PILES OR

TWENTY YEARS STANDING

CURED.

Below will be found a testimonial from one of the most respectable citizens of Pittsburgh, touching in regard to Dr. Keyser's Pile Remedy. He is a Searcher. The Doctor asks no man to testify who has not been cured, and does not need to do so himself to the efficacy of his medicine.

DR. GEO. H. KEYSER—Dear Sir: I became afflicted with Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Since [illegible] it is [illegible] that I could not do any [illegible] on account of them; they came out on me so [illegible] very much. I had tried a great deal [illegible] them. I used to buy and take [illegible] of rest or in [illegible] way, but I could not get [illegible] sometimes they would do me some good [illegible] a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well. Over a year ago I got six bottles of your Lindsay's Blood-Searcher, [illegible] when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the time [illegible] before I got well. I bought one bottle and took it home with me and used it according to your directions. I then called to see you again, when you said I could not expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used, I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years past. I have been well now for six months, and there is no appearance of a return of the disease. I can do any kind of labor, and work now without the Piles coming down and hurting me. I can pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was and do not know the value of your medicine. You may publish this if you like—I live in *Wilkins Township*, and will be pleased to satisfy any one of the truth of this certificate if they wish to call.

December 24th, 1863.

☞ *Look out the name of DR. GEORGE H. KEYSER on the cover of the bottle and pasted over the cork; also for his stamp on the United States stamp on the top of the bottle to prevent being imposed upon by a spurious article which is in the market.*
