COURT OF QUARTER SESSIONS—Before Judges M'Clure, Adams and Parke.

Thursday, Oct. 25th.—The trial of Charles Bickford, Alfred England, Jno. Davis, W. Forgey and E. Lewis, indicted for riot, on oath of Jos. Heffner, was resumed this morning. The jury was charged at noon by Judge M'Clure, after which the jury retired.

Soon after the court had been opened in the afternoon, the jury returned and asked the court to repeat the evidence of Jacob Mangold, the barber, which was given before them yesterday. As the course of an hour they returned and brought in a verdict of not guilty. A number of friends of defendants who were in attendance, began to applaud, but Judge M'Clure very promptly checked them by ordering the officers to arrest the individuals who made the noise, remarking at the same time that a court of justice was no place for such demonstrations.

Com. vs. Frederick Arm; indicted for selling liquor without a license. The defendant plead guilty, and was sentenced by the court to pay a fine of $10 and the costs of prosecution. Not being able to come up to the mark and pay, he was committed to the county prison for thirty days.

Com. vs. William Montgomery; indicted for larceny, on oath of James Rankin. The indictment charged the defendant with the larceny from the prosecutor of three $10 bills, on the Iron City Bank of this city. The commonwealth not being able to sustain their charge, and the defendant proving that the money was given to him for safe keeping, the jury, under the direction of the court, returned a verdict of acquittal.

Com. vs. Mary Nack; indicted for larceny, on oath of Jacob Rock. The indictment charged the defendant with the larceny of a petticoat and breastpin, the property of the prosecutor. The prosecutor not appearing when the case was called up, a verdict of not guilty was returned by the jury.

Com. vs. J. B. Schlomer; indicted for selling liquor without license. Defendant plead guilty and was sentenced to twenty days imprisonment in the county jail in default of a fine of $20 imposed on him by the court.

Com. vs. Wm. Frew and Joseph Duffy, Supervisors of Chartiers township; indicted for misdemeanor in office, on oath of Wm. Sutton. The indictment charged them with neglect of duty, in not opening a legally laid out road, and in not keeping it in order. Messrs. Marshall and McGlocery appeared for prosecution, and Shannon and Woods contra. On trial.

BAD ACCIDENT.—A man named Jacob Miller, aged about 50 years, was killed at Robinson, Minnie & Miller's foundry, South Pittsburgh, yesterday morning, about 8 o'clock. He was employed as laborer and was killed in the following manner: A large casting, weighing five tons, was attached to a crane for the purpose of being scraped; one end resting on the ground while the other was held up by means of a chain. From some unknown cause the chain broke and the heavy mass of iron in its fall crushed the deceased in such a manner as to cause instant death. Miller resided on Strawberry alley; in this city, and has left a wife and two children to mourn his untimely death. Coroner Bostwick held an inquest on the body, and the jury rendered a verdict of "accidental death." From all accounts this was one of those occurrences that could not have been foreseen, and of course no blame is attached to the proprietors of the foundry.

SOMETHING FOR THE JUVENILES.—Hunt & Minor have received two sets of juvenile publications—each containing six beautifully bound volumes, which we expect will produce quite a commotion among the young folks. "Little Robin Nest Stories," and "Little Frankie Stories," are the titles of these books, and the author of them is MADELINE LESLIE, who bids fair to give as much renown in her day as Maria Edgeworth did with her tales for the young people, in the past generation. These pleasant little beauties are adapted to the capacity of very young children, and are designed to inculcate morals as well as to afford amusement. Each book, divided into six volumes, is put up in pretty boxes, thus forming a most acceptable present to young folks. Crosby, Nichols, Lee & Co., New York, are the publishers.

ASSAULT AND BATTERY.—A German named Adolph Dann made an information before Alderman Donaldson, of the Fourth ward, Wednesday night, against a fellow countryman named Philip Scotts, charging him with assault and battery. It appears that the prosecutor is a runner for a German emigrant house on Smithfield street. On Wednesday night he was sent by the proprietor of the house he was in to another house of the same kind on Liberty st., kept by a Frenchman named Pachet, to tell the latter that if he had too many lodgers they would take care of some of them for him. While delivering his message, the defendant, who was in the same room, came up and knocked Dann down. Savels was arrested by the ward police, but was released again on giving bail in $300 to appear and answer the charge at Court.

