Rev. Mr. McKinstry, from the Appointment Committee, made a report of the funds of Synod. Adopted.

The Synod's indebtedness is ..... $ 700 00
Amount in Treasury 185 00

Leaving a balance of 515 00
Professors' salaries 1,200 00
Incidental expenses 85 00

Amount to be raised 1,800 00

It is appropriated as follows: Monongahela Presbytery, $270; Second Ohio, $220; Lakes, $78; Steubenville, $150; Muncy at Naples ... Lawrence, $120; Butler, $150; Wheeling, $140; Westmoreland, $150; Blairsville, 110; Allegheny, $280.

The report was accompanied by a resolution requesting the Presbyteries to pay over to the Treasurer of Synod the above appointment on or before the 1st of March, 1859.

A report was read by Rev. R. A. Browne, from the Board of Superintendents of the Allegheny Seminary. Adopted.

The term of service of Revs. Greer, Browne and Ekin, members of the Board, having expired, the following persons were elected to serve in their place: Revs. Dr. Rodgers, Dr. M'Elwee and J. B. Clark.

Rev. James Presley was invited to sit as a corresponding member.

Some financial business was then transacted by Synod.

A resolution was adopted recommending the congregations of Synod to contribute to the support of the Theological Seminary at Xenia, the coming year.

Mr. J. R. Ross, agent of Madison College, read a paper respecting its progress during the year. Its President resigned during the year. Only 25 students were in attendance during the winter. Rev. J. Duncan was elected President at the opening of the summer session. During that session, 67 students were in attendance.

Resolutions were adopted, appointing Revs. M. H. Wilson and Jos. Duncan agents for Madison College; and earnestly soliciting the people under the care of the First A. R. Synod of the West to help the agents forward by their contributions.

A report from the Committee of Revision was read and adopted.

A resolution was offered by Rev. R. A. Browne, and adopted, tendering the thanks of Synod to the citizens of Pittsburgh and vicinity, for their hospitality to members of Synod on this occasion.

After approving the minutes, Synod adjourned; closed with prayer by Rev. H. Parks, Jr., singing the 42d Psalm, and the pronunciation by the Moderator of the Apostolic benediction.

Fifth Day—Opened with prayer by the Moderator. Roll call dispensed with. Minutes read and approved.

On motion, the time of meeting for constituting Big Spring Presbytery, was changed from the second *Thursday* of November to the second *Tuesday*, at 2 o'clock, P. M.

A report was read from Blairsville Presbytery.

A petition from Mount Vernon congregation, Knox county, O., under the care of the second Presbytery of Ohio, was granted, transfering them to Mansfield Presbytery. The lines were changed accordingly.

The following resolutions, offered by Dr. Pressly, were adopted:

Resolved, 1. That the American and Foreign Christian Union, which has for its object the diffusion and promotion of the principles of religious liberty, and a pure Christianity where ever a corrupted Christianity exists, is worthy of the patronage of the enlightened citizen and the benevolent Christian.

Resolved, 2. That it be recommended to all pastors and congregations under the care of this Synod, to aid this association in the prosecution of its laudable object, both by their prayers and by their contributions.

The following gentlemen were granted leave of absence: D. W. French, Erastus Zeis, S. T. Herron, B. F. Sawyer, Samuel Jamison, Thos. W. Robbins, M. M'Kinstry, James Shaw and J. Kelso.

A report was received from the Committee on Synod's Fund, which directed that each congregation take up a collection for this Fund, which was adopted.

On motion, Dr. M'Lean and the clerk, Rev. R. A. Browne, were appointed a committee to superintend the publishing of the minutes of this Synod, and 600 copies were ordered to be published.

On motion, the thanks of this Synod were tendered to the Pittsburgh *Gazette* and the *United Presbyterian*, for reporting the proceedings of Synod.

