing action upon the teeth and gums. The prepared concentration from the same principles—the Life Addition Pills—is a substitute for blue-pill (*Pilulæ Hydrargyri*) possessing the peculiar action on the secreting organs, of that preparation from mercury, but none of its salivating or other injurious effects. Those who have used them, as a *blue-pill substitute* or otherwise, award to them the highest praise. They come nearer to a concentrated Essence of Life than anything yet made, in the way of medicine, by man. A single pill given daily, when all hope has fled, has often restored health. In fact, they supply an organic principle to the blood, always wanting in extreme cases of sickness. Old people have the secretions of early youth restored by the Life Addition Pills. Their value as life preservers is beyond estimate. Brandeth's Vegetable Universal Pills remove from the bowels and blood of a sick person the cause of death THE LIFE ADDITION PILLS SUPPLY THE ORGANIC NECESSITY OF THE BLOOD'S VITALITY—the minute globules of vegetable essences, of which they are but the concretion, have their *exact counterpart* in the vital globules of the blood. And from whence does the blood derive its life, its globules? verily from the same source from whence Dr. Brandreth derives the life principle of the Life Addition Pills—from the Vegetable Kingdom!

These pills, as also the Universal, are warranted purely vegetable. Retailed respectively at 25 and 50 cents. Physicians and the public supplied by the gross, or single box, at No. 294 Canal street, Brandreth's Principal Office; by Thomas Redpath, No. 27 Diamond street Pittsburgh, Pa., and by all respectable dealers in medicines. je27:1mdaw

TRUTHS THAT DEFY CONTRADICTION.

Read the following facts in relation to *Christadoro's Excelsior Hair Dye*, and then say if it has an equal in the world.

It neither burns the skin nor hair.
It colors every hair alike.
Its blacks and browns are nature's duplicates.
It is applied in a few minutes.
It leaves a gloss upon the hair.
It is more permanent than other Dyes.
It contains no corrosive ingredient.

And lastly, its inventor challenges a trial between this Dye and any other in existence, whether of native or foreign origin. Sold everywhere, and applied by all Hair Dressers. CHRISTADORO, *No. 6 Astor House, New York.*

SEWING MACHINE COMPANY

Pittsburgh Agency, No. 107 Market St.

Having greatly increased their facilities for manufacturing their CELEBRATED FAMILY MACHINES, with all the recent improvements have reduced their prices, and offer for sale a

NEW STYLE MACHINE.

Price, $50—Hemmer, $5 Extra.

It is no longer questioned that these Machines are the best in use for family sewing. They

HEM, FELL, GATHER AND STITCH

In the most superior manner, and are the only machines in the market that are so well and simply made, that they may be sent into families with no other instructions than are contained in a circular which accompanies each machine, and from which

A CHILD OF TEN YEARS

May readily learn how to use, and keep them in order. They make upwards of

FIFTEEN HUNDRED STITCHES A MINUTE,

And will do the sewing of a family cheaper than a seamstress can do it, even if she works at the rate of

ONE CENT AN HOUR.

Is there a husband, father, or brother in the United States, who will permit the drudgery of hand sewing in his family, when a Grover & Baker Machine will do it better, more expeditiously, and cheaper than can possibly be done by hand.

Send for a Circular.

The first place in public estimation is now justly accorded to the Grover & Baker Machine, for family sewing, for the following reasons:—1st. It is more simple and easily kept in order than any other Machine. 2d. It makes a seam which will not rip or ravel, though every third stitch is cut. 3d. It sews from two ordinary spools, and thus all trouble of winding thread is avoided, while the same machine can be adapted at pleasure, by a mere change of spools, to all varieties of work. 4th. The same machine runs silk, linen thread, common spool cotton, with equal facility. 5th. The seam is as elastic as the most elastic fabric, so that it is free from all liability to break in washing, ironing, or otherwise. 6th. The stitch made by this machine is more beautiful than any other, made either by hand or machine.

THE PERUVIAN SYRUP,

OR,

Protected Solution of Protoxide of Iron Combined,

HAS SUCCESSFULLY PASSED THE ordeal to which new discoveries in the Materia Medica are subjected, and must now be received as an established medicine. Its efficacy in curing

DYSPEPSIA,

Affections of the Liver, Dropsia, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Boils, Scurvy, and the prostrating effects of Lead, or Mercury, General Debility, and all diseases which require a tonic and alterative Medicine is beyond question.

The proof of its efficacy are so numerous, so well authenticated, and of such a peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases apparently unlike, are intimately related, and proceeding from one cause, may be cured by one remedy. The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medicinal skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

PRICE—Large bottles, $2, or six for $10; small bottles, $1, or six for $5.

Having confidence in the efficacy of the "PERUVIAN SYRUP," as a medicinal agent, we recommend to our brethren in the ministry, the careful reading of this pamphlet.

RICHEST DIADEM,

Ever Worn by Kings or Emperors,

WHAT? A BEAUTIFUL HEAD OF HAIR!

THE ARTICLE THAT WILL NATURALLY restore the color of the hair, the changing of which to gray, being an indication of a lack of proper secretions, is truly a valuable medicine. Prof. Wood's HAIR TONIC is the only safe remedy for baldness, dryness, premature change of color, and the several evidences of a lack of secretions at the roots of the hair, which can be found. Quack preparations abound, and "hair tonics" fill every corner grocery in the country. Avoid all "hair tonics" unless known to be the preparation of some man whose celebrity has become world-wide. Do not let any nostrum vender experiment upon your hair. Touch nothing you have not a good reason to believe is all that it purports to be. Prof. Woods has earned by years of severe test of the virtues of his preparation, his present fame. Over 150 certificates are before us of the value of this Hair Restorative, from parties who have tried it. Read the following:

NEW YORK, April 19, 1858.—DR. WOOD—*Dear Sir:*—Permit me to express to you the obligations I am under for the entire restoration of my Hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

I am, dear sir, yours truly, S. THALBERG.

Prepared by O. J. WOOD & Co., 114 Market st., St. Louis, and 312 Broadway, N. Y., and sold by all druggists and patent medicine dealers; also, by all fancy and toilet dealers in the United States and Canada.

SUFFER NOT.—DRS. GOLDSMITH & CO., No. 42 Sixth street, Pittsburgh, Penn'a, still continues to be consulted on all diseases of a PRIVATE or DELICATE NATURE. From a long course of study and practical experience of unlimited extent, Drs. SEMINAL WEAKNESS—Drs. G. & Co. devotes much of their attention to the treatment of those cases caused by a secret and solitary habit which ruins the body and mind, unfitting the unfortunate individual for either business or society. Some of the sad and melancholy effects produced by these early habits of youth are, Weakness of the back and limbs, Palpitation of the Heart, Dyspepsia, Nervousness, derangement of the Digestive functions, symptoms of Consumption, etc., etc. The fearful effects on the mind are much to be dreaded, viz: Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, timidity, etc., are among the evils produced. Such persons, before contemplating marriage, should consult a physician of skill and experience, and be at once restored to health and happiness. Ague and Fever cured, and warranted.