FAMILY ACCIDENT.—A young gentleman named John Phipps, employed as a clerk in the outer freight depot of the P., Ft. W. & C. R. R. Co., met with a painful accident on Wednesday afternoon, which it is feared will terminate in a fatal manner. He was out horse-back riding on the Perrysville Plankroad, and was driving along pretty rapidly, when the animal stumbled and threw Mr. Phipps off. He was thrown on his head with great violence, causing concussion of the brain and other injuries, which it is feared will prove fatal. Some friends who were passing at the time, carried him to the residence of his father, on Rebecca street, in the First Ward, Allegheny. Dr. J. Dickson is attending the unfortunate young man.

THE NEW ORLEANS MINSTRELS still continue to draw crowded houses to witness their unequalled and excellent performances. Their vocal and instrumental music is the best we ever heard in the minstrel profession. Their Brass Band, also, deserves special credit. The music they disgourse is quite new to us, and good.—Sherry and Sloman, in "The old and new year," overtaxes the people which they came. Bevan, in his "Essence," is hard to beat. Carleton's song, "See her still in my dreams," was very finely rendered. To-night is their last but one. Do not fail to go and hear them before they leave us.

DISCHARGED.—Sam't Hacket, the colored boy who was arrested by the Allegheny police on the night of the torch-light procession for malicious mischief, in breaking the windows in the house of a Mr. Horalek, on Ohio street, was discharged yesterday by the Court.

FIRST TRIPS.—There were 16 commitments by the mayor yesterday. Of these 6 were for drunk, 2 for disorderly conduct, 3 for assault and battery, 1 for larceny, and 1 for security of the peace.

FALSE ALARM.—A rumor was current last evening in the city, that a man had been killed late in the afternoon in Woods' rolling mill, at New Mill Run, by a stranger, who called him from his work and then knocked him down and beat him with a bar of iron. Our reporter promptly repaired to the spot, but found that the story originated in some people seeing the remains of Miller (the man who was crushed to death in the morning in Robinson, Minie & Miller's foundry) brought down in a wagon to the lower ferry to take them to his home, on Strawberry alley, in this city. A story was soon circulated that the man was working in Woods' rolling mill, and that he had come to his death by being struck on the head with a crow-bar in the hands of a conductor on the Birmingham street railway. Of course the report of the murder spread like wildfire and caused quite a commotion among several gentlemen connected with the press, who were at various places of amusement with their wives; but the only damage done was to our reporter, who came back very low spirited at being so badly sold.

MADAME COLSON—*Inauguration of the Musical Season.*—For next Tuesday evening is announced one of those fashionable and delightful concerts which always are looked forward to, enjoyed and remembered with pleasure. Madame Colson, the great prima donna, who for a single night last year both astounded and delighted one of the largest and best musical audiences we have ever seen in Pittsburgh; Miss Kellogg, a new claimant for favor—an American lady, very beautiful and very talented; Briguoli, the elegance of whose person and the sweetness of whose voice have made him an especial favorite with the ladies; Ferri, the great baritone; Susini, the rich toned basso; all under the direction of Sig. Muzzio, compose this unrivalled concert company.

The admission to the concert, which will take place on Tuesday evening, has been fixed at one dollar, with no extra charge for reserved seats. The sale of tickets will commence on Saturday, at J. H. Mellor's music store, Wood st.

COLLINS PARK.—Quite a large number of people were out at Collins Park, yesterday, to witness the race between Felix Laverty's o m. "Fairy Bowers" and S. Kay's b. h. "Dixie's Land." The first heat was won by the mare in 3:02; the second was a dead heat; the third was won by the mare—time, 2:58; fourth, 2:56.

Another match comes off this day week between the same animals, for $250 a side—for-feit $100.

MORE CONTRIBUTIONS.—The chairman of the Committee for the collection and distribution of the fund for the relief of the sufferers by the late terrible catastrophe on Liberty street, yesterday, received two more contributions to the funds. One of $15 from the Blume Lodge, O. F., and one of $188 36, the proceeds of the late concert given by the German Turner's, and other Societies, in Masonic Hall.

CONCERT AND LECTURE.—A grand concert will be given at Lafayette Hall this evening, by the Rail Splitters Battalion, several Glee Clubs, together with the Washington Cornet Band, have volunteered their services for the occasion.

Hon. John M. Kirkpatrick will deliver a lecture at the close of the concert. Subject; Party Issues.