The minutes of this session were read and approved, and Synod adjourned to meet on the last Wednesday in September, 1859, in Rev. Pressly's Church, Diamond, Allegheny City.

Closed with prayer by Rev. D. B. Jones, singing the 147th Psalm, and Benediction by the Moderator.

DANGEROUS COUNTERFEIT.—A spurious five dollar note, purporting to be on the Burlington Bank, N. J., has just been put in circulation. The vignette is a large western steamer, other steamers around it, portrait of Washington on right end, Clay on left, large figure 5 in each upper corner, title of Bank in a straight line, signature miserably done; on lower edge are the words. "stockholders individually liable." The word 'Five' is printed in red across the note immediately under the vignette. The note is altered from some western concern, and is totally unlike the genuine.

B. C. MCCORMICK, ESQ.—This gentleman has been secured by our Christian Association to lecture this evening in the First Presbyterian Church lecture room. He has been visiting the west with a view to awaken a deeper interest in the young men of our large cities, by calling their attention to Christian Associations; etc.—He seems to have the general welfare of the rising generation at heart, and from the position that he now occupies in New York, we judge him to be an active, zealous, Christian young man.

THREE alleged pickpockets were arrested yesterday by officer Hague. They hail from Cleveland, and give their names as Geo. Sanford, Jas. Smith and Wm. Marvin. They had bundles of clothing in their possession, which are supposed to have been stolen, among which are four silk plush vests and several silk handkerchiefs.—They will have a hearing to-day, by which time the Mayor expects to find the owners of the goods.

MRS. JULIA DEAN HAYNE.—The play of "Camille" was given last evening at the New National, Mrs. Hayne assuming the role of Camille. The play is intensely interesting, and in the hands of Mrs. Hayne it lost nothing by her acting. At the end of the piece she was enthusiastically called for and greeted with repeated rounds of applause.

This evening, Mrs. Hayne will perform the part of Evadne, in the play of that name, being her last appearance but four in this city.

MISING NEWS.—The Pittsburgh (Cliff) Copper Company have formed a new mine from their territory called the North Cliff Company. The new Company receives 1,000 acres of land, with both the Cliff veins on it, and $50,000 in cash for a working capital. The stock of the new Company is divided among the stockholders of the Cliff who were such on the 5th inst.

For the convenience of our friends, we give the official vote of Allegheny county for President, Canal Commissioner, &c., in 1856.

MESSRS. EDITORS:—You are in error in relation to some particulars of the meeting at Girty's Run, in Duquesne Borough.

Large bills were stuck up announcing a meeting to take place on Thursday evening, at which Thos. Williams was to speak. At the appointed time quite a number of the mill hands (Republicans all that) went to hear the great "I am" and were much disappointed to see a portly gentleman by name of "Large" ride up. There was a movement made to organize, but, unfortunately, they lacked the material to do so, when a Republican was called upon to bunt up a Democrat to make a chairman of. One was found (there is one in three in the crowd) and Mr. Large was introduced, who went over a good deal of ground and told some very stale things, and some that were not so stale, but seemed rather too big to swallow. After he was done and the assembly about to leave, some one thought, as the great Williams wasn't there, there was a—"Williams" and vociferously called Williams, Williams, &c., and to satisfy the crowd and allay a few statements of the previous speaker, Mr. Williams (the manager of Lorenz's works) rose and made a short reply to Mr. L.—bringing said *Large, Smelling Stephen* and a *Mr. Campbell* back from the bar room in a terrible hurry, friend Mercer crying out "St. Paul offered salvation without bonds," "what about the bonds," &c., when he was asked about the reply of candidates who had been interrogated. He said they were sound in his breeches pocket, and went back to make converts of two men he had button-holed and treated, who finally informed him they had not got their first papers, which fact "Stephen had n't *smell.*" After an exposure of Democratic gammon and a little encouragement of the Republicans, Mr. Williams left the stand, and fearing some of their Democratic friends might have been induced to vote Republican, Campbell hurried in the adjoining room to lightly rehemence implored them to stand faithful to the party and vote for "Williams," and left, feeling that he was no go, and that it required another Richmond in the field to carry the day in Duquesne borough.

