Notices.

TO THE PUBLIC.

ESPECIALLY the ignorant and falsely Modest Physicians of all denominations, treat secret and delicate disorders, self abuse and disease, or situations common & incident to youths of both sexes, and adults, single or married. Because Dr. BRANDRETH publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great sin, very immoral, and for contamination and corruption among their wives, promising sons and daughters. Their family physician should be cautious to keep them in ignorance that they do the same as Dr. BRANDRETH, (except publishing,) lest a lucrative practice might be lost to them among stupid, falsely modest and presumptuous families, born and raised in ignorance, sprung up as mushrooms, and who compare society, intelligence, sense, &c., to dollars and cents, mysteriously, meanly or filly gotten. It is for publicity, however, that numerous parents and guardians are thankful that their sons, daughters and wards, if seriously feeble, sickly and of delicate condition and appearance, have been restored to health and vigor by Dr. BRANDRETH, besides many before and after marriage, through him have been saved much suffering, anxiety, mortification &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and who is daily consulted by the profession, as well as recommended by respectable citizens, publishers, proprietors of hotels, &c. It sews equally well on the thickest and most fine fabrics, makes the lock stitch impossible to unravel, with the essential advantage of being alike on both sides, forming no ridge nor chain on the underside—is simple in construction, most speedy in movement, and more durable than any other machine.

We give full instruction to enable the purchaser to sew, stitch, hem, fell, quilt, gather, bind, and tuck, all on the same machine, and warrant it for three years.

Prices Reduced for Seven Years, from $125 to $110, including Hemmers, Improved facilities for manufacturing and the curtailment of litigation expenses consequent upon recent decisions of the United States Courts affirming the validity of the Grover & Baker's Co's patents enables this company to furnish their SEWING MACHINES with important improvements at greatly

REDUCED PRICES.

The superiority of these machines for family use and manufactures in the same range of purpose and materials is attested by the tens of thousands using them, and the moderate prices at which they are now sold, places them within the reach of all and obviates all excuse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine business. Every machine sold by us is warranted for three years, we also give instructions free of charge to purchasers to enable them to HEM, FELL, GATHER, TUCK AND EMBROIDER ALL ON THE SAME MACHINE.