PITTSBURGH THEATRE.—The crowd at this old favorite Temple of the Drama was about as large as ever last night to witness the Octoroon. Few places wear so well on repetition. The play will be repeated this evening, and as it is Miss Kimberly's last appearance here, we have little doubt but the house will be filled.

THE Pennsylvania College at Gettysburg, last week conferred the degree of "M. A." on T. F. Lehman, of this city, and that of "D. D." on the Rev. W. A. Passavant.

ENTERED BAIL.—Frederick Folger, who was arrested a short time since for larceny, entered bail in Court yesterday and was discharged from custody.

It is *Food for the Blood* already prepared for absorption; pleasant to the taste and natural in action, and what our gains, he relates. Let all those, then, who are suffering from poverty, impurity or bad condition of blood, and consequently with some chronic disease or ailment, take of this Blood Food and be restored to health. We notice that our Druggists have received a supply of this article, and the proprietor of the world renowned DR. RATONE'S INFANTILE CORDIAL, which every mother should have. It contains no paregoric or opiate of any kind whatever, and of course must be invaluable for all infantile complaints. It will allay all pain, and sooth the gums in process of teething, and at the same time regulate the bowels. Let all mothers and nurses, who have suffered sorrow days and sleepless nights, procure a supply, and be at once relieved.

See advertisement. For sale by GEO. H. KEYSER, Agent, 140 Wood st., Pittsburgh. Pa. [oct17-4t]

SHINGLES.—The shingle market is very dull just now, and prices have a decling tendency. This decline is attributed by a great many to the supply being more than equal to the demand, but the real cause may be found in the fact, that the demand is not so great as in former years, shingle roofs not being thought of when Oregon's celebrated Asphalt Roofing Felt" can be obtained. The agent for this excellent material can be found at his office, Laughlin's building, Canal bank, near the city Water Works.

ALL should not fail to read the advertisement of Prof. Wood, in to-day's paper.

THE LATEST NEWS.

BY TELEGRAPH.

RECEIVED AT THE DAILY GAZETTE OFFICE.

Three Days Later from California.

ST. LOUIS, Oct. 25.—Three days later dates from California arrived this morning by the Pony Express.

The news is meagre. The political canvass engrosses universal attention. The anxiety to hear returns from Pennsylvania, Ohio and Indiana, is becoming intense and even many Republicans are fearful that Pennsylvania will go Democratic. If the October elections in Pennsylvania and other Northern States go Republican there will be an immense gain in that party here before November. Gov. Downey who has been stumping the State for Douglas, expresses his opinion in private that California will go for Douglas by a large majority and that the Breckenridge ticket would run behind the Republican ticket. It is believed that the Bell and Everett men will vote mostly for Douglas.

Senator Gwin and Gen. J. N. McDougal have been making speeches violently abusive of each other, each accusing the other of dishonestly representing California at Washington. It is rumored that a correspondence of a hostile nature is now proceeding between them, but there is probably little danger of a duel.

The Douglas papers of Oregon are very bitter in denouncing the coalition by which a Republican Senator was elected. The President of the Senate, a Douglas Democrat, has been burnt in effigy in the county he represents, by the Douglas Democrats.—This course is probably resorted to, to counteract the effect of the charges that the Republicans and Douglas Democrats are working for a common object.

WASHINGTON, Oct. 25.—The Richmond Whig, which is considered the leading Union journal of the South, contains an editorial exciting considerable interest here. It says: "The Louisville Democrat truly remarks the intelligence from South Carolina and Georgia is of the most alarming character. The Breckinridge party there are putting on the cockade. The meaning of this is open, bold, resolute disunion. It is the more alarming because the movement is quiet. Our exchanges tell us also of meetings of that mysterious order of K. G. C. of Mississippi, which seemed to be mustering its forces. And avalanche may be pressed upon us before we know it. There has been no act to justify it in the slightest degree. Let the Union men take counsel. If the party is permitted to succeed in Virginia, our whole border will be on fire in less than three months. If men will resist the law, they at least, should wait for some excuse for this. There is none. We can only conclude as follows: "What will follow—civil war, bloodshed, property destroyed, the sacking of cities, murder, rapine, pestilence and famine will stalk in the rear to complete the destruction. We say put your house in order and be prepared for the event; be watchful and vigilant."

