"Great American Remedy,"

CHRONO-THERMAL FEMALE PILLS

Which have never yet failed (when the directions have been strictly followed,) in removing difficulties arising from

or in restoring the system to perfect health, when suffering from SPINAL AFFECTIONS, PROLAPSUS UTERI, THE WHITES, or other weakness of the URINARY ORGANS. Also, in all cases of DEBILITY or NERVOUS PROSTRATION, HYSTERICS, PALPITATIONS, &c., &c. which are the forerunners of more serious disease.

These Pills are perfectly harmless on the constitution, and may be taken by the most delicate female without causing distress; at the same time they ACT LIKE A CHARM by strengthening, invigorating, and restoring the system to a healthy condition, and by bringing on the monthly period with regularity, no matter from what cause the obstructions may arise. They should, however, not be taken during the first three or four months of pregnancy, though safe at any other time, as miscarriage would be the result.

Each box contains 60 Pills. PRICE ONE DOLLAR, and when desired will be sent by mail pre-paid by any advertised Agent, on receipt of the money.

1ST EDITION.

BY TELEGRAPH.

By Yesterday's Telegram.

From Fortress Monroe.

BALTIMORE, November 27.—The Old Point boat has arrived, but brings no news of importance. The passengers report that a flag of truce went up to Norfolk yesterday, but brought nothing whatever in relation to the fight at Fort Pickens.—This is considered a good sign, indicating a victory on the part of the United States forces. The United States transport Constitution arrived yesterday with troops destined to take part in Gen. Butler's expedition against some Southern port as yet unknown.

Capture of Rebels.

WASHINGTON, Nov. 27.—The following dispatch was received today from General McCall, dated Camp Pierpont:—Colonel G. D. Bayard, with one hundred men of the First Cavalry, Pennsylvania Reserve, marched last night at nine o'clock, with orders to proceed to Drainesville and capture a party of the enemy's pickets, understood to be there. He has just returned at noon today with eleven prisoners, having killed two and wounded one of the enemy. Two of the prisoners are cavalry, with their horses, arms and equipments. The remainder are infantry.

Arrival of the Steamship Canada.

HALIFAX, November 27.—The Cunard steamship Canada arrived early this morning, with Liverpool dates to Saturday the 16th inst. She sailed at ten o'clock for Boston, with 39 passengers and £100 of specie.

The London "Daily News" has an editorial generally rebuking the Southern sympathisers in England, and especially denouncing the writer of a strong Southern letter in the "Times." Sir James Ferguson publishes a letter emphatically denying that he acted the part of a spy while in America. He affirms that he interfered on neither side.

The financial programme of M. Fould, French Minister of Finance proves other important ministerial changes are rumored.

Arrival of Cannon.

NEW YORK, November 27.—Thirteen rifled cannon for the Government arrived from Cold Springs foundry to-day, including a 100-pounder, which will carry five miles. The latter will be sent to Fortress Monroe.

Man Killed.

NEW YORK, November 27.—George Harrmyer, son of Major Harrmyer, was crushed to death this morning in the machinery of the sugar refinery of Messrs. Harrmyer & Townsend, at Williamsburg.