REPUBLICAN.

REPUBLICAN MEETINGS.—A first-rate meeting was held in South Pittsburgh, at the spike works, last evening. Mr. I. B. McVey was chairman, and addresses were delivered by Messrs. A. M. Brown, Seibenick and J. H. Miller. There were nearly 200 present, who appeared to be satisfied they could give a good report at the polls to-day.

Large meetings were also held in other places last evening. In the Diamond, Allegheny, there was a fine turn-out, addressed by Messrs. Howard, Kirkpatrick, and others; at Birmingham; addressed by Messrs. Moorhead, Foster, Smith, and Koethen; at McKeesport, addressed by Messrs. Marshall and Graham; in Snowden tp., addressed by Mr. Carnahan and others; at the Copper Works, Pitt township; in Duquesne borough; at the Soda Works, Fawn township, addressed by Mr. Moffit and others; and at Hartman's, in Reserve township. All these meetings were enthusiastic, and showed that the people evinced an unwillingness to be gulled by the false pretences of demagogues who would make every promise to get office, and would afterwards let their interests go to the "four winds."

DEER CREEK.—Those who wish to take a pleasant drive up the Allegheny Valley before the bad weather sets in, to see the beautiful scenery of that region, cannot find a better terminus than the Deer Creek Hotel, G. W. Smith, proprietor. He will treat you well in every respect.

LARCENY.—Thomas Whittaker, but recently from the Penitentiary, was committed by the Mayor, charged with stealing a watch from a school teacher named Long, from up the Monongahela river.

THE U. S. District Court meets in this city on Monday next. The Supreme Court also meets on the same day.

THE Hutchinson Brothers had a good house at Porter's Theatre last night, and everything was done in highly satisfactory manner.

A NEAT and reliable article of ready made clothing, for either man or boys, can be had at Carnaghan's, Federal street, Allegheny City. A choice stock of new style piece goods, for gents' and boys' custom work, is now ready for the examination of buyers, which, with a large variety of furnishing goods for fall and winter, make his stock an attractive one. A BENEFIT FOR HOT WEATHER.—The very best remedy for this hot weather is to drop in at Bown's, Federal St., Allegheny, and treat yourself to a saucer of their delicious Ice Cream, or a glass of sparkling Ice cold Mineral Water, flavored with the choicest of Syrups, and drawn from a fountain in excellent order. Their stock of Cakes and Confections are of the best description, manufactured from good material, and get up in the neatest style imaginable. Give them a call. †

DERANGEMENT OF THE LIVER is one of the most common, as well as the most formidable of diseases known to American physicians. It has for years attracted the closest attention of the medical faculty in all parts of the United States, and yet up to the time of the discovery of Dr. M'Lane's great specific, prepared by Fleming Bros of Pittsburgh, Pa., it was almost beyond the reach of medical skill. Thousands had perished without even a hope of relief, and although thousands may yet be destined to feel the direful effects of this most complicated disease, it is now thanks to the search of Dr. McLane, most completely brought within the scope of medical control. The proprietors, Fleming Bros., Pittsburgh, Pa., of the Liver Pills feel confident that they offer a remedy which has been fully tested by time, and which has never failed of success when fairly tried.

☞ Purchasers should be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS., of Pittsburgh, Pa. There are other Pills purporting to be Liver Pills, also bits celebrated Vermifuge, can now be had at all respectable drug stores. *None genuine without the signature of* FLEMING BROS.

