GERMAN BITTERS

PREPARED BY

DR. C. M. JACKSON, Philadelphia, Penna.,

such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or suffocating Sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant imaginings of Evil, and great depression of spirits.

And will positively prevent Yellow Fever, Bilious Fever, &c.

THEY CONTAIN

NO ALCOHOL OR BAD WHISKY

They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) many of ignorant pretence and unscrupulous adventurers, have opened upon suffering humanity the broad gates of Nostrums in the shape of poor whisky, vilely compounded with injurious drugs and christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bodied kegs, under the modest appellation of Bitters, which, instead of curing only aggravates diseases and leaves the victim a prey to sorrow in despair.

HOOFLAND'S GERMAN BITTERS,

Are not a new and untried article, but have stood the test of fifteen years trial by the American public, and their reputation and sale are not rivalled by any similar preparation.

The proprietors have thousands of Letters from the most eminent

Clergymen, Lawyers, Physicians and Citizens,

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

DO YOU WANT SOMETHING to STRENGTHEN YOU?

DO YOU WANT A GOOD APPETITE?

DO YOU WANT TO BUILD UP YOUR CONSTITUTION?

DO YOU WANT TO FEEL WELL?

DO YOU WANT TO GET RID OF NERVOUSNESS?

DO YOU WANT EASE?

Do you want to sleep well?

Do you want a brisk and vigorous feeling?

If you do, use

HOOFLAND'S GERMAN BITTERS.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded for the cheapest whisky or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcohol in its worst form, the desire for Liquor is created and kept up, and the results all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters, and mix with Three Quarts of Good Brandy or Whisky, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

ATTENTION SOLDIERS,

AND THE FRIENDS OF SOLDIERS

We call the attention of all caring relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the late, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of this kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. When there is hesitation in stating that if these Bitters were freely used among our soldiers hundreds of lives might be saved, that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language "has been saved by the Bitters."

PHILADELPHIA, August 23d, 1862.

Messrs. Jones & Evans—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. I was reduced to a skeleton. Numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case, I am, and have been for the last four years, a member of Sherman's celebrated battery, under the immediate command of Capt. R. B. Alfee. Through the exposure attendant upon my military duties, I was attacked in November last with inflammation of the lungs, and was confined seventy-two days in the hospital. This was followed by great debility heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the steamer "State of Maine," from which I landed on the 20th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did it was almost down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. This could not last under these circumstances. Indeed, accordingly the physicians who had been waiting for it, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me and I lived up to my own request to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Stanbron, of 6th below Arch Street, advised me as a forlorn hope, to try your Bitters and kindly procured a bottle. From the time I commenced taking them the shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained 10 pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentleman I am a loyal Virginian. I am in the vicinity of Front Royal. To your invaluable Bitters I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly, yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.
