SAVE THE PIECES!

ECONOMY! DISPATCH!

"A STITCH IN TIME SAVES NINE."

Accidents will happen, even in well-regulated families, it is very desirable to have some cheap and convenient way for repairing Furniture, Toys, Crockery, etc.

Spalding's Prepared Glue

meets all such emergencies, and no household can afford to be without it. It is always ready, and up to the sticking point. There is no longer a necessity for limping chairs, splintered veneers, headless dolls, and broken cradles. It is just the article for cone, shell, and other ornamental work, so popular with ladies of refinement and taste.

This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best cabinet-makers' Glue. It may be used in the place of ordinary mucilage, being vastly more adhesive.