B. L. FARNESTOCK'S VERMIFUGE,

AND

DR. R. A. WILSON'S

Tonic, Cathartic and Anti-Dyspeptic

PILLS,

The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by B. L. Fahnestock. Thirty years experience in the drug business enables us to stand and be responsible for every article every way worthy of confidence. As a *cure for worms* it claims to be unequaled, and as a merchantable article it is prepared and sold by B. L. Fahnestock's and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a more lasting existence for over twenty years, unsupported by advertising of any kind, yet with all these disadvantages, whenever used they have given universal satisfaction in every instance, and they have performed all the requirements of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

WASHINGTON, January 1, 1858.

Dr. R. A. Wilson, Pittsburgh, Pa.:—I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and head; they have never failed to relieve me on any occasion, and have always left my system in better condition than they found it. I must confidently commend your pills as a safe and highly valuable medicine.

Yours, respectfully,

WILLIAM HOPKINS.

Latest from California.

ST. LOUIS, Oct. 11.—The overland California mail arrived at nine o'clock last night, bringing dates to the 16th ult., ten days later than the previous advices via Panama. A large number of prominent citizens assembled at the Pacific Railroad depot on the arrival of the train from Jefferson city. Colonel Butterfield was greeted with a hearty welcome, and formally received in a brief but highly complimentary speech by John F. Darby, on behalf of the citizens. Colonel Butterfield responded in an appropriate manner, returning thanks for the unexpected demonstration and cordial approval of his labors by the citizens of St. Louis. The mails were escorted to the post-office by a long procession with bands of music.

The Alta Californian, of the 14th ult., prepared expressly for the overland mail, furnishes the following:

The news from Fraser River was unimportant.

The water is still too high for successful mining purposes.

Trade at Victoria was much depressed.

Dates from Oregon to the 8th state that Major Marnett has had a skirmish with the Indians on the Okanagan. Lieutenant Allen and six Indians were killed.

A party of miners under Maj. Robinson, had been attacked by Indians on the Wenatche, and one white man was killed.

Rumor obtained credit at Dalles, that General Palmer's party had been massacred near Okanagan.

Good diggings had been found on the Wenatche, and Maffit and Bartholomew.

To conclude with the laughable farce of WINDMILL.

To-morrow evening the NEW ORLEANS ENGLISH OPERA TROUPE will appear.

On the 29th of August a fight occurred between a small detachment of troops under Major M'Lean and a party of Indians at Sear Springs. M'Lean was severely wounded, and six or eight Navajoes were killed.

Colonel Loring's command was expected at Fort Union in a few days. General Garland, Major Nichols and Captain Easton, had left for the States.

HALIFAX, Oct. 10.—The steamship Indian Empire from Galway, Ireland, on the 28th ult., passed Cape Race at seven o'clock on the morning of the 7th ult, arrived off Halifax at 9 o'clock on Saturday night, and entered the harbor at 10 o'clock Sunday morning. She encountered strong easterly gales during the passage. She has on board 250 passengers.

The Liverpool dates received by the Indian Empire are to the 27th ult.

The official synopsis of the English treaty with China has been published. The main features are already known. Separate articles provide for an indemnity and two millions of taels for the expenses of the war. The British forces will remain in China until paid in full.

The political news is not of much importance.

It was rumored that Prince Napoleon would marry the oldest daughter of the King of Sardinia. The Prince was to visit Turin in October.

It was stated that the Russian Navigation Company will be authorized to establish a station in Algeria, and to have a depot of coal there.

The Spanish expedition to Cochin, China, will not be expected to commence operations before November.

The Spanish preparations against Mexico continue. The minister of marine has been to Cadiz to inspect them.

The Bank of Frankfort has raised the rate of discount to 4 per cent.

Arrangements for the transfer of Austrian railway lines to Rotschild and other French and English capitalists had been completed.

The Indian Empire was a formidable one. It included many high persons, and had extensive foreign ratifications.

A conspiracy had been discovered to exist in Persia against the prime minister. It failed and the leaders were beheaded.

There is no political news of importance.

The French Ambassador will leave Paris for China on October 31, with the ratified treaty.
