TO THE PUBLIC.

ESPECIALLY the ignorant and falsely Modest Physicians of all denominations, treat secret and delicate disorders, self abuse and diseases of a mutilating character, incident to youths of both sexes and adults, single or married. Because DR BRANDRUP publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great sin, very immoral, and to contamination and corruption among their wives, promising sons and daughters. Their family physician should be cautious to keep them in ignorance that they do the same as DR BRANDRUP, (except publishing it) because a practice fine might be lost to them among sunsid, falsely modest and presumptuous families, born and raised in ignorance, sprung up as mushrooms, and who compare society, intelligence, sense, &c., to dollars and cents, mysteriously, meanly or lily sotten. It is to this (nibbling, honey, that numerous parents and guardians are thankful that their sons, daughters and wards, previously feeble, sickly and of delicate condition and appearance, have been restored to health and vigor by DR. BRANDTRUP, besides many before and after marriage through him have been saved much suffering, anxiety, mortification &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and who is daily consulted by the profession, as well as recommended by respectable citizens, publishers, proprietors of hotels, &c. GRAND

WE TAKE PLEASURE IN ANNOUNCING that we have just received one of the inimitable

STEINWAY'S OVERSTRUNG GRAND PIANOS,

and therewith respectfully invite the public, one and all, to give us a call, and examine the same. Professional gentlemen have pronounced it superior to any Grand they have ever played upon. They are considered the best Piano Fortes manufactured. Opinion of nearly all the great and most prominent Musicians and Artists regarding these instruments.

The undersigned, having personally examined and practically tested the improvements in Grand Pianos, invented by H. Steinway, in which the covered strings are overstrung above those remaining, do hereby certify—1—That as a result of such improvements, the voice of the Piano is greatly improved in quality, quantity and power. 2—The sound by Steinway's improvement is much more even, less harsh, stronger, and much better prolonged, than that realized in any other Piano with which we are acquainted. 3—The undersigned regard the improvement of Mr. Steinway as most novel, ingenious and important. No Piano of similar construction has ever been known or used, so far as the undersigned know or believe.

BLOOD PURIFIER.

There is no medicine gaining such rapid reputation as WILLIAMS' COMPOUND SYRUP OF SARSAPARILLA, and IODIDE OF POTASSIUM, in the cure of a numerous progeny of diseases, that owe their origin to a strumious Diathesis or Scrofulous taint in the constitution and in the blood, such as White Swelling, Tetter, Sore Eyes, Syphilitic disorders, and other diseases of the skin and blood. This is a reliable remedy.
RONSAY, Mi s, Nov. 20, 1859.

MR. WM H. FOX—*Dear Sir:* With regard to WILLIAMS' SARSAPRILLA AND IODIDE OF POTASSA, I have been selling the article for some four years, and know the composition. I have on hand many preparations, termed Sarsaparilla, such as Townsend's, Ball's, Hurley's, Guysott's, Sands', Graffenburg's and others, but deem the article manufactured by you infinitely superior to them all, and principally from the fact that it contains what it purports to contain, and the ingredients are good. I have sold over fourteen hundred bottles of it, and in an experience of 15 years in the drug business, have never found an article to give as much satisfaction. Our physicians here prescribe it in lieu of Calomel.

You can make what use you please of this, and if called on, I will personally substantiate the above statements. Very respectfully, yours,

CLARKE'S LIVER PILLS.

A Radical Cure! Read!! Read!!!

MR N. U. WALKER—*Dear Sir:*—For three years past, I have been severely afflicted with *Liver Complaint*, of a most malignant and chronic character. I consorted to a large number of remedies, but they failed to produce other than a temporary relief. About six months ago, I purchased a box of "CLARKE'S LIVER PILLS," and after using them, found myself so much better, that I at once adopted a regular system of taking them, and soon found myself entirely and radically cured. The various ills attendant upon a disordered state of the Liver, at once disappeared. I gladly and most cheerfully recommend these Pills as a sure and effective remedy. Yours, truly,
WM. AUSTIN.

Chillicothe, O., December 4, 1859.

The above but speaks the voice of thousands who have fully tested the curative properties of CLARKE'S LIVER PILLS. Prepared at first for private practice by an eminent physician, and their merits fully tried, this not strange they act more efficiently and directly on the disordered organs than the generality of so-called Liver Remedies. In cases of Liver Complaint, Dyspepsia, Impurity of the Blood, Constipation of the Bowels (forerunner of Debility, Sick Headache, and all diseases arising from a disorganized state of the system, &c., are a sure and never failing remedy.

☞ THE FOLLOWING LETTER relative to BRANDRETH'S PILLS demands attention from INVALIDS:

HAMMONTON, N. J., May 7, 1860.