NORFOLK, Oct. 25.—Gov. Wise addressed a great crowd at the Breckenridge barbecue at Princess Anne yesterday in a speech of three hours and a half long, advocating the union of the South in the present crisis; there was tremendous enthusiasm and great cheering. He offered a resolution advocating the formation of Minute Men throughout the adjoining counties, and call upon all parties to join. The resolutions were unanimously adopted.

ATCHISON, Oct. 25.—Seventeen thousand pounds of flour, corn, meat and potatoes, arrived to-day from Illinois, and forty wagon loads of teams from the destitute portion of Southern Kansas, which were in waiting, were loaded and started for their destination. Kansas has previously arrived and been distributed from this point, 160 bushels of corn and 20,000 pounds of flour, groceries, potatoes, etc. Most of which was sent to the Neosho country.

OMAHA, Oct. 25.—A bold counterfeiter, representing himself as L. D. Spaulding, passed upon Messrs. Barrows, Willard & Co., bankers, of this city, on the 20th inst. $1,325 in counterfeit $10 bills upon the Bank of the Interior, Albany, N. Y., for which he received their drafts on Gilman, Son & Co., New York, for $1100 and $225. It is supposed he has gone East. Barrows, Willard & Co., have stopped payment of the same. The counterfeits are well executed and calculated to deceive the best judges.

SCRANTON, PA., Oct. 25.—A car containing twelve miners, employed in the Pennsylvania Coal Company's works, at Port Griffin, while going down a slope of 1,500 feet to-day was precipitated to the bottom when half way down, by the breaking of the rope. Eight of the miners were instantly killed, and two others received serious injuries, and are not expected to live.

ST. JOSEPH, Oct. 24.—The Philadelphia board of trade delegation arrived here this evening. The city of Grants, The loss is $75,000 and the insurance $20,000.

Weekly Review of the Pittsburgh Market.

[Reported specially for the Pittsburgh Gazette.]

PITTSBURGH, FRIDAY, Oct. 26, 1860.

The week which has just passed has not been marked by any material improvement in business. The transactions have not been as numerous, nor the operations as large as could be desired or as fully expected at this season of the year. Still, however, our merchants and manufacturers entertain strong hopes that a change for the better will take place after the Presidential election is over. At present, politics are the all absorbing topic of conversation, while business is almost entirely neglected.

The general market presents no new aspect, and we find it unnecessary to make many changes from our last report. FLOUR is quiet but firm, with a moderate stock in market. GROCERIES are steady but unchanged. GRAIN is in fair demand, but rates are rather unsettled.

In the MONEY market we note no important change. The features in the weekly statements are an increase in the discount loan, and also in the circulation of the Banks. The balance shown last week in favor of the Banks is contracted by a difference against them this week almost equal to the gain. Money continues abundant and can be had at reasonable rates. Our quotations for Eastern Exchange are the same as before: ¼ par each premium for par between Banks for currency.

APPLES—The market is pretty well supplied, but the demand is about equal to it. The sales have been liberal at 75@$1 for common, and $1.25@1.50 for choice.

ASHES—The week's sales were small at former prices viz: Kettle Ash 5@5½; Pots range from 6¼@6¾; Pearls 5¼@5½! The stock in first hands is ample for all ordinary purposes.

ALE—Pittsburgh manufactured continues in fair demand, with steady shipments to all parts of the country. The established rates at present are:

	bbls.	half bbls.
Keystone	$5	$4.00
Crown	4	2.50
XX	6	3.00
XXX	7	3.50
Porter	6	3.00

BACON—Meets with but a limited demand, cased, no doubt, by the high figures now prevailing. There is but a light stock in market at present. We note sales of shoulders at 9½ cts; sides at 11½; plain hams at 11¾@12; and sugar cured hams at 13@13½c.

BUTTER & EGGS—Butter is in dullar demand, and the extreme noticed in our last has been pretty well maintained. Several sales of Prime Fresh Roll have been made at 18 cents per pound. Eggs are scarce and are selling at 11½@12½ per dozen.

LARD—Low price current of Messrs. Herbet & Barker, for printed bags is as follows: Keg sacks, 12¼ lbs, $12.37½; 25 lbs $6.50@$6; 50 lbs $6@$5.75; 98 lbs $10@$10; salt boxes—1 lbs $15@$16; 10 do $22.50@$25; 14 do $25@$30; 20 do $33@40; 35 do $52@45.