DR. BRANDRETH:—Dear Sir—I have long wanted to write to you and express my gratitude for the beneficial effects that have been experienced in my own family, and in hundreds, aye, thousands of others, by the use of Brandreth's Pills. The first year my friend Brockaway sold your pills in Boston, 1838, I was then in a declining state of health, and my friends as well myself supposed that my earthly voyage should soon terminate. Mr. Brockway urged me to take the Brandreth Pills, but having used so much medicine with no good effect, I was more incredulous to let nature take its course, and calmly submit to my fate. Mr. B. offered to give me one box n boxes if I would take them as prescribed. By this I saw he had great faith in them, and I finally consented to take them, but not as a gift. I sent home and went at it most hopelessly. After taking one box I began to feel better. Well, sir, when I had used up my twelve boxes I was a well, healthy man—my weight having gone from 131 pounds up to 152 pounds. I then ordered a supply, and between that time and the present I retailed three thousand dollars worth of these invaluable Pills, and am quite sure that I have thereby been instrumental in saving, not hundreds, but thousands of lives. Yours truly,
C. J. FAY, M. P.

BLOOD FOOD.

THE ATTENTION OF INVALIDS, Physicians, Clergymen, Scientific men, and the public generally, is respectfully solicited to the merits of this chemical preparation, containing *IRON, SULPHUR,* and *PHOSPHORUS* and which is identical in its composition with the *Hematic Globules*, or *red blood*. In all diseases accompanied with

DEBILITY,

pale countenance and nervous derangement, analyses of the blood show a deficiency of the red globules. Ruddy complexion and a rosy tint of the skin, is always indicative of health; while a pale, wax-like skin and countenance,—which evinces a deficiency of the red globules,—accompanies a diseased organism. Preparations of *IRON* have been given for the purpose of supplying the red globules, but we contend that *IRON* alone, *SULPHUR* alone, or *PHOSPHORUS* alone, will not meet the deficiency in every case, but that a judicious combination of all these elements is necessary to restore the blood to its normal standard. This point never before attained, has been reached in the *BLOOD FOOD* and its discovery ranks as one of the most scientific and important of the age. Its effects in

CONSUMPTION

are to soften the cough, brace the nerves, strengthen the system, allay the prostrating night sweats, increase the physical and mental energy, enrich the blood by restoring the lacking red globules, increase the appetite, restore the color, and clothe the skeleton frame with flesh. The *BLOOD FOOD* will be found a specific in all *CHRONIC DISEASES* of the *THROAT* or *LUNGS*, such as *Asthma, Bronchitis, Coughs*, &c. Public speakers and singers will find it of great utility in clearing and strengthening the vocal organs. In *Dyspepsia, Liver Complaints, Dropsy, Epilepsy, Paralysis, Scrofula, Gravel, St. Vitus' Dance, Fever and Ague*, etc., its efficacy is marked and instantaneous. In no class of diseases, however, are the beneficial effects of this remedy so conspicuous as in those harrassing

FEMALE COMPLAINTS

to which the gentler sex are liable, and which tend towards Consumption, such as suppressed or difficult *Menstruation, Green Sickness, Whites*, etc., especially when these complaints are accompanied with paleness, a dingy hue or pallor of the skin, depression of spirits debility, palpitation, want of appetite, and nervous prostration. We have the utmost confidence in recommending the *BLOOD FOOD* to all who may be conscious of a loss of vitality or energy, and to those whose mental or bodily powers are prostrated through over-use either of the mind or body, and we deem it our duty to say that in all cases of *Weakness and Emaciation*, and in all diseases of the *Kidneys* or *Bladder*, this preparation has a claim upon the attention of sufferers which cannot be over-estimated. A faithful trial will be found the most convincing proof in regard to its efficacy that could be asked for. With the above remarks, and with the numerous testimonials we have in its favor, we offer the *BLOOD FOOD* in the consideration of the afflicted, knowing that it will be acknowledged as pre-eminent over all other preparations, patent or official, in point of usefulness. Circulars giving the Theory upon which this remedy is founded, also certificates of remarkable cures, will be sent free when desired. We forward the *BLOOD FOOD* to any part of the United States or Canadas upon receipt of price—$1 per bottle, $5 for six bottles. Be careful in all cases to take none but that having our fac-simile signature upon the wrapper. None other is genuine.

DR. MOTT'S
CHALYBEATE RESTORATIVE
PILLS OF IRON.

AN aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of the vital energy, pale and otherwise sickly complexion indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have become forgotten in their busy world as if just recently re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In NERVOUS AFFECTIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the iron of iron must necessarily be salutary, for, unlike the iron and overhealing, and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably efficacious and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In DYSPEPSIA, innumerable are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant *Costiveness*.

In unchecked DIARRHŒA, even when advanced to DYSENTERY, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In SCROFULOUS TUBERCULOSIS, this medicated iron has had far more than the good effect of the most carefully balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this *remedy* and *restorative*, in the cases peculiarly affecting them.

In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and the progress in the new settlements of the West, will propably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to
